Motion was agreed to.

RULES COMMITTEE MEETING AND ANNOUNCEMENT

The SPEAKER. Does the majority leader have any further business?

Mr. RYAN. Mr. Speaker, two things. First, there will be a
time of the Rules Committee on the declaration of a recess
and, secondly, because there was no master roll call taken, a
memorandum will go out to all of the members suggesting to
them or advising them that to be reimbursed for their mileage
for this week they should send a memorandum to the Comptroller's Office.

We will also send a memorandum around to all of the members
so that they understand this, but just to advise them in advance, mileage for this week will not be automatic but rather a
memorandum will have to be sent to the Comptroller's Office
because of the failure to have a master roll call.

Other than that, Mr. Speaker, I have no further business.

STATEMENT BY MR. IRVIS

The SPEAKER. Does the minority leader have any further business?

Mr. IRVIS. Yes, Mr. Speaker. Mr. Speaker, I would like to remind the majority leader that while we have no objection to the procedure which he followed today, we find no harm in the
moving of bills forward or taking them from the table. We are
asking that in the future when he intends to have this type of
session, that he accurately inform our members of precisely
what he intends to do, because the telegram which came to our
members did not include the moving up of bills, the moving of
bills from the table or the additions and deletions of members' names, and there will be members on our side who will question
these additional activities. I should like to remind the majority
leader, out of courtesy to us, if he would be a little more careful
in the future and a little more accurate in his information. That
is all, Mr. Speaker.

The SPEAKER. The Chair recognizes the majority leader.

Mr. RYAN. Mr. Speaker, I think that the minority leader is
exactly right. The notice that was sent out was short, and I
guess because we have been around long enough we thought
that—

In the telegram message, we said that we would be receiving
bills. Reading them for the first time is inferred in that because
when they are reported, they are, of course, read, and I suppose
to have been completely careful about the handling of it, we
should have also advised that we were going to put the bills in a
position to be read for the second time on Monday by taking
them off the table today.

RULES SUSPENDED TO ADD AND DELETE SPONSORS

Mr. RYAN. The minority leader, also, in his remarks reminded
me of something I did not do and, having been criticized,
very cautiously criticized, on the addition and deletion of spon-
sors, I would now move, Mr. Speaker, that we suspend our rules
to permit the addition and deletion of sponsors, which I have al-
ready taken the heat for from Mr. Irvis.
