Re: Proposed Resolution

In the near future I will introduce the following resolutions:

Designating the month of April 2012 as “Anti-Bullying Month” in Pennsylvania

It is estimated that thousands of children miss school every day due to fear of attack or intimidation by other students. Bullying is a destructive, antisocial behavior that is contrary to the principles of democracy and decency on which our nation and this Commonwealth were founded.

**Designating the week of April 9th - 13th as “PANO Advocacy Week” in Pennsylvania
(Former HR 170)**

PANO urges nonprofit organizations to grow and to continue their advocacy effort and it is necessary for Pennsylvania's nonprofits to educate their legislators regarding the benefits of nonprofit organizations and the need for responsible public policy.
