House of Representatives
COMMONWEALTH OF PENNSYLVANIA
HARRISBURG

MEMORANDUM

To: All House Members
From: Representative Angel Cruz
Date: October 12, 2011
Subject: Resolution Co-sponsorship: City of Philadelphia Enforcement of Permits and Fees for Yard Sales and Flea Markets

In the near future I will be introducing a resolution to address the ongoing problem in the City of Philadelphia of unregulated yard sales and flea markets.

While Philadelphia has permit requirements for these events, residents continue to have unauthorized events and often fail to promptly and properly clean up afterwards. Significant amounts of household goods may remain on the sidewalk and in the street, not only causing eyesores but potential safety risks.

The resolution will ask the City of Philadelphia to uniformly enforce existing regulations so that all neighborhoods can have uncluttered, safe common spaces.

Please join me in support of this resolution by contacting my Legislative Assistant, Christina Consylman at (717) 787-1407 x 6478 or cconsylm@pahouse.net
