Subject: Co-Sponsorship- Agricultural Conservation Easements

Date: February 7, 2012

In the near future, I will be introducing legislation to amend the Agricultural Area Security Law. The current agricultural easement program does not prevent the granting of rights-of-way (after preservation) for the installation of, transportation of, or use of water, sewage, electric, telephone, coal or non-coal minerals by underground mining methods, gas, oil or oil products lines.

Simply stated, my proposal will add the ability for a preserved farmland owner to grant a right-of-way to install a wind power generation system.

If you would like to co-sponsor this legislation, please contact Christine Crone in my Harrisburg office at; ccrone@pahousegop.com or by calling; 717-783-9087. Thank you.
