Amend First Resolve Clause, page 3, line 26, by inserting after "needs"

and thereby ensure that parents have the freedom to choose the type of child care most appropriate to their needs and that states are provided the resources necessary to fulfill their responsibility to adopt standards which will ensure safety and quality of care

On the question,

Will the House agree to the amendments?

The SPEAKER. On that question, the gentleman from York, Mr. Snyder, is recognized.

Mr. G. M. SNYDER. Thank you, Mr. Speaker.

My amendment basically does—

The SPEAKER. Will the gentleman suspend?

The gentleman from Berks, Mr. Davies, rises. For what purpose does the gentleman rise?

Mr. DAVIES. Mr. Speaker, we did not receive the amendment. Is it being distributed?

The SPEAKER. The Speaker is of the understanding that the amendment has been distributed. Are members in receipt of the amendment? Will someone please furnish Mr. Davies with a copy of the amendment.

Mr. Snyder from York is recognized on the amendment.

Mr. G. M. SNYDER. Thank you again, Mr. Speaker.

Mr. Speaker, my amendment and the purpose of my amendment is very simple, and that is to change the language of HR 43 so that those Federal Representatives in Washington, when they receive this resolution, will understand that it is the sense of the House that indeed we are very interested in high-quality and affordable child care for all families, and also, that we are interested in seeing that the parents of children essentially remain in control of the kind of child care that they seek to choose for their children. Thank you, Mr. Speaker.

The SPEAKER. The question is on the Snyder amendment. On that question, the Chair recognizes, from Lehigh County, Representative Ritter.

Ms. RITTER. Mr. Speaker, we do not have a copy of that amendment on this side.

The SPEAKER. Will the pages see to it that copies of the amendment are distributed to those members who do not have copies. Will those members who do not have copies indicate so the pages may seek thee out.

On the question recurring,
Will the House agree to the amendments?
