SESSION OF 1984

168TH OF THE GENERAL ASSEMBLY

No. 14

HOUSE OF REPRESENTATIVES

The House convened at 1 p.m., e.s.t.

THE SPEAKER (K. LEROY IRVIS) IN THE CHAIR

PRAYER

REV. DR. DAVID R. HOOVER, chaplain of the House of Representatives, from McConnellsburg, Pennsylvania, offered the following prayer:

Everlasting Father, we thank Thee for instilling into Thy stewards of old the eternal strength and power which enabled them to show forth Thy truth, especially the stalwart pioneers who carved out of this wilderness a mighty nation. O God, we pay tribute to those leaders who gave of themselves as well as their talents to build this land of the free and home of the brave. We are grateful for the example they have left on record for us, and we humbly pray that we may never lose sight of their great willingness to expend themselves on behalf of the principles in which they believed.

Now, we beseech Thee to continue to these leaders of this Keystone State the same stamina of purpose, the same strength of character, and the same dedication to truth, so that true government of, by, and for the people may forever flourish in our society. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was enunciated by members.)

February 17, 1984

To the Honorable, the House of Representatives
of the Commonwealth of Pennsylvania

I have the honor to inform you that I have this day approved and signed House Bill 682, Printer's No. 2334, entitled "AN ACT amending the act of April 9, 1929 (P. L. 177, No. 175), entitled 'An act providing for and reorganizing the conduct of the executive and administrative work of the Commonwealth by the Executive Department thereof and the administrative departments, boards, commissions, and officers thereof, including the boards of trustees of State Normal Schools, or Teachers Colleges; abolishing, creating, reorganizing or authorizing the reorganization of certain administrative departments, boards, and commissions; defining the powers and duties of the Governor and other executive and administrative officers, and of the several administrative departments, boards, commissions, and officers; fixing the salaries of the Governor, Lieutenant Governor, and certain other executive and administrative officers; providing for the appointment of certain administrative officers, and of all deputies and other assistants and employes in certain departments, boards, and commissions; and prescribing the manner in which the number and compensation of the deputies and all other assistants and employes of certain departments, boards and commissions shall be determined,' further providing for gubernatorial appointments; further providing for boards of trustees of State institutions; increasing the membership on the State Board of Education and the State Veterans' Commission; establishing the Pennsylvania Academic Commission on Technological Development and providing for its powers and duties; further providing for membership on the Council of Higher Education; excluding State colleges and universities from certain requirements relating to purchases of printing supplies; imposing additional limitations relating to publications; providing for notice to certain municipalities; further providing for the powers and duties of the Department of Public Welfare; further providing for the powers and duties of the State Board of Occupational Therapy Education and Licensure; transferring certain fees to the Historical and Museum Commission; and making a repeal."

I have approved this legislation because it includes necessary and important amendments to the Administrative Code of 1929 but I have serious concerns pertaining to section eleven which must be addressed by remedial legislation. This section requires that every applicant for a Department of Environmental Resources permit relating to air quality, water allocation, water obstruction, water quality, solid waste and hazardous waste provide written notice of the permit application to the affected municipalities. The Department would be prohibited from issuing any of these permits until the municipality has been in receipt of the notice for 30 days for all permits other than solid and hazardous waste permits, which require a 60 day waiting period.

While the intent of providing affected municipalities with a time period for comment before a permit may be issued has merit, the legislation is defective because it does not provide the Department with flexibility to deal with emergencies. For example, during a drought the Department must often issue water allocation permits allowing the use of emergency alternate sources of drinking water. Similarly, water obstruction permits are often issued during floods to prevent further flooding and to clear debris immediately following a flood. Obviously, the public health and safety could be endangered if the Department of Environmental Resources was barred from issuing emergency permits in these and similar circumstances.

Despite these concerns, I am approving this legislation at this time because officials of the Department of Environmental Resources have been assured by legislative leaders that remedial legislation will be forthcoming to correct this defect prior to the effective date of this legislation. I urge the members of the General Assembly, therefore, to act promptly and expeditiously to adopt the required amendments to this legislation.

Dick Thornburgh
Governor

BILL ON THIRD CONSIDERATION

The House proceeded to third consideration of **HB 1569, PN 1949**, entitled:

A Joint Resolution proposing an amendment to the Constitution of the Commonwealth of Pennsylvania, authorizing a tax exemption to surviving spouses of certain veterans.

On the question,

Will the House agree to the bill on third consideration?

Bill was agreed to.

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

The question is, shall the bill pass finally?

The Chair recognizes the gentleman from Allegheny, Mr. Markosek, on final passage.

Mr. MARKOSEK. Thank you, Mr. Speaker.

I would like to speak on behalf of HB 1569 and urge all members to vote in the affirmative for this bill. This bill helps a small number of spouses of disabled veterans here in our State. What, in effect, this bill does is continue the property tax exemption for these spouses even after their spouses have died. What we see happening in this State is very often many disabled veterans pass away, and as a result of their passing, the estate that they lived on is put back onto the property tax rolls, and their spouses, often living under a fixed income, very brief income, must bear the costs of those property taxes. This bill will help a small number of spouses of disabled veterans. Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

On the question recurring,

Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.
