

Senate of Pennsylvania

MAR 27 2012

TO: All Senators
FROM: Senator Dave Argall 
Senator John Yudichak 
DATE: March 27, 2012
SUBJECT: Made In Pennsylvania Initiative

In the near future we will be introducing legislation to help in the effort to keep Pennsylvania jobs and Pennsylvania tax dollars in the state.

Our "Made in Pennsylvania Initiative" would require fire companies (paid and volunteer) that receive a loan, grant or award through the State of Pennsylvania for the purchase of a fire service vehicle to purchase the vehicle from within the Commonwealth.

This legislation will further stimulate Pennsylvania's economy, provide much needed jobs and keep our tax dollars at work in Pennsylvania.

If you would like to co-sponsor this legislation, please contact Susan Bentzel at 7-2637 or at sbentzel@pasen.gov.
