

COMMONWEALTH OF PENNSYLVANIA

LEGISLATIVE JOURNAL

FRIDAY, AUGUST 2, 1991

SESSION OF 1991

175TH OF THE GENERAL ASSEMBLY

No. 69

HOUSE OF REPRESENTATIVES

The House convened at 2:40 p.m., e.d.t.

**THE SPEAKER (ROBERT W. O'DONNELL)
PRESIDING**

PRAYER

REV. CLYDE W. ROACH, Chaplain of the House of Representatives, from Harrisburg, Pennsylvania, offered the following prayer:

Let us pray:

Gracious God our Father, we know that You specialize in things that seem impossible and that our extremity is Your opportunity.

It is commonly reported that our budget process has hit a snag, an impasse.

Will You not make this impasse a stepping-stone and use our legislators as Your instrumentalities to prove that man's problems are Your opportunities, for we know beyond any reasonable doubt that You do specialize in things that are impossible and that You will move swiftly to resolve our dilemma.

In Your dear name we pray. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative and the bill passed finally.

Ordered, That the clerk return the same to the Senate with the information that the House has passed the same without amendment.

* * *

The House proceeded to third consideration of **HB 713, PN 790**, entitled:

An Act amending Title 18 (Crimes and Offenses) of the Pennsylvania Consolidated Statutes, prohibiting the possession of a firearm or other dangerous weapon in a court facility.

On the question,

Will the House agree to the bill on third consideration?

Mr. STABACK offered the following amendments No. A2244:

Amend Sec. 1 (Sec. 913), page 3, line 8, by inserting after "persons"

lawfully

Amend Sec. 1 (Sec. 913), page 3, lines 8 and 9, by striking out "pursuant to section 6106(b) or 6109"

On the question,

Will the House agree to the amendments?

The SPEAKER. On that question, the Chair recognizes Mr. Staback.

Mr. STABACK. Thank you, Mr. Speaker.

Amendment A2244 would require the counties to make available facilities for the temporary checking of all guns, including long-barreled rifles and shotguns, and not just those types that one would need a license to carry, as referred to in sections 6106 and 6109 of the Uniform Firearms Act.

Mr. Speaker, the amendment is agreed to and has the full support of the National Rifle Association and a whole host of other sportsmen's clubs across the State, and I ask for an affirmative vote.

Mr. GODSHALL. Point of order, Mr. Speaker.

What Staback amendment is being addressed?

The SPEAKER. A2244.

The Chair assumes that concludes the gentleman's parliamentary inquiry?

Has the gentleman, Mr. Staback, completed his remarks?

Mr. STABACK. Yes, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

Is there anyone seeking recognition on this amendment?

The Chair recognizes Mr. Godshall.

Mr. GODSHALL. I support the Staback amendment and at the same time withdraw amendment No. 1261, which really accomplishes the same thing that the Staback amendment 2244 accomplishes.

It is a good amendment and I agree with it, and I ask for your support.

On the question recurring,

Will the House agree to the amendments?

On the question,

Mr. STABACK offered the following amendment No. A1965:

Amend Sec. 1 (Sec. 913), page 2, by inserting between lines 25 and 26

(3) To the carrying of rifles and shotguns by instructors and participants in a course of instruction provided by the Pennsylvania Game Commission under 34 Pa.C.S. § 2704 (relating to eligibility for license).

On the question,

Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes Mr. Staback.

Mr. STABACK. Thank you, Mr. Speaker.

Amendment 1965 is simply intended to allow court facilities to be used as potential sites where hunter safety courses can be conducted. The amendment also is agreed to. It has the support of the Game Commission as well as the Pennsylvania Federation of Sportsmen's Clubs, and I ask for an affirmative vote here as well.

The question was determined in the affirmative, and the amendment was agreed to.

On the question recurring,

Will the House agree to the bill on third consideration as amended?

Mr. MAYERNIK offered the following amendments No. A2180:

Amend Title, page 1, line 2, by inserting after "Statutes," further providing for a prohibited offensive weapons exemption for liquor control enforcement officers; and

Amend Bill, page 1, lines 6 and 7, by striking out all of said lines and inserting

Section 1. Section 908(d) of Title 18 of the Pennsylvania Consolidated Statutes is amended by adding a paragraph to read: § 908. Prohibited offensive weapons.

(d) Exemptions.—The use and possession of blackjacks by the following persons in the course of their duties are exempt from this section:

(1) Police officers, as defined by and who meet the requirements of the act of June 18, 1974 (P.L.359, No.120), referred to as the Municipal Police Education and Training Law.

(2) Police officers of first class cities who have successfully completed training which is substantially equivalent to the program under the Municipal Police Education and Training Law.

(3) Pennsylvania State Police officers.

(4) Sheriffs and deputy sheriffs of the various counties who have satisfactorily met the requirements of the Municipal Police Education and Training Law.

(7) Liquor Control Board agents who have satisfactorily met the requirements of the Municipal Police Education and Training Law.

(8) Liquor control enforcement officers who have successfully completed the Liquor Control Enforcement Training Program as provided by the Pennsylvania State Police.

Section 2. Title 18 is amended by adding a section to read: Amend Sec. 2, page 4, line 4, by striking out "2" and inserting

3

On the question,
Will the House agree to the amendments?

The SPEAKER. On that question, the Chair recognizes Mr. Mayernik.

Mr. MAYERNIK. Thank you, Mr. Speaker.

This amendment would permit liquor control enforcement officers who have successfully completed the Liquor Control Enforcement Training Program as provided by the Pennsylvania State Police, it would permit them to carry blackjacks.

In the past, this Assembly has approved similar legislation for Liquor Control Board agents, but subsequent to the approval of the legislation, the law was changed in technically changing our name from Liquor Control Board agents to liquor control enforcement officers.

So this is a technical change. The individuals are the same individuals but it is by another title. I would ask for an affirmative vote on this.

The SPEAKER. The Chair recognizes Mr. Godshall.

Mr. GODSHALL. Thank you, Mr. Speaker.

I also rise to ask for an affirmative vote on the Mayernik amendment and also then on final passage of the bill, which I totally agree with. Thank you very much.

On the question,

Will the House agree to the bill on third consideration as amended?

Mr. CARLSON offered the following amendments No. A2238:

Amend Title, page 1, line 2, by inserting after "Statutes," further providing for personal plates;

Amend Bill, page 1, lines 5 and 6, by striking out all of said lines and inserting

Section 1. Section 1341 of Title 75 of the Pennsylvania Consolidated Statutes is amended to read:

§ 1341. Personal plate.

Upon request by the applicant, the department may issue registration plates consisting of any combination of numbers, letters or numbers and letters. These special plates may be issued for special groups or for special purposes and bear an appropriate

designation. They shall have the same force and effect as regular registration plates. The department may refuse any combination of letters and numbers for cause and shall adopt reasonable rules and regulations for the issuance of the plates and for carrying out the provisions of this section. Regulations which provide for gross weight limitations shall not apply to motor homes. The applicant shall comply with all laws and regulations pertaining to registration including the payment of any additional fees.

Section 2. Title 75 is amended by adding a section to read:

Amend Sec. 2, page 1, line 11, by striking out "2" and inserting

3

On the question,

Will the House agree to the amendments?

The SPEAKER. On that question, the Chair recognizes Mr. Carlson.

Mr. CARLSON. Thank you, Mr. Speaker.

This amendment 2238 under present statute of the motor vehicles for personal plates limits it to 9,000 pounds, and this would include motor homes that are so prevalent around the State of Pennsylvania and Penn State and other areas. I have had several requests for this. It would only apply to motor homes, and it is my understanding that it is an agreed-to amendment. Thank you.

The SPEAKER. The Chair recognizes Mr. Jarolin.

Mr. JAROLIN. Thank you, Mr. Speaker.

Would the maker of the amendment please stand for a brief interrogation?

The SPEAKER. The gentleman indicates that he will.

Mr. JAROLIN. As it stands right now, mobile homes do have a mobile home license plate. When you put on a vanity plate, which is an extra cost, anything exceeding 9,000 pounds is going to have to be paying an extra rate. At some point, and I will not really go out and oppose the amendment, but I just would like a little bit of a clarification. What may happen to the license plate is the State Police could possibly stop you just to check you for that additional sticker as a vanity plate. So it would read "mobile home" or "Penn State." But the Penn State license or any other vanity license could not go in excess of 9,000 pounds, so the Department of Transportation would possibly have to issue a personal little sticker for that particular mobile home. So we do not create a serious problem with his constituents or my constituents, I would ask Mr. Carlson if he could give me a brief explanation as to that.

Thank you, Mr. Speaker.

Mr. Speaker, the amendment has been explained to me and I will not oppose it. Thank you.

The question was determined in the affirmative, and the amendments were agreed to.

On the question,

Will the House agree to the bill on third consideration as amended?

Mr. MURPHY offered the following amendment No. A2212:

Amend Sec. 2 (Sec. 7717), page 4, lines 6 and 7, by striking out "PENNSYLVANIA LANDOWNERS ASSOCIATION," and inserting

Pennsylvania Chapter of Rails to Trails Conservancy,

On the question,

Will the House agree to the amendment?

The SPEAKER. The Chair recognizes Mr. Murphy.

Mr. MURPHY. Mr. Speaker, this replaces in the bill the Pennsylvania Landowners Association with the Pennsylvania Chapter of Rails to Trails Conservancy. Many of the trails that the snowmobilers in this State want to use are also being developed by the Rails to Trails Conservancy, and I think it would be helpful to have them cooperating in those efforts. Thank you.

On the question recurring,

Will the House agree to the amendment?

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative and the amendments were concurred in.

Ordered, That the clerk inform the Senate accordingly.

* * *

The House proceeded to consideration of concurrence in Senate amendments to **HB 221, PN 2322**, entitled:

An Act providing for the establishment of a summer foreign language academy program for secondary school students throughout this Commonwealth; and providing for powers and duties of the Department of Education.

On the question,
Will the House concur in Senate amendments?

The SPEAKER. It is moved by the gentleman, Mr. Battisto, that the House nonconcur in the amendments inserted by the Senate.

The question recurs, will the House concur in the amendments inserted by the Senate?

For what purpose does the gentleman, Mr. Freind, rise?

Mr. FREIND. To debate the bill, Mr. Speaker.

The SPEAKER. The gentleman is recognized for that purpose. The matter before the House is concurrence in Senate amendments. Debate is limited to the changes made by the Senate and the reasons for or against concurring.

The gentleman is recognized and may proceed.

Mr. FREIND. I appreciate that, Mr. Speaker, and I know that you will assist me if I go far afield.

You do not have to be a genius to know that the reason for this nonconcurrence vote is to dump it into conference so it becomes the vehicle for the educational component to the budget. And that is necessary; ESBE (equalized subsidy for basic education) and special ed, that is necessary. All that will do, however, is maintain the status quo in an educational system which, with some exceptions statewide and nationally, has failed and failed miserably.

The time is now to take action for the first time affirmatively to do something to improve the system.

The SPEAKER. If the gentleman will suspend.

Far is not quite to the point but afield certainly is. The gentleman is anticipating the content of the bill after it comes out of conference, and the matter before the House is the changes made by the Senate.

Mr. FREIND. I appreciate that, Mr. Speaker.

MOTION TO SUSPEND RULES

Mr. FREIND. We know what the issue here is, and for that reason I move that the House suspend the rules so that HB 221 can be amended by amendment 2341, the educational choice legislation.

The SPEAKER. The Chair construes the gentleman's remarks as having concluded his remarks on the substance of concurrence or nonconcurrence. The gentleman was recognized for that limited purpose and was not in order. Therefore, to make the motion at hand, the Chair now recognizes the gentleman, who makes the motion that the rules of the House be suspended to permit an amendment to be offered to HB 221.

For the information of the members, this is not a debatable motion.

On the question,
Will the House agree to the motion?

HOUSE SCHEDULE

The SPEAKER. The Chair recognizes the majority leader for an announcement.

Mr. DeWEESE. Mr. Speaker, after substantial dialogue with Mr. Ryan and with Mr. Loeper and Mr. Mellow and with the men and women involved in our data processing and printing teams, I am told that an optimistic time for the completion of budget and tax documents is early tomorrow evening.

The decision of the floor leader in the House is that we will reconvene here tomorrow night at 7 o'clock. We should have prepared for a long evening, and we should have had our dinner prior to our arrival here.

We are very hopeful that the conclusion of this long ordeal can be realized tomorrow, but I would speculate that it will be a very, very long night. We will report to the floor at 7, and then Democrats, I am told by Mr. Cohen, will report for an immediate caucus.

I would like to at this time defer to the gentleman from Media. I think he has an announcement of his own. Thank you.

The SPEAKER. The Chair recognizes Mr. Ryan.

Mr. RYAN. Thank you, Mr. Speaker.

Mr. Speaker, it is my hope that about 3 o'clock tomorrow afternoon we will—and I would guess that this would be true of the majority side—we will have printouts available. I do not know that and cannot guarantee it, of course. If we do, I will—As soon as we can get printouts of the budget and printouts of the ESBE and anything else that we think is deserving of reproduction and comparison, I will take them or have them taken into our caucus room so that you can come up to the caucus room—I am saying about 3 o'clock—and pick up copies of it.

We will go to caucus shortly after we go into session at 7 o'clock. It is my hope, though, that if you are around, you will first come in and get these materials so that we do not have to spend a lot of time searching for our school districts; you will already have found those areas of interest that pertain to you.

Any of you fellows over on the other side, you can pick up a similar set of these along with your change of registration form.

The SPEAKER. The Chair reminds the members that there will be a roll-call vote at 7 p.m. tomorrow night.

VOTE CORRECTIONS

The SPEAKER. The Chair recognizes Mr. Butkovitz.

Mr. BUTKOVITZ. Mr. Speaker, I wish to correct the record on yesterday's roll calls. There are two votes that I was not recorded as voting on and they should both be listed as "yes" votes - HR 182 and amendment 2316 to HB 1552.

The SPEAKER. The remarks of the gentleman will be spread upon the record.

The Chair recognizes Mr. Wambach.

Mr. WAMBACH. Mr. Speaker, on HR 183 I would like to be recorded in the affirmative.

The SPEAKER. The remarks of the gentleman will be spread upon the record.

The Chair recognizes Mr. Thomas.

Mr. THOMAS. Mr. Speaker, my button malfunctioned on SB 1135. I would like to be recorded in the affirmative.

The SPEAKER. The remarks of the gentleman will be spread upon the record.

BILLS SIGNED BY SPEAKER

The Chair gave notice that he was about to sign the following bills, which were then signed:

VOTE CORRECTIONS

The SPEAKER. The Chair recognizes Mr. Taylor.

The SPEAKER. The Chair recognizes Mr. Tulli.

**SUPPLEMENTAL CALENDAR B

The House proceeded to consideration of concurrence in Senate amendments to **HB 1536, PN 2411**, entitled:

An Act to provide appropriations from the State Lottery Fund, the Pennsylvania Economic Revitalization Fund, the Energy Conservation and Assistance Fund, the Hazardous Material Response Fund, The State Stores Fund and the Emergency Medical Services Operating Fund to the Executive Department; to provide appropriations from the Judicial Computer System Augmentation Account to the Judicial Department; to provide appropriations from the Motor License Fund for the fiscal year July 1, 1991, to June 30, 1992, for the proper operation of the several departments of the Commonwealth and the Pennsylvania State Police authorized to spend Motor License Fund moneys; to provide for the appropriation of Federal funds to the Executive and Judicial Departments of the Commonwealth and for the establishment of restricted receipts accounts for the fiscal year July 1, 1991, to June 30, 1992, and for the payment of bills incurred and remaining unpaid at the close of the fiscal year ending June 30, 1991.

For what purpose does the lady, Mrs. Langtry, rise?
Mrs. LANGTRY. Thank you.

The SPEAKER. The majority leader is moving to nonconcur in this bill, and— The minority leader will explain further.

The Chair recognizes the minority leader.

Mr. RYAN. Mr. Speaker, and members, what is going on at this point with this particular bill is that it is intended to be

nonconcurrent in, at which point it will be put into a conference committee. The conference committee will then place the general appropriations bill in this bill, so the materials that are in it now are going to disappear.

The SPEAKER. It has been moved by Mr. DeWeese that the House not concur in the amendments inserted by the Senate.

The question recurs, will the House concur in the amendments inserted by the Senate? Those in favor of concurrence will vote "aye"; those opposed, "nay."

On the question recurring,

Will the House concur in Senate amendments?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.
