

A RESOLUTION

1 Encouraging the Congress of the United States to reform the
2 Immigration and Nationality Act by eliminating the English
3 test and allowing the administration of the civics test in
4 the native language of the applicant.

5 WHEREAS, The McCarran-Walter Act (P.L.82-414), otherwise

10 proficiency, but on the principles of fairness, equality and
11 opportunity; and

12 WHEREAS, In the 19th century, millions of individuals who
13 immigrated to the United States were naturalized without English
14 language proficiency; and

15 WHEREAS, Children and grandchildren of immigrants
16 overwhelmingly comprehend the English language, more so than
17 their parents' or grandparents' native language; and

18 WHEREAS, An English language requirement to naturalization,
19 based on unfounded fears and uncertainties, stands in direct
20 opposition to the tenets of the First Amendment of the
21 Constitution of the United States; and

22 WHEREAS, Many eligible individuals do not achieve United
23 States citizenship due to the English proficiency requirement to
24 naturalization; therefore be it

25 RESOLVED, That the House of Representatives of the
