5 (22) Services performed for a private for-profit person or
6 entity by an individual as a landman if all remuneration, paid
7 in cash or otherwise, for the performance of the services is
8 directly related to the completion by the individual of the
9 specific tasks contracted for rather than to the number of hours
10 worked by the individual, and the services are performed under a
11 written contract between the individual and the person for whom
12 the services are performed which provides that the individual is
13 an independent contractor and not an employe with respect to the
14 services provided under the contract. For purposes of this
15 subsection, the term "landman" means a land professional who has
16 been engaged primarily in:

19 (B) negotiating business agreements that provide for the
20 exploration for or development of minerals;

25 minerals;
