SUBJECT: Co-Sponsorship – Autism Awareness Month

We will introduce a resolution designating April 2012 as “Autism Awareness Month”. Autism is a severely incapacitating, lifelong developmental disability resulting in significant impairment of an individual’s ability to learn, develop healthy interactive behaviors and understand verbal/nonverbal and reciprocal communication. Autism is the fastest growing developmental disability, affecting more than one million individuals and approximately 25,000 individuals in Pennsylvania.

If you would like to co-sponsor this resolution, please call Senator Stack’s office at 787-9608 or email Alison Shank at ashank@pasenate.com.
