MEMORANDUM

TO: All House Members
FROM: Representative Randy Vulakovich
DATE: November 2, 2011
REF: Amending Title 75 (Vehicle Code)

In the near future, I will be introducing legislation that will amend Title 75 (Vehicle Code) to permit portable traffic signals mounted on a single trailer to be hauled in tandem if designed by the manufacturer to do so.

I offer this legislation to correct an oversight in the current law that disallows this practice and creates problems for construction companies that must pay to have two separate trucks haul the signals even though they are almost always used in pairs.

Please join me in supporting this legislation. If you would like to join me as a co-sponsor of this legislation, please contact Pat Geiger 717-260-6407 or pgeiger@pahousegop.com.
