**BILLS ON THIRD CONSIDERATION**

The House proceeded to third consideration of **HB 1823, PN 2521**, entitled:

An Act protecting agricultural operations from nuisance suits and ordinances under certain circumstances.

On the question,

Will the House agree to the bill on third consideration?

Mr. WENGER offered the following amendment No. A5191:

Amend Sec. 2, page 2, line 17, by striking out "\$2,000" and inserting \$5,000

On the question,

Will the House agree to the amendment?

The SPEAKER. The Chair recognizes the gentleman from Lancaster, Mr. Wenger.

Mr. WENGER. Mr. Speaker, the present bill says that in order for a farm to qualify for the provisions of this bill, it has to have gross sales of at least \$2,000 per year. There was some concern that this amount was too low and that this would extend these benefits to backyard farming operations that were not really farms in the first place. For that reason I have

proposed the amendment that would increase the threshold from \$2,000 to \$5,000. That means that before a farm could qualify for the provisions of this bill, it would have to have gross sales of at least \$5,000. I respectfully request an affirmative vote on this amendment.

MEMBER'S PRESENCE RECORDED

The SPEAKER. The Chair recognizes the gentleman from Washington, Mr. Sweet, who asks that his name be added to the master roll call.

The House proceeded to third consideration of **HB 1585, PN 1847**, entitled:

An Act amending the "Pennsylvania Municipalities Planning Code," approved July 31, 1968 (P. L. 805, No. 247), further providing for the definition of a "subdivision".

On the question,  
Will the House agree to the bill on third consideration?

Mr. REBER offered the following amendments No. A5253:

Amend Sec. 1 (Sec. 107), page 2, line 6, by striking out the bracket after "development"

Amend Sec. 1 (Sec. 107), page 2, line 7, by inserting brackets before and after "division" and inserting  
subdivision by lease

Amend Sec. 1 (Sec. 107), page 2, line 9, by striking out the bracket after "exempted"

On the question,  
Will the House agree to the amendments?

The SPEAKER. The Chair recognizes the gentleman from Montgomery, Mr. Reber.

Mr. REBER. Mr. Speaker, Representative Foster will, most likely on final passage, speak in greater detail as to the necessity for this bill. This is a very minor amendment and preserves the bill as written with the exception of providing for an exception to the 10-acre excess requirement. It is simply going to allow farmers who have a lease arrangement to continue to have the exemption in full force and effect under the act.

I believe the abuses that necessitated the introduction of this legislation certainly will not be perpetuated by this amendment and will give appropriate relief to farmers who have been acting with the intent of this initial exemption when it was put into the Municipalities Planning Code. This is an agreed-to amendment, and I would ask for your support. Thank you.

On the question recurring,  
Will the House agree to the amendments?

On the question,  
Will the House agree to the amendments?

The SPEAKER. The Chair recognizes the gentleman from Montgomery, Mr. Nahill.

Mr. NAHILL. Thank you, Mr. Speaker.

Mr. Speaker, last week we ran a whole series of bills dealing with investments for local municipalities, allowing them to put certificates of deposit in banks without collateral. This

amendment is a technical amendment describing the new set of bills, HB 1193 and HB 1194, which are really companion bills, that we prescribe that this money be put in banks that are organized under the State of Pennsylvania. We feel that the money should stay in Pennsylvania and not flow out of the State. Thank you, Mr. Speaker.

Will the House agree to the amendments?

### MEMBER'S PRESENCE RECORDED

The SPEAKER. The Chair recognizes the gentleman from Philadelphia, Mr. Deal, who asks that his name be added to the master roll call.

### PARLIAMENTARY INQUIRY

The SPEAKER. Does the gentleman, Mr. Davies, from Berks desire recognition?

Mr. DAVIES. Yes. Just a parliamentary inquiry, Mr. Speaker.

The SPEAKER. The gentleman will state his point of parliamentary inquiry.

Mr. DAVIES. Has it been a past policy of the caucuses to offer an explanation as to why, if there have been amendments or there have not been amendments to those reports, an explanation of why they are recommitted to the various conference committees, or do we not go through that until we have something before us that we are going to vote on?

The SPEAKER. It is the opinion of the Chair that there is no set rule on that. The leadership had agreed that it be recommitted, and the Chair entertained the motion.

Mr. DAVIES. Excuse me. I did not say a rule; I meant a policy as such by either the caucus or leadership on those matters.

The SPEAKER. That is something that would more properly be taken up in caucus.

Mr. DAVIES. Thank you, sir.

### REMARKS ON VOTES

The SPEAKER. For what purpose does the gentleman from Philadelphia, Mr. Deal, rise?

Mr. DEAL. Mr. Speaker, had I been in my seat, I would have voted in the affirmative for the previous bills, and I would be happy to call them if necessary.

The SPEAKER. The gentleman indicates he would have voted in the affirmative on all the bills that were voted today?

Mr. DEAL. Yes, sir.

The SPEAKER. That is sufficient. The Chair thanks the gentleman.

Mr. DEAL. Thank you, Mr. Speaker.

### ANNOUNCEMENTS BY MAJORITY LEADER

The SPEAKER. The Chair recognizes the majority leader for the purpose of making announcements.

Mr. HAYES. First announcement: There will be a meeting of the conference committee on HB 1290 commencing at 4 p.m. in the House Appropriations meeting room.

By way of further announcement, it will be necessary for both caucuses to meet on the calendar. I suggest that we recess until the hour of 4 p.m., and it is possible that other bills will be in a position for a vote at that time.

In terms of our long-term goal, I would hope that we can get the legislative program completed so that we do not have to be here on through the Christmas holiday season. So we might return at 4 p.m. today, but regardless, I would ask both caucus chairmen to caucus on all bills that are currently on the calendar, particularly those that I have discussed with each of them independently.

There will be a meeting of the Rules Committee in my office commencing at 2:30 p.m. today.

### DEMOCRATIC CAUCUS

The SPEAKER. The Chair recognizes the gentleman from Philadelphia, Mr. O'Donnell.

Mr. O'DONNELL. Mr. Speaker, there will be a Democratic caucus immediately on the call of the recess, and I would call to the members' attention that there are several significant and controversial items on the calendar which are going to be covered. Thank you.

### REPUBLICAN CAUCUS

The SPEAKER. The Chair recognizes the gentleman from Perry, Mr. Noye.

Mr. NOYE. Thank you, Mr. Speaker.

There will be a Republican caucus at 2:20 p.m. in the caucus room.

### RECESS

The SPEAKER. Without objection, this House stands in recess until 4 p.m. The Chair hears no objection.

### AFTER RECESS

The time of recess having expired, the House was called to order.

### LEAVE OF ABSENCE CANCELED

The SPEAKER. The Chair recognizes the gentleman from McKean, Mr. Mackowski, who asks that his name be removed from the leaves and added to the master roll call. Without objection, the same will be done. The Chair hears no objection.

Mr. MANMILLER. Mr. Speaker, I move that this House do now adjourn until Tuesday, December 15, 1981, at 10 a.m., e.s.t.
