13       Section 3. Sections 5982 and 5984.1 of Title 42 are amended  
14      to read:

15      § 5982. Definitions.

16       The following words and phrases when used in this subchapter  
17      shall have the meanings given to them in this section unless the  
18      context clearly indicates otherwise:

19       "Child" or "children." An individual or individuals under  
20      [16] 18 years of age.

21       "Contemporaneous alternative method." Any method of  
22      capturing the visual images, oral communications and other  
23      information presented during a prosecution or adjudication  
24      involving a child victim or a child material witness and  
25      transmitting and receiving such images, communications and other  
26      information at or about the time of their creation, including,  
27      but not limited to, closed-circuit television, streaming image  
28      sent via the Internet or an intranet and any other devices or  
29      systems used to accomplish such ends.

30       "Minor." An individual who, at the time of the commission of

1 the offense involving sexual or physical abuse, is under 18  
2 years of age.

3 "Qualified shorthand reporter." An individual engaged in the  
4 active practice of general shorthand reporting who is skilled in  
5 the art of verbatim reporting by the use of a written shorthand  
6 system, whether manual or machine; or any individual who is an  
7 official court or legislative reporter; or any individual who is  
8 the holder of a certified shorthand reporter certificate  
9 mandated by State or Federal law.

10 § 5984.1. Recorded testimony.

11 (a) Recording.--Subject to subsection (b), in any  
12 prosecution or adjudication involving a child victim or child  
13 material witness, including a child victim of sexual or labor  
14 servitude, the court may order that the child victim's or child  
15 material witness's testimony be recorded for presentation in  
16 court by any method that accurately captures and preserves the  
17 visual images, oral communications and other information  
18 presented during such testimony. The testimony shall be taken  
19 under oath or affirmation before the court in chambers or in a  
20 special facility designed for taking the recorded testimony of  
21 children. Only the attorneys for the defendant and for the  
22 Commonwealth, persons necessary to operate the equipment, a  
23 qualified shorthand reporter and any person whose presence would  
24 contribute to the welfare and well-being of the child victim or  
25 child material witness, including persons designated under  
26 section 5983 (relating to rights and services), may be present  
27 in the room with the child during testimony. The court shall  
28 permit the defendant to observe and hear the testimony of the  
29 child victim or child material witness but shall ensure that the  
30 child victim or child material witness cannot hear or see the

1 defendant. Examination and cross-examination of the child victim  
2 or child material witness shall proceed in the same manner as  
3 normally permitted. The court shall make certain that the  
4 defendant and defense counsel have adequate opportunity to  
5 communicate for the purpose of providing an effective defense.

6 (b) Determination.--Before the court orders the child victim  
7 or the child material witness, including a child victim of  
8 sexual or labor servitude, to testify by recorded testimony, the  
9 court must determine, based on evidence presented to it, that  
10 testifying either in an open forum in the presence and full view  
11 of the finder of fact or in the defendant's presence will result  
12 in the child victim or child material witness suffering serious  
13 emotional distress that would substantially impair the child  
14 victim's or child material witness's ability to reasonably  
15 communicate. In making this determination, the court may do any  
16 of the following:

17 (1) Observe and question the child victim or child  
18 material witness, either inside or outside the courtroom.

19 (2) Hear testimony of a parent or custodian or any other  
20 person, such as a person who has dealt with the child victim  
21 or child material witness in a medical or therapeutic  
22 setting.

23 (c) Counsel and confrontation.--

24 (1) If the court observes or questions the child victim  
25 or child material witness, including a child victim of sexual  
26 or labor servitude, under subsection (b) (1), the attorney for  
27 the defendant and the attorney for the Commonwealth have the  
28 right to be present, but the court shall not permit the  
29 defendant to be present.

30 (2) If the court hears testimony under subsection (b)

1       (2), the defendant, the attorney for the defendant and the  
2       attorney for the Commonwealth have the right to be present.  
3       Section 4. This act shall take effect in 60 days.
