

### Department of Corrections

- Is the clinical treatment for addiction provided to inmates up to at least the same standards as what is expected in the community?

### Department of Drug and Alcohol Programs

- What process has been developed to allow for a two year license for consistently excellent addiction treatment facilities as permitted under the disaster declaration?
- The responsibility for gathering all the other agency reports and compiling them will fall to DDAP.
- What progress has been made in increasing the availability of residential addiction treatment to mothers and pregnant women who have a Substance Use Disorder as required by Act 65 of 1993?

### Department of Education

- How are we ensuring parental engagement in prevention?
- How are we ensuring that all schools institute age-appropriate K-12 curriculum, which is required by law?
- How are we ensuring that all schools follow the law and institute Student Assistance Programs?

### Department of Health

- How many people have been identified to be in need of addiction treatment and referred to treatment under ABC-MAP?
- How many people have been referred to licensed addiction treatment through ABC-MAP and what type of licensed addiction treatment do they receive?
- What does the data show since the disaster declaration allowed us to count the numbers of babies born under the influence of a controlled substance?

### Department of Human Services

- What information is available on level of care and length of stay for addiction treatment at licensed facilities for Medical Assistance enrollees?

### Insurance Department

- What methods are we using to assure that people are informed of their insurance coverage for addiction treatment?
- How does the department report on level of care, length of stay and number of people treated for addiction, broken out by plan and to help people choose the best plan for themselves.
- What system is used to locate and compile public complaints from insureds and treatment professionals about insurance denying care for their insureds?
- What are the results of enforcement activities of the Federal Mental Health Parity and Addiction Equity Act of 2008 for each health plan?
- How frequently is the department reviewing plans to ensure compliance with the Federal law?

Board of Probation and Parole

- How is the department ensuring that people released from prisons and jails are immediately engaged in addiction treatment when appropriate?
- What systems are in place to assure that the addiction treatment protocol is being followed?
- How is the collaboration with DDAP serving to strengthen treatment as a condition of release?

Pennsylvania State Police

- How many drug take-back boxes are located at the PSP barracks?
- What is the status of PSP's goal of having drug take-back boxes in every barrack?
- What is the latest data on lives saved by PSP administration of Narcan?
- Is Narcan available in every PSP cruiser, not just stored at the barracks?

Department of Transportation

- How many DUI offenders who have a court order to attend addiction treatment are actively engaged in licensed addiction treatment facilities as required by Title 75?
