RE: Voluntary Contribution System to Support PA Gettysburg Monument Project

In the near future, I will be introducing legislation that will provide a space on the Pennsylvania individual income tax return form whereby an individual may voluntarily designate a contribution for the Pennsylvania State Memorial and all the unit monuments and markers dedicated to Pennsylvania regiments that served at Gettysburg and the preservation of the battlefield positions those units defended in 1863. The desired donation refund amount is designated by the individual.

I realize that the current session is coming to an end, but I am positioning the idea for future consideration in the upcoming session.
