**SUBJECT: Co-sponsorship
Addressing careless and negligent hunting shooting accidents.**

DATE: March 5, 2011

In the near future, I will be introducing legislation that will impact those hunters who act carelessly and/or negligently and injure another human while hunting. It includes the following provisions:

- Increase the revocation period for those who commit a hunting related shooting accident.
- Increase the penalties for those who try to hunt after their license has been revoked.
- Create a lifetime ban for those who commit a hunting related shooting incident while they are not lawfully allowed to be in possession of a firearm.

If you are interested in co-sponsoring this legislation, please contact Patrick at pcusick@pasenate.com or by phone at 787-6700.

Thank you.
