I intend to introduce a resolution recognizing February 3, 2012 as "Wear Red for Women Day" in Pennsylvania.

Heart disease remains the leading cause of death for women. By raising our awareness and educating women and their families to the dangers of heart disease and stroke, we are taking important steps that will allow all women to minimize their risks and provide them the opportunity to take preventative measures to avoid falling victim to heart disease and stroke.

In an effort to raise awareness and inspire women to take charge of their heart health, please join me in sponsoring this resolution by contacting Sherry Hess in my office at 787-1141 or [shess@pasenate.com](mailto:shess@pasenate.com) and wear red on February 3, 2012 in support of this worthy cause.
