

August 15, 2012

TO: MEMBERS, PA HOUSE OF REPRESENTATIVES

FROM: Rep. Mark Mustio, 44th Legislative District

**SUBJECT: Route 376, Moon Township, Allegheny County
Ewing Road Interchange Renaming
Jack W. Wise Interchange**

On September 7th, I will be introducing legislation that would rename the Route 376 Ewing Road Interchange (Moon Township, Allegheny County) the Jack W. Wise Interchange.

Jack Wise has been involved in numerous community and regional economic development organizations for decades. He was a co-founder of the Moon Transportation Authority and the Thorn Run Interchange project.

Mr. Wise served as Chairman of the Moon Township Board of Supervisors, the Redevelopment Authority of Allegheny County, the treasurer of the Allegheny County Finance and Development Commission and still had time to lead several other community organizations.

If you wish to join me in co-sponsoring this legislation to honor the contributions Mr. Wise has made to the Region, please e-mail my secretary, Joy McKee, at jmckee@pahousegop.com. Thank you.
