RE: **Resolution Recognizing May 2015 as Academic Achievement Month**

---

In the near future, I plan to introduce a resolution recognizing May 2015 as Academic Achievement month and honoring those students who have exemplified academic success in their course of study.

It is appropriate to pay tribute to those students who, through their natural talents and unflagging commitment to academic excellence, have distinguished themselves in the classroom and have set the highest example of excellence for all of Pennsylvania's students.

Please join me in recognizing those students who have performed to the highest academic standards by co-sponsoring this resolution.
