RE: Proposed Legislation
Amending Title 18 – Firearm registries/database

I respectfully request your support of legislation that I intend to introduce that would amend Title 18 (Crimes and Offenses).

This legislation would prohibit registries and databases of firearm ownership. Exceptions would include, among others:

- Records of firearms used in crimes
- Record of stolen firearms
- Firearms sale records retained by firearm dealers, and
- Certain Pennsylvania State Police records concerning instant background check inquiries.

Persons who violate the prohibition would be guilty of a felony of the third degree. A government entity which compiled a registry in violation of this prohibition could be assessed a fine of up to \$5,000,000.

If you would like to be added as a cosponsor, please contact Jessica Smith at 717-783-1707 or via email at jasmith@pahousegop.com
