SUBJECT: Co-sponsorship Memo – Licensed Professional Land Surveyors – Legal Right of Entry

DATE: March 9, 2012

In the near future, I will be introducing legislation that will provide licensed professional land surveyors with a legal right of entry.

Presently, no such protection exists in Pennsylvania. Professional land surveyors are charged with conducting surveys to re-establish property boundaries based on rules of evidence. That process normally requires the surveyor to incidentally step onto neighboring properties to recover and locate boundary evidence.

My legislation will require that notice be provided to adjacent land owners while also giving legal protection to the land surveyor conducting the survey.

If you are interested in co-sponsoring this legislation, please contact Melissa Knepper at mknepper@pasen.gov or by phone at 717-772-2929.
