

COMMONWEALTH OF PENNSYLVANIA

LEGISLATIVE JOURNAL

MONDAY, MAY 21, 1990

SESSION OF 1990 174TH OF THE GENERAL ASSEMBLY

No. 30

HOUSE OF REPRESENTATIVES

The House convened at 1 p.m., e.d.t.

THE SPEAKER (ROBERT W. O'DONNELL) PRESIDING

PRAYER

REV. CLYDE W. ROACH, Chaplain of the House of Representatives, from Harrisburg, Pennsylvania, offered the following prayer:

Let us pray:

Almighty God, Your servant, the late Charles A. Tindley, whose home and that of our Speaker is Philadelphia, penned these lines in a well-known hymn:

When the storms of life are raging, stand by me,
When the storms of life are raging, stand by me,
When the world is tossing me, Like a ship upon the
sea;

Thou, who ruleth wind and water, stand by me.

In the midst of faults and failures stand by me,
In the midst of faults and failures stand by me,
When I do the best I can, And my friends mis-
understand;

Thou, who knoweth all about me, stand by me.

We in this House of Representatives easily identify with the thoughts expressed in this old hymn of the church and ask You, Dear Father, to stand beside us in all that we do.

In Your dear name we pray. Amen.

It is the result of a contact by the Health Department asking that this language be included so that the concept will be workable, and I would ask for the support of this amendment.

The SPEAKER pro tempore. The Chair thanks the gentleman.

BILL PASSED OVER TEMPORARILY

The SPEAKER pro tempore. Without objection, HB 1665 will go over temporarily, awaiting the Pistella amendment. The Chair hears no objection.

RESOLUTION

Ms. MAINE called up **HR 268, PN 3290**, entitled:

Requesting the Pennsylvania Game Commission to direct immediate attention to relieving the effects of deer overpopulation on the Commonwealth's growing crops, timber and horticultural resources, to execute a deer "hot-spot" management plan in six months, and to periodically report the success of this action to the House Game and Fisheries Committee.

On the question,

Will the House adopt the resolution?

The SPEAKER pro tempore. The Chair recognizes the gentleman, Mr. Wass. For what purpose does the gentleman rise?
Mr. WASS. Mr. Speaker, to interrogate the maker of the resolution.

The SPEAKER pro tempore. The lady, Ms. Maine, consents to being interrogated, and the gentleman from Indiana may proceed.

Mr. WASS. Mr. Speaker, the resolution being proposed today, of course, relates to deer damage, and I believe in your area you have had deer damage to the extent where it has promoted this resolution.

Can you expand on that for a minute, Mr. Speaker?

Ms. MAINE. Thank you, Mr. Speaker.

According to a comparison of deer population to established population goals, a great number of counties are over goal and are creating a great deal of damage to crops and timber in the areas. Our county, for instance, is not the worst. We suffer from a 27-percent overpopulation. Indiana County is a little bit better, with only 9 percent over their goal. There are some counties that are as high as 177 percent over goal, so you can see that this is a sincere problem that we hope to address.

Mr. WASS. Thank you very much, Mr. Speaker.

Will the House adopt the resolution?

CONSIDERATION OF HB 1665 CONTINUED

On the question recurring,
Will the House agree to the bill on third consideration as amended?

Mr. PISTELLA offered the following amendments No. A1404:

Amend Title, page 1, line 13, by inserting after "requiring" parents to furnish

Amend Title, page 1, lines 13 and 14, by striking out "of parents on birth certificates"

Amend Sec. 1 (Sec. 401), page 2, lines 13 through 18, by striking out "The Social Security number of each parent, if" in line 13, all of lines 14 through 18 and inserting

The Social Security number or numbers of each parent shall be obtained and maintained separately by the department in a fashion that permits routine screened inquiries, unless there is good cause for not requiring the furnishing of such number or numbers in accordance with Federal regulations. This information is considered confidential and is to be made available only to Federal and State agencies responsible for establishing paternity or enforcing child support orders.

Amend Sec. 2 (Sec. 403), page 3, line 1, by inserting after "number"

or numbers

Amend Sec. 2 (Sec. 403), page 3, line 1, by striking out "if ascertainable,"

On the question,
Will the House agree to the amendments?

The SPEAKER pro tempore. On the question, the Chair recognizes the gentleman from Allegheny, Mr. Pistella.

Mr. PISTELLA. Thank you, Mr. Speaker.

Mr. Speaker, this amendment would propose to change the language contained in HB 1665. The original intention of that language contained in that bill was to provide for the Social Security numbers of parents to be placed upon birth certificates. The amendment that I am offering will provide that the Social Security numbers shall be maintained separately by the department in order to avoid the possibility or the potential for clerical errors, thereby invalidating such documents and creating confusion or problems in the distribution of those documents.

This amendment will provide for conformance with the Federal Family Support Act of 1988, and I would encourage the adoption of the amendment. Thank you.

Will the House agree to the amendments?

WHEREAS, Mr. McCandless represented many things to many people, among them a beloved family man, dedicated legislator and avowed community steward. Active in politics, he was county deputy sheriff for two years prior to running for county commissioner, an office he held from 1948-1956. He was a state representative for three terms and also served as Center Township supervisor and township secretary; and

SENATE MESSAGE

**AMENDED HOUSE BILLS
RETURNED FOR CONCURRENCE**

The clerk of the Senate, being introduced, returned **HB 820, PN 3465; HB 1139, PN 3467; and HB 1781, PN 3466**, with information that the Senate has passed the same with amendment in which the concurrence of the House of Representatives is requested.

**SUPPLEMENTAL CALENDAR A
BILL ON CONCURRENCE
IN SENATE AMENDMENTS
TO HOUSE AMENDMENTS**

The clerk of the Senate, being introduced, returned the following **SB 904, PN 2170**, with information that the Senate has concurred in the amendments made by the House by amending said amendments in which the concurrence of the House of Representatives is requested:

An Act to provide additional appropriations from the General Fund for the expenses of the Executive and Judicial Departments of the Commonwealth for the fiscal year July 1, 1989, to June 30, 1990, and for the payment of bills incurred and remaining unpaid at the close of the fiscal year ending June 30, 1989.

On the question,
Will the House concur in Senate amendments to House amendments?

The SPEAKER pro tempore. Moved by the majority leader that the House concur in the amendments inserted by the Senate.

PARLIAMENTARY INQUIRY

The SPEAKER pro tempore. The Chair recognizes the gentleman from Berks, Mr. Davies. For what reason does the gentleman rise?

Mr. DAVIES. A parliamentary inquiry, Mr. Speaker.

The SPEAKER pro tempore. The gentleman is in order, and he may state his parliamentary inquiry.

Mr. DAVIES. If I would want to offer an amendment, I would have to ask for suspension of the rules. Would that be in order at this time?

The SPEAKER pro tempore. The gentleman is correct, and a move to suspend the rules is in order.

MOTION TO SUSPEND RULES

Mr. DAVIES. Mr. Speaker, I would request that we suspend the rules.

The SPEAKER pro tempore. The gentleman from Berks moves that the House suspend its rules to consider his amendment to SB 904.

On the question,

Will the House agree to the motion?

The SPEAKER pro tempore. The suspension of the rules is a nondebatable motion except for the two floor leaders.

The Chair at this time recognizes the majority leader.

Mr. DeWEESE. Mr. Speaker, I would respectfully request that the membership not allow for the suspension of the rules. If we further amend the proposal, it will have to be returned again to the Senate. That will unnecessarily delay the hospitals from receiving their inpatient funding and also for a variety of other worthy projects to be funded. So I would respectfully request that at this time the gentleman's request not be honored. Thank you.

The SPEAKER pro tempore. The Chair recognizes the minority leader, Mr. Ryan.

Mr. RYAN. Mr. Speaker, the gentleman who has moved to suspend the rules indicates that the need for this additional \$315,000 appropriation to the veterans' emergency assistance program comes about because a young man, a Vietnam veteran, apparently is unable to get two checks for some \$400 each released due to the lack of funds and that this appropriation will make those funds available. Because of that, he feels the need for us to address this issue immediately and is suggesting that the rules be suspended to permit this.

I have no other amendments, incidentally, Mr. Speaker, at this time.

The SPEAKER pro tempore. The question recurs, will the House suspend its rules to consider the Davies amendment? On that motion, the majority leader wishes to be further recognized.

Mr. DeWEESE. We were not aware, Mr. Speaker, of the gentleman, Mr. Davies' dilemma, and I would speculate that the other chamber could conceivably come up with other challenges that would parallel the gentleman from Berks' concern. Therefore, in the interest of not allowing this procedure to

become a political tennis match, I would respectfully request that the gentleman's request not be allowed. Thank you.

On the question recurring,
Will the House agree to the motion?

The following roll call was recorded:
