

MEMORANDUM

TO: All House Members and Legislative Assistants

FROM: Representative Jaret Gibbons

DATE: August 2, 2012

SUBJECT: **Legislation Creating the “Canine Health Special Registration Plate”**

In the near future, I intend to introduce legislation that would create the *Canine Health Special Registration Plate*.

My legislation will amend Title 75 (Vehicles), Chapter 13 (Registration of Vehicles), Subchapter B (Registration Plates), by adding a new Section 1370, creating the specialty plate and designating a portion of the fee to help fund the Dog Law Restricted Account in the Pennsylvania Treasury. Vehicle owners would be able to purchase the specialty plate with a unique design signifying their support for the overall good health and proper treatment of canines in this Commonwealth. The Canine Health Special Registration Plate would be akin to a number of other specialty plates motorists buy to support other worthy causes. I hope you'll join me in support of this legislation.
