**Subject: Proposed Resolution
Designating November 2011 as "Pancreatic Cancer Awareness Month"**

I will be introducing a resolution designating November 2011 as "Pancreatic Cancer Awareness Month" in Pennsylvania.

Pancreatic Cancer is the deadliest cancer and the fourth-leading cause of cancer deaths in the United States. This year 43,000 people will be diagnosed with Pancreatic Cancer and 36,000 will die from the disease.

The good health and well-being of the residents of this Commonwealth are enhanced as a direct result of increased awareness about pancreatic cancer and research into early detection, causes and effective treatment.

If you would like to become a co-sponsor of this resolution, please contact Pat Geiger 717-260-6407 or at pgeiger@pahousegop.com.

Thank you.
