SUBJECT: House Resolution Honoring the Life of Chief Jeffery Cole

In the very near future, I will be introducing legislation honoring the life of Mr. Jeffery Cole, a lifelong teacher, firefighter and fire first responder in the state of Pennsylvania.

Jeffery A. Cole was a shining example of public service and sacrifice for the benefit of the common good. Devoted to his community, Jeff Cole was a life member of the Independent Fire Company No. 1 in South Williamsport, PA, served as a Platoon Chief for the Williamsport Bureau of Fire, and was an associate member of William Cameron Engine Co. in Lewisburg, PA. Chief Cole was dedicated to fire education and safety, having served as a both a member of the Keystone Fire Instructors Association and an adjunct instructor for the Pennsylvania State Fire Academy at Bucks County Community College, Harrisburg Area Community College, Reading Area Community College, and Luzerne County Community College.

Sadly, on October 7, 2011, Jeffery A. Cole passed away at home from job-related cancer.

Please join me in honoring a faithful public servant who went above and beyond the call of duty to educate and save lives. If you would like to join me in sponsoring this legislation, please contact Kendalle Wilt in my office at (717) 772-1314 or by email KWilt@pahouse.net
