

A RESOLUTION

1 Urging the Congress of the United States to designate Spanish as
2 the official language of the United States and to mandate its
3 use in all official acts of the Federal Government.

4 WHEREAS, Since the adoption of the Declaration of
5 Independence on July 4, 1776, and the founding of the United
6 States of America, regrettably our great nation has been devoid
7 of an official and unifying language; and

8 WHEREAS, More than 90% of the world's nations, excluding the
9 United States of America, have formally adopted an official
10 language; and

11 WHEREAS, In 1565, it was Spanish explorers that established
12 the first permanent settlement, called Saint Augustine, in what
13 is today known as the state of Florida; and

14 WHEREAS, It was these early Spaniard explorations and
15 settlements upon the North American continent, including the
16 Spanish language of these early settlers, that laid the
17 landscape for the formation of what we know today as the United
18 States of America; and

1 WHEREAS, To further underscore the impact of the Spanish
2 language in the United States, there are well over 2,000 cities
3 and towns, dozens of mountains and rivers and several states
4 that possess names derived from the Spanish language; and

5 WHEREAS, More importantly, there are countless intrepid souls
6 of Hispanic descent such as General Benardo de Gálvez and the
7 first Admiral of the United States Navy, Admiral David Glasgow
8 Farragut, who played an instrumental role in the critical
9 military affairs which ultimately led to our nation's much
10 celebrated independence; and

11 WHEREAS, The United States of America has been further
12 enriched by the waves of immigrants that it has both received
13 and welcomed upon its shores, particularly by those of Hispanic
14 descent; and

15 WHEREAS, Innumerable individuals of Hispanic descent have
16 made many great and noteworthy contributions to the United
17 States in all fields of interest, including the fields of
18 medicine, military, politics, aeronautics, academia, labor and
19 industry, business, sports, the arts and entertainment; and

20 WHEREAS, In September 1968, Congress authorized President
21 Lyndon B. Johnson to proclaim the week, including September 15
22 and 16, as "National Hispanic Heritage Week" in recognition of
23 the many important contributions made by citizens of Hispanic
24 descent, as well as Latin-American independence; and

25 WHEREAS, On August 17, 1988, under President Ronald Reagan,
26 the observance of "Hispanic Heritage Week" was expanded to a
27 month-long celebration, "National Hispanic Heritage Month,"
28 observed annually from September 15 through October 15; and

29 WHEREAS, Historically the United States' Hispanic population
30 has served as a foundation to the nation's economy and continues

1 to play an integral role in the cultural diversity of our
2 nation; and

3 WHEREAS, According to the United States Census Bureau, it is
4 estimated that the Latino population comprises 50.5 million of
5 the total population of the United States; and

6 WHEREAS, The United States Census Bureau also projects that
7 the nation's Hispanic population will reach 132.8 million by
8 July 1, 2050, which will constitute 30% of the overall
9 population of the United States; and

10 WHEREAS, According to the Central Intelligence Agency, there
11 are more than 336 million people globally who speak Spanish as
12 their first language; and

13 WHEREAS, The prevalence of the Spanish language and the
14 percentage of first language Spanish-speaking persons is only
15 second in the world to that of the Mandarin language and first
16 language Mandarin-speaking persons; and

17 WHEREAS, In an ever-expanding global economy, the United
18 States' ability to communicate with the citizens and governments
19 of Spanish-speaking countries is critical to preserving our
20 status as a world leader and maintaining our perch upon the
21 pinnacle of the global stage; and

22 WHEREAS, The United States must be forward thinking and
23 preemptive in addressing and embracing both an impending
24 domestic and global demographic transformation; and

25 WHEREAS, Proclaiming Spanish as the official language of the
26 United States serves the overall interests of the United States
27 Government and its citizens by bridging unnecessary cultural and
28 language gaps; therefore be it

29 RESOLVED, That the House of Representatives urge the Congress
30 of the United States to designate Spanish as the official

1 language of the United States, and to mandate its use in all
2 official acts of the Federal Government; and be it further
3 RESOLVED, That copies of this resolution be transmitted to
4 the presiding officers of each house of Congress and to each
5 member of Congress from Pennsylvania.
