**MEMORANDUM**

**TO:** All House Members

**FROM:** Representative Todd A. Rock  
90<sup>th</sup> Legislative District

**DATE:** February 28, 2012

**SUBJECT:** **Proposed Legislation - Amending the Evaluation Process for Homeschoolers' Academic Completion.**

In the near future, I will be introducing legislation to amend the act of March 10, 1949 entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," further providing for home education program.

In more simple terms, this legislation would eliminate the need for yearly formal approval of academic completion by a public school superintendent within a homeschooler's district. Instead, a homeschool program evaluator would approve the homeschooler's yearly academic completion and present a report of this information to the superintendent.

If you would like to join me in sponsoring this legislation, please contact Heather Rodgers by phone at 783-5218 or via e-mail at [hrodgers@pahousegop.com](mailto:hrodgers@pahousegop.com). Thank you for your consideration.
