

# AMERICA'S STANDARD BEARER

---

*Founded in 1847, Annin is the oldest and largest flag maker in the United States and is still owned and operated by descendants of the Annin family.*

*Our flags are made to the highest quality standards by the most experienced flag makers in the industry. Combining a bright, vivid appearance with durable construction, Annin flags are made to resist weathering and retain their structural integrity.*

*For more information and to see our full product line visit us at [www.annin.com](http://www.annin.com).*
