SUBJECT: Public School and State Pension Systems Study

FROM: Representative Julie Harhart 

I will be introducing a resolution to study the impact of public school and state pension systems in the Commonwealth of Pennsylvania. This resolution directs the Joint State Government Commission to conduct a fiscal impact study at no cost to the Commonwealth. The study would measure such factors as payments to each county, purchasing power, money circulation and fiscal impact.

If you are interesting in joining me as a sponsor of this resolution, please contact Michele Warren at 772-5398 or mwarren@pahousegop.com.
