

## AN ACT

2 The General Assembly of the Commonwealth of Pennsylvania  
3 hereby enacts as follows:

4 Section 1. Short title.

5 This act shall be known and may be cited as the First  
6 Responders Day Act.

7 Section 2. Legislative findings and declarations.

8 The General Assembly finds and declares as follows:

9 (1) Our first responders, who are police, fire,  
10 emergency medical service and public health personnel, work  
11 selflessly on behalf of the people of this Commonwealth,  
12 regardless of the risk or hazard, and truly are citizens  
13 serving the community.

14 (2) Most Pennsylvanians have benefited in some way from  
15 the courageous service of first responders across this  
16 Commonwealth.

17 (3) First responders carry out the critical role of

1 protecting and ensuring public safety in emergency  
2 situations.

3 (4) The men and women who bravely serve as first  
4 responders have found themselves on the front lines of  
5 homeland defense in the war against terrorism.

6 (5) First responders are called upon in the event of  
7 natural disasters, such as Hurricane Sandy.

8 (6) Approximately 150,000 first responders perform these  
9 crucial services in this Commonwealth.

10 (7) Approximately 30,000 sworn police officers from  
11 State, city and county law enforcement agencies protect lives  
12 and property, detect and prevent crimes, uphold the law and  
13 ensure justice.

14 (8) Tens of thousands of firefighters, including  
15 approximately 50,000 volunteers and 10,000 career  
16 firefighters, provide fire suppression, emergency medical  
17 services, search and rescue, hazardous materials response,  
18 terrorism response and critical fire prevention and safety  
19 education.

20 (9) Approximately 60,000 emergency services  
21 professionals in this Commonwealth respond to and treat a  
22 variety of life-threatening emergencies, from cardiac and  
23 respiratory arrest to traumatic injuries.

24 (10) First responders make personal sacrifices to  
25 protect our communities, as witnessed in the aftermath of the  
26 terrorist attacks of September 11, 2001, and of the natural  
27 destruction caused by Hurricanes Katrina, Irene and Sandy.  
28 They are called every day to protect individuals and property  
29 in cities and towns across this Commonwealth.

30 (11) Many law enforcement officers die in the line of

1 duty in the United States each year, including five killed in  
2 2015 in Pennsylvania alone.

3 (12) Many firefighters are killed in the line of duty  
4 across the United States each year and thousands more are  
5 injured.

6 (13) Many medics are injured on the job, have been  
7 assaulted by patients or have been exposed to infectious  
8 diseases.

9 (14) Emergency medical service personnel in the United  
10 States have a fatality rate of more than twice the national  
11 average for all other workers.

12 (15) Thousands of first responders have made the  
13 ultimate sacrifice.

14 (16) These men and women, by their dedicated  
15 professionalism, have earned our gratitude and respect.
