Subject: Resolution – Earth Day, 2012

In the very near future I intend to introduce a resolution in recognition of Earth Day, 2012. This year is the 42nd Anniversary of Earth Day. The day serves as an opportunity to encourage the building of a healthy, prosperous clean energy economy by calling for the advancement of climate policy, energy efficiency, renewable energy and green jobs.

Please contact Anne Foreman at aforeman@pahouse.net to add your name as a co-sponsor of the resolution.
