MEMORANDUM

TO: Members of the House of Representatives

FROM: Representative Scott Conklin

DATE: March 30, 2012

SUBJECT: Co-sponsorship of Legislation: Directing LBFC to study lowering CNIT to 4.99%

As we focus on putting Pennsylvania back to work and providing our communities with essential services, we must remain vigilant in determining the appropriate balance of revenue generation while fostering an attractive business environment. Along the way, we should engage in informed debate and not fall into stagnant partisan intransigence.

Accordingly, I intend to introduce a resolution directing the Legislative Budget and Finance Committee to conduct a comprehensive study of the feasibility of lowering the corporate net income tax to 4.99% and the resultant impact on the economy. A report of its findings is to be delivered to the Commerce Committee, the Finance Committee, and the Appropriations Committee no later than six months after the adoption of this resolution.

Should you wish to co-sponsor this legislation, please contact Jim Moser at jmoser@pahouse.net or 717.787.9473 (caucus extension 6580).
