RE: Designating March 2012 as "Athletic Trainer Awareness Month" in Pennsylvania

In the near future, I will be introducing a resolution declaring March 2012 as "Athletic Trainer Awareness Month" in the Commonwealth of Pennsylvania.

Certified Athletic Trainers are medical professionals who specialize in the prevention, assessment, treatment and rehabilitation of injuries and illness that occur to athletes and the physically active. As part of a complete health care team, the certified athletic trainer works under the direction of a licensed physician and in cooperation with other health care professionals.

If you wish to cosponsor this legislation, please contact Margaret Tricarico at [mtricari@pahouse.net](mailto:mtricari@pahouse.net) or 717-772-5568 (Democratic Caucus Ext. 6168).

Thank you.
