COMMUNICATION FROM GOVERNOR APPROVAL AND LINE VETO OF HB 2246

The Secretary to the Governor presented the following communications from the Governor:

Commonwealth of Pennsylvania
Governor's Office, Harrisburg

May 31, 1978.

To the Honorable, the House of Representatives of the Commonwealth of Pennsylvania:

I have the honor to inform you that I have this day approved and signed House Bill No. 2246, Printer's No. 3156, entitled "An Act to provide for the expenses of the Executive, Legislative and Judicial Departments of the Commonwealth, the public debt and for the public schools for the fiscal period July 1, 1978 to June 30, 1979, and for the payment of bills incurred and remaining unpaid at the close of the fiscal period ending June 30, 1979," except for the items listed below, which I am disapproving in whole or part as indicated in order to achieve a balanced and fiscally sound budget. To do otherwise and to approve the bill as it passed the General Assembly would confront the next governor with a deficit in excess of one hundred million dollars on January 16, 1979. In addition to the amounts not approved, the Attorney General's Office informs me that certain substantive language is unconstitutionally included herein. For a listing of this language and the reasons thereof, see his opinion to me of this date.

The **SPEAKER**. In the affirmative. The lady's remarks will be spread upon the record.

Mrs. TAYLOR. Thank you.

The **SPEAKER**. The Chair recognizes the gentleman from Chester, Mr. Vroon.

Mr. VROON. Mr. Speaker, I inadvertently voted "no" on HB 2200. I wish to be recorded in the affirmative.

The **SPEAKER**. The gentleman's remarks will be spread upon the record.

The Chair recognizes the gentleman from Chester, Mr. Smith. For what purpose does the gentleman rise?

Mr. E. H. SMITH. Mr. Speaker, I inadvertently voted "nay"

on HB 2200. I would like to be recorded in the positive manner. Thank you.

The SPEAKER. The remarks of the gentleman will be spread upon the record.

SB 68 CALLED UP

The SPEAKER. The Chair is advised that on page 16, SB 68 was supposed to be tabled. So the Chair rescinds its statement that the bill is not called up.

The House proceeded to third consideration of HB 68, PN 1563, entitled:

An Act regulating the awarding and execution of certain public contracts; providing the contract provisions relating to the retention interest and payment of funds payable under the contracts; and repealing inconsistent acts.

On the question, Will the House agree to the bill on third consideration?

QUESTION OF INFORMATION

The SPEAKER. The Chair recognizes the gentleman from Allegheny, Mr. Goebel. For what purpose does the gentleman rise?

Mr. GOEBEL. I rise to a question of information.

The SPEAKER. The gentleman will state it.

Mr. GOEBEL. Mr. Speaker, I have a question on that last bill, HB 2200, changing that sunset date. I just wonder, what is the procedure going to be? When we do establish a sunset date, do we not get a report or anything saying what kind of job that department has been doing? Is it worthwhile having? How much does it cost us? Or is this going to be the method we are going to use — just extend the dates on the sunset legislation—

The SPEAKER. Will the gentleman yield?

Mr. GOEBEL. Certainly.

The SPEAKER. Is the gentleman discussing HB 2200?

Mr. GOEBEL. Yes.

The SPEAKER. That bill has already been passed by the House and is not before it.

Mr. GOEBEL. Pardon me, Mr. Speaker. I am not discussing the bill; I am discussing our procedure on approving any further legislation which extends sunset legislation.

The SPEAKER. The Chair regrets to interrupt the gentleman again, but the Chair reminds the gentleman that only those matters currently before the House are subject to discussion on the House floor.

Mr. GOEBEL. When would this matter be currently before the House then?

The SPEAKER. If the gentleman wishes to make a statement on any matter which is not currently before the House, he must do it under unanimous consent. The Chair would suggest that if the gentleman will alert the Chair when he wishes to make the statement, the Chair will recognize him.

Mr. GOEBEL. You are in the middle of a bill right now. You have announced that.

The SPEAKER. That is correct.

Mr. GOEBEL. Thank you, Mr. Speaker.

Mr. SPEAKER. The Chair will recognize the gentleman when

the gentleman indicates he wishes to ask for unanimous consent.

CONSIDERATION OF SB 68 RESUMED

SB 68 TABLED

The SPEAKER. The Chair recognizes the gentleman from Allegheny, Mr. Geisler.

Mr. GEISLER. I move that SB 68 be placed upon the table because of the passage of time.

On the question, Will the House agree to the motion?

The following roll call was recorded:

YEAS—184

NAYS—6

Table listing names of members who voted 'NAYS' (6 total). Includes Mackowski, Sweet, Tenaglio, and Pott.

NOT VOTING—10

Table listing names of members who did not vote (10 total). Includes Bellomini, Levin, Richardson, and Wagner.

Katz Rappaport Thomas Wiggins
 Kelly Rhodes

The question was determined in the affirmative, and the motion was agreed to.

ADDRESS TO HOUSE

Mr. GOEBEL, under unanimous consent, addressed the House.

Mr. GOEBEL. Mr. Speaker, maybe it is more of a question than a statement. Maybe somebody would have an answer; I do not know. But it seems to me that whenever a date is established on a bill for sunset legislation, that bill would then be phased out. I think there should be more discussion than just to vote "yea" or "nay." I think we should get a report on the committee, the department, or the bureau and what it has been doing, how much it costs us, and whether it is worthwhile to keep it. I do not know any more about this bill right now than I did this morning when I walked in.

I think there should be some procedure and I am asking if anyone knows of any procedure that is going to be established to give a report on extending the life of a department.

Can anyone comment at all on this?

The SPEAKER. The Chair recognizes the gentleman from Beaver, Mr. Laughlin.

Mr. LAUGHLIN. Mr. Speaker, I do not know if the gentleman received the same report that I did, but we received earlier, approximately 3 or 4 weeks ago, a report from the office that the gentleman is addressing, fully outlining the activities of the department and explaining in detail exactly what had been carried on. So I am sorry the gentleman did not receive the benefit of that as the rest of the members did, but if he would like a copy, I would be glad to give it to him.

The House proceeded to third consideration of **HB 122, PN 2497**, entitled:

An Act amending the "Second Class County Code" approved July 28, 1953 (P. L. 723, No. 230) further providing for county public defenders to organize a State association and for the payment of expenses thereof.

On the question,
 Will the House agree to the bill on third consideration?
 Bill was agreed to.

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

The question is, shall the bill pass finally?

Agreeable to the provision of the Constitution, the yeas and nays will now be taken.

HB 2045 PASSED OVER

The **SPEAKER**. The Chair recognizes the gentleman from Allegheny, Mr. Logue, who offers amendments.

The Chair recognizes the gentleman from Blair, Mr. Hayes. For what purpose does the gentleman rise?

Mr. S. E. HAYES. Mr. Speaker, we have not had the opportunity to caucus on this bill yet, sir.

The **SPEAKER**. No? I am sorry.

Very well. The Chair rescinds its statement that the question is, will the House agree to the bill? The Chair apologizes to the gentleman, Mr. Logue. The Chair did not check with the Republican Party leaders to see if they had caucused. The bill will be passed over.

Mr. S. E. HAYES. Mr. Speaker, I would also like to add that the gentleman, Mr. Hutchinson, has an amendment to this bill.

The **SPEAKER**. Mr. William Hutchinson's name will be added as offering an amendment.

The Chair recognizes the gentleman from Allegheny, Mr. Logue.

Mr. LOGUE. Mr. Speaker, can you tell me, do the Republicans have a copy of the amendment?

The **SPEAKER**. The Chair did not hear the gentleman clearly.

Mr. S. E. HAYES. Yes, Mr. Speaker, we do.

The **SPEAKER**. Are you asking for a copy of the Hutchinson amendment?

Mr. LOGUE. No. I was wondering if the Republican caucus has a copy of my amendment?

The **SPEAKER**. The indication is that they do have. The problem apparently, Mr. Logue, is not with your amendment but the fact that the Republican Party did not caucus on the bill in general, but apparently there is not any particular problem with your amendment. So we will hold the bill over until the party has had a chance to caucus on the bill.

Mr. LOGUE. Thank you, Mr. Speaker.

The **SPEAKER**. HB 2045 will go over.

The House proceeded to third consideration of **HB 51, PN 3158**, entitled:

An Act to enhance the Commonwealth's environmental radiation surveillance and emergency radiation response capabilities by granting certain powers to the Department of Environmental Resources and making an appropriation.

HB 2302 CALLED UP

The SPEAKER. The Chair rescinds its statement that HB 2302 will not be called.

The gentleman, Mr. Valicenti, wishes to call it up for purposes of an amendment. He informs the Chair that he has an amendment which has been agreed to. We return, without objection, therefore, to HB 2302, PN 3083.

The House proceeded to third consideration of **HB 2302, PN 3083**, entitled:

An Act amending "The Minimum Wage Act of 1968" approved January 17, 1968 (P. L. 11, No. 5), further amending the minimum wages and exceptions and exclusions from the minimum wage and overtime provisions of this act; *** and further providing for resting facilities.

On the question,
 Will the House agree to the bill on third consideration?
 Mr. VALICENTI offered the following amendments:

- Amend Title, page 1, line 10, by inserting after "students;" and
- Amend Title, page 1, line 12, by removing the semicolon after "restaurants" and inserting a period
- Amend Title, page 1, lines 12 and 13, by striking out "providing for meal and rest periods;" in line 12 and all of line 13
- Amend Bill, page 6, lines 22 through 30; page 7, lines 1 through 25, by striking out all of said lines on said pages
- Amend Sec. 5, page 7, line 26, by striking out "5." and inserting 4.
- Amend Sec. 6, page 8, line 1, by striking out "6." and inserting 5.

On the question,
 Will the House agree to the amendments?

The SPEAKER. The Chair recognizes the gentleman from Allegheny, Mr. Valicenti.

Mr. VALICENTI. This bill establishes a minimum wage for the State of Pennsylvania to comply with the Federal minimum wage. What the amendment does is, it takes out the mandatory rest period.

I think that I have quite a few correspondences on it to take that out and I think you will be satisfied that we raised the minimum wage up to the Federal standards. Thank you.

HB 2302 PASSED OVER

The SPEAKER. The Chair recognizes the gentleman from Blair, Mr. Hayes.

Mr. S. E. HAYES. We have not caucused on HB 2303, Mr. Speaker.

If we could hold that until next week, Mr. Speaker, I would appreciate it.

The SPEAKER. The request of the Republican leaders is that the bill be held for caucus.

The bill will be passed over as amended and reprinted as amended.

BILLS SIGNED BY SPEAKER

The following bills, having been prepared for presentation to the Governor, were signed by the Speaker:

HB 1069, PN 1245

An Act amending "The Second Class Township Code" approved May 1, 1933 (P. L. 103, No. 69), changing the method of filling vacancies in certain township offices.

HB 1070, PN 1966

An Act amending the "The Borough Code" approved February 1, 1966 (1965 P. L. 1656, No. 581), changing provisions relating to filling vacancies in certain borough offices.

HB 1071, PN 1247

An Act amending "The First Class Township Code" approved June 24, 1931 (P. L. 1206, No. 331), changing provisions relating to filling vacancies in certain township offices and making repeals.

HB 2042 PASSED OVER

The SPEAKER. HB 2042, therefore, on page 6 will go over for today. Mark it over for today.

Is the gentleman, Mr. Englehart, aware of what the delay is on his bill?

The gentleman, Mr. Goebel, asked for a specific amendment and did not get that amendment sent to him and he has asked to have it redrafted.

CALENDAR BILLS ON THIRD CONSIDERATION

The House proceeded to third consideration of **HB 1937, PN 2387**, entitled:

An Act amending the "Housing Authorities Law" approved May 28, 1937 (P. L. 955, No. 265), providing for certain additional powers to housing authorities.

On the question,

Will the House agree to the bill on third consideration?

Mr. GEISLER offered the following amendments:

Amend Title, page 1, line 24, by removing the period after "authorities" and inserting in cities of the second class.

Amend Sec. 1 (Sec. 10), page 2, line 9, by striking out "To" and inserting In a city of the second class, to

On the question,

Will the House agree to the amendments?

The SPEAKER. The Chair recognizes the gentleman from Allegheny, Mr. Geisler, who, on behalf of Mr. Caputo, offered the preceding amendment.

Mr. GEISLER. Mr. Speaker, I do not have a copy of the bill here, but it appears that it is a technical amendment, just striking out the word "To" and inserting "In the city of the second class, to". It restricts it to the city of Pittsburgh and removes the balance of the state.

The SPEAKER. The Chair wants to check the wording of the amendment here at the desk. The amendment is not clear as to its wording and what it means.

The Chair's reading of the amendment agrees with the gentleman, Mr. Geisler, that the purpose of this amendment is to restrict this bill solely to the city of Pittsburgh.

Mr. GEISLER. That is correct, Mr. Speaker. Yes.

The SPEAKER. Does the gentleman, Mr. Hutchinson, wish to be recognized on the amendment?

The Chair recognizes the gentleman from Schuylkill, Mr. Hutchinson.

Mr. W. D. HUTCHINSON. Would the gentleman, Mr. Geisler, submit to interrogation, please?

The SPEAKER. Will the gentleman, Mr. Geisler, stand for interrogation? The gentleman indicates that he will so stand.

Mr. W. D. HUTCHINSON. Is it your understanding that by the amendment that is put into this bill, the power to have these police would exist only in the city of Pittsburgh?

Mr. GEISLER. Yes. Apparently, this, Mr. Speaker, is only for the housing authority police officers in the city of Pittsburgh. That is what the amendment would do, and it would strike out the other municipalities in the Commonwealth.

Mr. W. D. HUTCHINSON. Mr. Speaker, we did not have any caucus on this. This is the first I know of this amendment. I am a sponsor of the bill.

We have had certain problems in smaller cities in Pennsylvania on this, and I would ask that it be held until we do have an opportunity to caucus on this amendment.

The SPEAKER. The gentleman's request will be respected.

Mr. GEISLER. Mr. Speaker, that would be agreeable. It is only on the third day.

AMENDMENT WITHDRAWN AND BILL PASSED OVER

The SPEAKER. The gentleman, Mr. Geisler, withdraws the amendment offered to HB 1937. HB 1937 will go over temporarily for today.

Mr. GEISLER. Mr. Speaker, may I ask the Republican caucus chairman if they have copies of this amendment?

Mr. S. E. HAYES. Yes, Mr. Speaker.

Mr. GEISLER. Thank you.

HB 2042 CALLED UP

The SPEAKER. The Chair is informed now that, on page 6, the gentleman, Mr. Goebel, no longer wishes to offer an amendment to HB 2042.

If the gentleman, Mr. George, is ready and the gentleman, Mr. Englehart, is ready we will take HB 2042, in order to clear our calendar. Is the gentleman, Mr. George, ready on his amendment?

Without objection, the Chair rescinds its statement that HB 2042 is passed over for today and calls up on the calendar HB 2042, PN 2676.

The House proceeded to third consideration of **HB 2042, PN 2676**, entitled:

An Act amending Title 75 (Vehicles) of the Pennsylvania Consolidated Statutes further providing for removal of vehicles and procedures relating thereto.

On the question,

Will the House agree to the bill on third consideration?

Mr. GEORGE offered the following amendments:

Amend Sec. 2 (Sec. 3352), page 3, line 27, by inserting after "ANY" where it appears the first time four lane or divided

Amend Sec. 2 (Sec. 3352), page 3, line 30, by inserting after "HAZARD." Any police officer may remove or cause to be removed to a nearby garage or other nearby place of safety any unattended vehicle illegally left standing upon any other highway in such position or under such circumstances as to interfere unduly with the normal movement of traffic or constitute a safety hazard, providing a reasonable effort is made by such police officer to assist in removing the vehicle to a place of safety and a reasonable effort is made by such police officer to locate the owner or operator thereof before removal to a nearby garage.

On the question,

Will the House agree to the amendments?

The SPEAKER. The Chair recognizes the gentleman from Clearfield, Mr. George.

Mr. GEORGE. Thank you, Mr. Speaker. Mr. Speaker, what this amendment does is to make completely definite just what an abandoned vehicle is and under what conditions and how much time should be put into whether the decision is made to remove it.

Under the way that the present bill was put in the format, my concern and the concern of others is if a vehicle would be standing on a highway and it was still possible to get around it, and some local officer or state policeman would come by, not knowledgeable that the individual who is the operator or the owner had gone down the street to enlist aid or to call a wrecker and in the meantime, with the officer seeing that the vehicle was there, he would then call a wrecker and, simultaneously, when the operator got back, there would be two wreckers there, and who would pay for them?

So what the amendment does is, it clarifies the fact that if the vehicle would be in a tunnel or on a bridge or on a 4-lane or on a road that had excessive traffic, then the decision should be made that the police officer would do everything he could to get it out of there as quickly as possible, but only under those conditions would he move it immediately.

So what the amendment does in fact say is that any police officer may remove or cause to be removed to a nearby garage or other nearby place of safety, any unattended vehicle illegally left standing upon any other highway in such a position or any such circumstances as to interfere unduly with the normal movement of traffic or constitute a traffic hazard.

The SPEAKER. The Chair recognizes the gentleman from Chester, Mr. Vroon.

Mr. VROON. Mr. Speaker, may I please interrogate the author of the amendment?

The SPEAKER. The gentleman, Mr. George, indicates that he will stand for interrogation. The gentleman, Mr. Vroon, is in order and may proceed.

Mr. VROON. Mr. Speaker, it is quite apparent what you are trying to do, but I question whether or not anything like this needs to be passed. Is this not something they already can do? Can a police officer not get a car removed to the side and out of the way when it blocks traffic? I do not see any evidence of any traffic being stalled and a policeman not being able to do it.

Mr. GEORGE. Mr. Speaker, if you read the bill as it was originally put in the format, I think that you would bear and share my concern and the concern of others that we expect a fair decision to be made. But our concern is that if a vehicle should be on a legislative route or such and that it would have just a temporary deficiency, such as a water hose or line broken or something, or even a flat tire, and your wife could not complete that repair, and a police officer would come up the road, not knowing how long that was there, may deem that it would be his obligation to remove that immediately, not knowing under the circumstance that your wife had gone to elicit aid. When she came back to that car, she might find that there are two wreckers there waiting to, one, grab the front, so to speak, and one to grab the rear.

I believe a fair decision will be made in most cases. But I insist that there are times when a car is only inoperable for a small period of time and an individual can get assistance to get this removed without going through a costly manner of having a wrecker come up the road and the bill might be \$50 or \$60. And, further, if you will allow me, what does that individual do if \$2 or \$3 in a half hour's time could have got that automobile going again? When he goes to the individual who has done the

towing and finds out that he now owes \$50 and he does not have the \$50 and he will not have it until the end of the week, and when he comes back to claim his car he now has storage on that car, I think that we are going to extremes, Mr. Speaker.

I think that we should do our utmost to keep traffic rolling and provide safety, but, by the same token, I think the individual should be given the choice to move and move appropriately. When this is not done, the amendment allows the police officer then to move.

Mr. VROON. Would you please tell me what would happen in a case like this: Supposing a woman was driving a car and for one of the many common reasons a car stalls in a heavy line of traffic. What would this permit a police officer to do if she got out of her car and frantically looked for someone to help her? What would this permit the police officer to do, and how much would it cost the poor woman?

Mr. GEORGE. If you read the amendment, sir, it allows for this concern that you have in a place where the traffic is heavy, a 4-lane, an expressway, a turnpike, and an interstate; the amendment allows for this. But it also allows for a situation where it happens to be not as precarious and there can be a few minutes applied to find out whether the individual has made some effort to remove this automobile. This, again, is not an abandoned automobile per se but one that is just broken down temporarily that may take a couple of minutes to get it back on the road, and it also says that if the officer wants, he can do what he can to assist to get that thing off the road by even pushing it off the road, which they do in many states, incidentally.

Mr. VROON. All right. Now, supposing that this officer sees this car there and he decides it has to be taken off the road in a hurry, and he proceeds to have this car removed and put in a nearby garage, who is going to pay the bill?

Mr. GEORGE. That is exactly what my concern is, because when it says "reasonable time," you and I must dispute what is reasonable; but, also, if you read the bill and it says "reasonable cost," then you and I must dispute what is reasonable, and that is what my concern is.

Mr. VROON. I still did not get an answer to the question. How much would it cost this poor woman to get her car back?

Mr. GEORGE. Mr. Speaker, I really cannot hear the speaker.

Mr. VROON. Mr. Speaker, I have finished my interrogation.

The SPEAKER. Does the gentleman wish to make a statement?

Mr. VROON. Yes, a short statement.

The SPEAKER. The gentleman is in order and may proceed.

Mr. VROON. I believe I know what Mr. George is trying to do in this amendment, but I failed to get a proper answer to my questions and I am not satisfied that this is going to be for the benefit of the poor motorist who gets unavoidably delayed on a highway. So I am afraid I am going to have to vote "no" on this amendment.

On the question recurring,
Will the House agree to the amendments?

On the question,

Will the House agree to the amendments?

The SPEAKER. The Chair recognizes the gentleman from Cambria, Mr. Englehart.

Mr. ENGLEHART. Mr. Speaker, in PN 2676 of HB 2042, we covered the situation where an automobile would be parked on someone's private property near a dwelling and gave him an opportunity to have it removed, but we neglected to take care of the situation of a semipublic parking lot, like the parking area around an apartment house or at a college campus or in the back of the building here, and the purpose of my amendment is to clarify that language and make sure that we have a system available to tow away automobiles that are illegally parked in those places.

The SPEAKER. The Chair recognizes the gentleman from Perry, Mr. Noye. For what purpose does the gentleman rise? To debate the amendment?

Mr. NOYE. Yes, Mr. Speaker. Mr. Speaker, first of all, could you tell us the number on the amendment that you are referring to?

Mr. ENGLEHART. A-5008.

Mr. NOYE. Mr. Speaker, when you are referring to a private dwelling, are you limiting that to just—you mentioned apartment complexes and something else—are you talking about a private dwelling?

Mr. ENGLEHART. Both, Mr. Speaker.

Mr. NOYE. You are saying that something could be removed from a private dwelling without the consent of the property owner?

Mr. ENGLEHART. No, Mr. Speaker. If it is illegally parked, the property owner of the dwelling can have the automobile removed after complying with the provisions of the act. All my amendment does is to give the same privilege to an apartment complex or a college campus or a shopping mall, to make sure that if there are cars illegally parked there, if they follow the provisions of the act, automobiles may also be removed.

Mr. NOYE. Thank you, Mr. Speaker. I have no objections to that.

On the question,

Will the House agree to the amendments?

The SPEAKER. The Chair recognizes the lady from Centre, Mrs. Wise.

Mrs. WISE. Mr. Speaker, this is not a simple amendment, but if it were adopted, it would very drastically change the bill, and I would like to explain the reasons for it, to start with.

The problem that is being addressed in this HB 2042 came about because of a Supreme Court decision as a result of a court case brought by the apartment owners and managers of the Chamber of Commerce in State College, in the district which I represent. The problem is a complex one that is compounded by the fact that in that university community there is a consistent problem of parked cars on private property left for weekends, football traffic, students who leave cars on apartment properties in particular.

The case was brought after proper procedures had been followed by a tower who had removed a car at the request of a property owner, and the tower was then sued. The Supreme Court in their decision made two recommendations, and those recommendations would be in the amendment that I am offering, because they say the current statutes under which we operate give the landowner the right to charge a vehicle owner with the reasonable expense of removing an illegally parked vehicle from his land. However, not every right gives rise to a lien. If the legislature had intended a lien to arise under these facts, it would specifically have said so. The Federal District Court, the lower courts, and this court recognize the deficiency which has left property owners with an incomplete remedy. However, it is a deficiency which must be cured, if at all, by legislative action either at the state or local level.

Now, if my amendment were adopted, it would strip all of the restrictions on the salvor, the tower, all of the new parts that have been added by this amendment, and only two parts would remain, the part that is underlined in the middle of the amendment, which says "Such person or his agent who removes a vehicle . . .", and the part on page 7 which says on line 6, "Section 3356. Implied Lien." It has nothing to do, then, with the towing, with the salvor, and all of those kinds of things, which our people at home feel would not remedy their problem.

This bill has created a class of towers which must be licensed, which must be inspected or licensed by the state. We feel that there are many small communities which would not have those licensed towers. In essence, the bill set out to remedy the Supreme Court decision, and we think it does not do anything except add to the confusion. In particular, the length of time involved would mean that homeowners, property owners, would not have any kind of a remedy to take immediate action, or even action in a reasonable time, and, therefore, the amendment is offered as a result of the recommendations of the Supreme Court.

The question was determined in the affirmative, and the amendments were agreed to.

On the question recurring,

Will the House agree to the bill as amended on third consideration?

Mr. GOEBEL offered the following amendments:

Amend Title, page 1, line 3, by removing the period after "THERE TO" and inserting , and further providing for signs prohibiting certain turns.

Amend Bill, page 3, by inserting between lines 11 and 12 Section 2. Section 3112 (a)(3)(ii) of Title 75, is amended and the section is amended by adding a subsection to read: § 3112. Traffic-control signals.

(a) General rule.—Whenever traffic is controlled by traffic-control signals exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination, only the colors green, red and yellow shall be used, except for special pedestrian signals carrying a word legend, and the lights shall indicate and apply to drivers of vehicles and pedestrians as follows:

- * * *
- (3) Steady red indication.—
- * * *

(ii) Unless a sign is in place prohibiting a turn, vehicular traffic facing a steady red signal may enter the intersection to turn right, or to turn left from a one-way roadway onto a one-way roadway after stopping as required by subparagraph (i). Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection. No sign shall be placed by any municipality prohibiting any turn authorized by this subparagraph, except in the manner provided in subsection (d).

* * *

(d) Department approval required.—No municipality shall place any sign prohibiting any turn authorized pursuant to subsection (a)(3)(ii) without the approval of the department and under no circumstances shall any municipality place any sign authorizing said turn for a period of one year following the effective date of this act. Provided, however, That any sign placed prior to the effective date of this act may remain in place for a period of not more than six months following the effective date of this act, and thereafter shall be removed unless the department approves the continued placement of said sign as herein provided. The department shall not approve the placement of any sign by any municipality unless it determines that the placement of said sign is essential for traffic safety. The department shall establish guidelines for determining whether or not any sign for which approval is sought is essential to traffic safety.

On the question,

Will the House agree to the amendments?

The SPEAKER. The Chair recognizes the gentleman from Allegheny, Mr. Goebel.

Mr. GOEBEL. Thank you, Mr. Speaker. This amendment addresses the problem of the signs that you see hanging up all over the cities that say "no turn on red," and some time ago the General Assembly saw fit to permit automobiles to make right turns on red after coming to a stop, and they left it up to the local governments to place these signs where they thought they were needed. Well, the signs, I think, are everywhere and I think that actually what they are doing is not giving the law a chance to work. They are just hanging these signs up because they, maybe, have 200 signs ordered and they have to get rid of them.

What this amendment will do is, it will take all the signs down for a period of 1 year. They all have to come down within 6 months. If there is a sign up, it can stay there for 6 months and then it would have to come down.

The signs may again be put up but after only departmental approval. So that after an intersection has been proven to be a dangerous intersection, according to guidelines that would be drafted by the Department of Transportation, then permission would be given to put the signs back up.

I think that other states that you go in, Florida, California, where you can make these right turns, you never see any of these signs, and I think that we should give the law a chance to work, that you gentlemen did pass, I think it might have been in the last session. I am not sure exactly when it was. So, thank you, Mr. Speaker.

GERMANENESS OF AMENDMENT QUESTIONED

The SPEAKER. The Chair recognizes the gentleman from Cambria, Mr. Englehart.

Mr. ENGLEHART. Mr. Speaker, the gentleman's amendment refers to the right turn on a red-light situation, which was inserted in the Vehicle Code when we rewrote the code a couple of years ago. I agree that it is a proper amendment to the Vehicle Code, but it has nothing to do with the subject matter of HB 2042, which involves illegal parking and the removal of cars that are illegally parked.

I would, therefore, under the rules suggest that the gentleman's amendment is not germane and I would ask for a rollcall vote on its germaneness.

The SPEAKER. The question has been raised on germaneness by the gentleman, Mr. Englehart. That question is a question which is resolved by a vote from the floor. The question is, Is the amendment offered by the gentleman, Mr. Goebel, that is numbered A-4942, germane to HB 2042?

The Chair recognizes the gentleman, Mr. Ryan, on that question.

Mr. RYAN. Mr. Speaker, would the gentleman, Mr. Englehart, consent to interrogation?

The SPEAKER. The gentleman, Mr. Englehart, indicates he will stand for interrogation. The gentleman, Mr. Ryan, is in order and may proceed.

Mr. RYAN. Mr. Speaker, would the gentleman explain again why he feels this amendment is not germane?

Mr. ENGLEHART. The subject matter of HB 2042 is illegal parking and the removal of cars illegally parked. The subject matter of the gentleman's amendment is the right turn on a red-light situation.

Mr. RYAN. Do both subjects concern themselves with what we would call the Vehicle Code?

Mr. ENGLEHART. Yes, Mr. Speaker.

Mr. RYAN. Have we not customarily, when a code has been before this House, permitted any amendments within the scope of that code? I am thinking specifically, Mr. Englehart, of, say, the Public School Code, where any section can be amended. They are the rules of the House, as I understand them, and that is in the practice of the House, as I understand it.

Now, if the gentleman is suggesting that this is in an area completely different from the principal subject of the bill, that is the Vehicle Code, then I would agree with the gentleman, but right now I do not see that that is the case, and I would appreciate your explaining why I am wrong on this.

Mr. ENGLEHART. I am not necessarily saying that the gentleman is wrong, but in the beginning of the year 1977 the members of this House changed their own rules to say that the membership shall decide whether or not an amendment to a major code is germane or not. It was done that way deliberately to prevent someone from speaking totally on germane amendments to someone's bill involving the School Code or the Vehicle Code, and the matter now rests in the discretion of the members of the House.

QUESTION OF GERMANENESS
WITHDRAWN

The SPEAKER. Will the gentlemen yield? The House will be at ease.

Will the gentleman, Mr. Ryan, the gentleman, Mr. Hayes, the majority leader and Mr. Englehart approach the desk please?

The gentleman, Mr. Englehart, has removed his objection as to germaneness on this bill. He removes it, however, without prejudice, saying that he may have to raise that question at a later time.

Therefore, the question remains before the House. Will the House agree to the amendment offered by the gentleman, Mr. Goebel?

On the amendment, the Chair recognizes the lady from Centre, Mrs. Wise.

Mrs. WISE. Mr. Speaker, I would respectfully request that we vote "no" on this amendment. Obviously, it is to the Motor Vehicle Code, but it clouds the issue that we are trying to solve, and that is, to resolve the specific problem with a great many small localities. If this red-light amendment is a problem, then let us do it separately, but I would request a "no" vote.

The SPEAKER. I like the characterization of this amendment as the Red Light Amendment. I am sure that ought to gather a number of votes.

The Chair recognizes, on the amendment, the gentleman, Mr. Englehart.

Mr. ENGLEHART. Mr. Speaker, I too, rise to oppose the gentleman's amendment. We amended the Vehicle Code a couple of years ago to provide that you are allowed to make a right turn where an intersection is governed by a traffic light, even though the light is red, providing you stop, unless the municipality, in its wisdom, puts a sign up which says that you cannot.

What Mr. Goebel is trying to do is to take all of the signs down for 1 year and give the Pennsylvania Department of Transportation the responsibility of deciding whether you turn right on Third Street coming down from Pine Street in Harrisburg and on Centre Street in Evansburg, and all over the state. PennDOT does not have enough money to do what they are doing now, much less get into that act, and I ask for a "no" vote.

The SPEAKER. On the amendment, the Chair recognizes the gentleman from Allegheny, Mr. Cowell.

Mr. COWELL. Thank you, Mr. Speaker.

Mr. Speaker, I too, would ask that we defeat this amendment. Although many of us realize that the ability or the authority to put up the "No right turn on red" signs may have been abused in some cases, the Goebel amendment goes to the other extreme and it would require a municipality, for a certain period of time, to take all of those signs down. I think each of us recognizes that there are some circumstances in which those signs are required for the sake of safety.

Secondly, I think we have to keep in mind the cost factor. What we are going to require municipalities to do is to spend money to take down signs, many of which we are going to allow them to put back up 6 months later, and Mr. Englehart has

already spoken to the question of the dollars that would be required of PennDOT, dollars that they do not have at this point. So we ought to defeat the amendment.

MOTION TO TABLE GOEBEL AMENDMENT

The SPEAKER. On the amendment, the Chair recognizes the gentleman from Allegheny, Mr. Itkin.

Mr. ITKIN. Mr. Speaker, I believe that the amendment is germane, but I also believe that the amendment is inappropriate at this time.

I do not wish personally to see this House get into an extensive debate over this particular issue at this time and, therefore, I move that the amendment be tabled.

PARLIAMENTARY INQUIRY

The SPEAKER. The Chair recognizes the minority whip. For what purpose does the gentleman rise?

Mr. RYAN. I rise to a parliamentary inquiry.

The SPEAKER. The gentleman will state the point of parliamentary inquiry.

Mr. RYAN. Is it proper to move that an amendment be placed on the table without putting the bill that he hopes to amend on the table with it? It is to my recollection that any time a motion such as this has been made, it has been to put the bill, together with the amendments, on the table. It would seem to be a frivolous act to put an amendment on the table and then go ahead and pass the bill.

The SPEAKER. It is a very neat question, and the Chair is not prepared to answer it offhand, except to say that it has never, within the knowledge of the Chair, over the past 20 years been done in this manner. That does not preclude its being done. The House will stand at ease until we do a little research here and see if it can be done. The House will stand at ease. The House will be in order.

The Chair suggests that the members pay attention to this because it has never been raised before, but the gentleman, Mr. Ryan, is correct. Under rule 59 which reads: "A motion to lay on the table is not debatable, is not subject to amendment and carries with it the main question and all other pending questions which adhere to it, . . ." Under that rule the Chair rules that the motion is not well placed; that a motion to table would have to carry with it the main question which, of course, would be the bill itself, and, therefore, Mr. Itkin's motion is not well placed.

MOTION WITHDRAWN

The SPEAKER. The Chair, however, recognizes the gentleman, Mr. Itkin. Does the gentleman wish to change his motion?

Mr. ITKIN. Mr. Speaker, I will withdraw the motion. I was trying to limit debate.

The SPEAKER. The Chair understands the purpose of the gentleman's motion.

Mr. ITKIN. Everyone tells me that the debate has been concluded, so I am willing to withdraw the motion.

The SPEAKER. On the Goebel amendment, the Chair recognizes the gentleman from Centre, Mr. Letterman.

Mr. LETTERMAN. Mr. Speaker, I would like to speak in favor of the amendment.

On the "60 Minutes" program they proved that in the city of Chicago, it saved 21,000 gallons of gas in one month's time for the consumer. I think this amendment does deserve recognition and I think it needs to be put into force. I do not think that they should just have the right to put up the signs every place in this state without trying to see if it is hazardous or not. Thank you.

The SPEAKER. On the amendment, the Chair recognizes the gentleman from Blair, Mr. Milliron.

Mr. MILLIRON. Thank you, Mr. Speaker.

I have to agree with the amendment. I think we should not wait for 1 year and then come back and take a count of all the pedestrians who have been killed, all the fatalities that happened because of it, all the millions of dollars' worth of damage, and then reevaluate it. That is bologna.

The SPEAKER. The Chair recognizes the gentleman from Lehigh, Mr. Ritter, on the amendment.

Mr. RITTER. Mr. Speaker, I rise to oppose the amendment. In my city we have a number of senior citizens' high-rise apartments, and the senior citizens came to the city at one of our intersections and asked for a "No turn on red light" sign at one of our intersections. It was extremely difficult and dangerous for these people to cross the intersection, and whatever they needed was across the street. It was very difficult for them to cross that street when they allowed the right turn on red, so the city put up a sign that prohibited the right turn on red light. They are very satisfied with it.

Mr. Goebel's amendment, in effect, would tell those senior citizens that within the next 6 months we are going to take that sign down and then we are going to evaluate the whole thing for a year, and so in the meantime you will take your life into your own hands when you cross the street. I just think that the amendment should not be considered by this legislature. I do not think it has been abused at all in the cities I have been to.

I think that the present procedure is good and proper and it works very well and I think the amendment ought to be defeated. I ask for a negative vote.

The SPEAKER. The Chair recognizes, for the second time on the amendment, the gentleman from Allegheny, Mr. Goebel.

Mr. GOEBEL. Thank you, Mr. Speaker.

I can see that everybody has their own personal views on this matter, depending on where they live, and I think they will probably be voting their own personal views, and that is the way it should be. However, I do not think that if we take these signs down that a lot of people are going to be killed. It is the same as a stop sign, and when you approach a stop sign, you stop and you look up and down and then you proceed if it is safe. It works the same as a stop sign. People do not get slaughtered in front of a stop sign. They proceed with caution the same way they always do. I do not anticipate any kind of accident increase because these signs come down.

My problem is that the local municipalities are actually reversing the law that you gentlemen passed. You fellows wanted to permit right turns on red, and now you can hardly do it anywhere in a city. So if you want to have the law as you

passed it, I think you should go along with my amendment.

I am not going to answer each person's criticism one by one, but the one that really got to me was by Representative Wise, who objected to my amendment because it would change the bill and 5 minutes previously she had gotten up and said that her amendment changed the bill almost drastically. So I really do not understand that type of criticism when she did the same thing a minute before.

On the question recurring,

Will the House agree to the amendments?

HOUSE SCHEDULE ANNOUNCEMENT

The SPEAKER. The House will stand at ease. We are trying to determine now whether or not a brief caucus would be in order to save time for next week.

All of you are aware of the fact that several important bills will be before us next week—one of them being, of course, the creation of the department on the aging; the other one being an absolutely necessary bill to be passed on time, and that is the deficiency appropriation for the Welfare Department. We are now trying to ascertain whether or not we can save some time next week by caucusing briefly this week.

So if you will be patient, the House will stand at ease for 5 minutes until the leaders confer, and then we will give you the answer.

The decision has been made by the joint leadership that there will be no caucus today. The members are urged, however, to be here on time on Monday, because there will be a swearing-in of a new member at 1 o'clock promptly. As soon as the new member is sworn in, there will be an immediate caucus for the purpose of the Republicans and the Democrats discussing the deficiency appropriation to the Welfare Department and for that purpose only.

Following those caucuses, which we hope will be brief, we will return to the floor on Monday for an immediate vote on that particular proposition. So it is very important that you be here on time Monday so you may participate in that vote.

Does the majority leader have any further business?

RULES COMMITTEE MEETING

Mr. MANDERINO. Only, Mr. Speaker, an announcement that immediately upon adjournment the Rules Committee will meet to consider the requests of the ever so many members who have asked us to take bills from the table.

WELCOMES

The SPEAKER. The Chair is delighted to welcome to the hall of the House today John and Louise Budal. Mrs. Budal is a councilwoman in the Borough of Coraopolis and a member of the Allegheny County Democratic Committee. They are both here as the guests of Representative Fred Trello.

The Chair is also delighted to welcome to the hall of the House Mr. and Mrs. Elam Wenger, who are the parents of

Representative Noah Wenger.

How very nice.

The Chair sees that some of the children in the balcony may be leaving and the Chair does not want them to leave without a chance to welcome them. These children are students from the Calvin School and the S & S School of Wilkes-Barre. They are here as the guests of Representative Bernard O'Brien. We welcome them and we are glad you came.

The Chair is delighted to welcome to the hall of the House, as the guests of Representative Paul Yahner of Cambria County, the eighth-grade class of the Northern Cambria Catholic School from Barnesboro, Pennsylvania.

The Chair welcomes to the hall of the House Miss Carole Wright and Mr. Art Furia of Chester Township. They are the guests of Representative Garzia.

The Chair is delighted to welcome to the hall of the House two guests of Representative Lashinger — Cindy Musselman and Betsy Farb. Both are from Norristown.

ADJOURNMENT

Mr. LEVIN moved that this House of Representatives do now adjourn until Monday, June 5, 1978, at 1 p.m., e.d.t.

Will the House agree to the motion?
