RE: Co-Sponsor- Land Conveyance in Centre County

I will be introducing House Bill 1890 which authorizes the Department of General Services (DGS), with the approval of the Governor, to grant and convey to the Centre County Industrial Development Corporation (CCIDC) certain lands situated in Benner Township, Centre County.

The proposed legislation would convey parcels of property to the CCIDC for \$241,861.00, which was established through an independent appraisal.

The CCIDC promotes economic development throughout Centre County to attract and maintain jobs. The organization coordinates economic development initiatives for both the public and private sectors.

If you are interested in co-sponsoring the legislation, please contact Gayle Jones via e-mail at gjones@pahouse.net or via phone at 2-2283.
