- 9 Patients in health care facilities have the following rights:
- 10 (1) To be informed of all evidence-based options for 11 care and treatment, including palliative care, in order to 12 make a fully informed decision.
 - (2) When diagnosed with a terminal illness, to be informed by a health care practitioner of all available options related to terminal care; to be able to request any, all or none of these options; and to expect and receive supportive care for the specific option or options available.
 - (3) To request or reject the use of any or all treatments in order to relieve pain.
 - (4) To receive competent and compassionate medical assistance in managing physical and emotional symptoms.
 - (5) While suffering from a serious or life-limiting illness or condition, to receive palliative care while seeking and undergoing potentially curative treatment.
 - (6) To receive a reasonable answer to any specific question about a diagnosis, prognosis or foreseeable risks and benefits of a treatment option. A health care practitioner shall not withhold any requested information except to the extent that a reasonable health care practitioner would withhold the information because the

- 1 manner and extent of such disclosure could reasonably be
- 2 expected to adversely and substantially affect the patient's
- 3 condition, in which case the health care practitioner shall
- 4 provide the information to a member of the patient's
- 5 immediate family.
- 6 (7) To know by name the health care practitioner
- 7 primarily responsible for coordinating care.
- 8 Section 302. Notification of rights.
- 9 The department shall notify all health care facilities and
- 10 health care providers in writing of the enactment of this
- 11 chapter. The notification shall contain the actual language of
- 12 the patients' bill of rights and any relevant guidance.
- 13 CHAPTER 5
- 14 EDUCATION AND TREATMENT
- 15 Section 501. Establishment of task force.
- 16 The Pain Management and Palliative Care Task Force is
- 17 established in the department.
- 18 Section 502. Composition of task force.
- 19 The Secretary of Health or a designee shall serve as
- 20 chairperson of the task force. The members of the task force,
- 21 which the Secretary of Health shall be responsible for
- 22 appointing, shall be as follows:
- 23 (1) At least two of the members must be health care
- 24 practitioners specializing in pain management.
- 25 (2) At least two of the members must be health care
- 26 practitioners specializing in the care of the terminally ill.
- 27 (3) At least one of the members must be a health care
- 28 practitioner specializing in pediatric palliative care.
- 29 (4) At least two of the members must be faculty members
- of a State-sponsored medical school.

- 1 Section 503. Meetings of task force.
- 2 The task force shall convene within 90 days after the
- 3 appointments are made and published and shall meet at the
- 4 discretion of the chairperson.

1

- 5 Section 504. Compensation and expenses of task force members.
- 6 The members of the task force shall receive no compensation
- 7 for their services but shall be allowed their actual and
- 8 necessary expenses incurred in performance of their duties. Such
- 9 reimbursement shall be provided through the department.
- 10 Section 505. Duties of task force.
- 11 The task force shall have the following duties:
- 12 (1) To develop, using existing resources, a plan to
- raise public awareness of the importance of pain management
- and palliative care and the patients' bill of rights.
- 15 (2) To facilitate coordination of and communication
- 16 among State and local agencies and organizations to promote
- 17 palliative and pain management initiatives in this
- 18 Commonwealth.
- 19 (3) To research and develop a plan to ensure the
- 20 availability of concurrent care for pediatric patients facing
- 21 life-threatening illnesses.
- 22 (4) To research and develop a plan to ensure the
- availability of palliative care in all hospitals in this
- 24 Commonwealth.
- 25 (5) To research and develop a plan which would ensure
- that all State-supported medical schools have affiliations
- 27 with hospital palliative care programs.
- 28 Section 506. Report of task force.
- On or before November 30, 2014, the task force shall present
- 30 a report to the chairperson of the Public Health and Welfare

- 1 Committee of the Senate and the chairperson of the Health
- 2 Committee of the House of Representatives. The report shall
- 3 present findings on and recommendations for the subjects
- 4 assigned to the task force under section 505.
- 5 CHAPTER 7
- 6 MISCELLANEOUS PROVISIONS
- 7 Section 701. Effect on legal actions.
- 8 Nothing in Chapter 3 or 5 creates a cause of action or
- 9 defense in favor of any person arising out of the failure to
- 10 comply with either of these chapters.
- 11 Section 702. Effective date.
- 12 This act shall take effect in 60 days.
