RE: Co-sponsor Resolution celebrating 2011 as the International
Year of Chemistry

In the near future, I plan to introduce a resolution designating 2011 as the International Year of Chemistry. A worldwide celebration of the achievements of chemistry and its contributions to the well-being of humankind is being celebrated all over the world.

Chemistry plays a vital role in everyday life and assisting to meet the global challenges of clean air, safe water, healthy food, medicine eco-friendly products and sustainable energy.

If you would like to be a co-sponsor, contact April Edwards in my office at aedwards@pahouse.net or 717-783-1000. Thank you in advance for your co-sponsorship of this resolution.
