

LEGISLATIVE JOURNAL

MONDAY, MARCH 30, 1998

SESSION OF 1998

182D OF THE GENERAL ASSEMBLY

No. 24

HOUSE OF REPRESENTATIVES

The House convened at 1 p.m., e.s.t.

THE SPEAKER (MATTHEW J. RYAN)
PRESIDING

PRAYER

REV. D. WAYNE BENDER, Chaplain of the House of Representatives and pastor of Paxton United Methodist Church, Harrisburg, Pennsylvania, offered the following prayer:

Let us pray:

O God of history, it is hard for us gathered here in this room not to be reminded of the historical significance of our State to our nation and of the history that has taken place in this room and in this building. As legislators look to the past and to the present to give them insight to the needs of our Commonwealth, let us be in prayer for our future.

In this past week we have been touched by the tragedy of fire taking the futures of 11 young people; we have been touched by the tragedy of children killing children, taking the futures of young children and teachers; and we are ever mindful of the shortness of life.

Help those who serve this House, its members and their staff, to be more conscious of the future than of their role in history. Help them to dream the dreams and have the vision to ensure the future of our Commonwealth and its people. Help them realize the effect of their decisions upon the lives of the children and young people of today as they build a future for their lives filled with opportunity. Help them to be unified in their quest to serve the common good of all the people of our Commonwealth.

This is our prayer. Amen.

PLEDGE OF ALLEGIANCE

Mr. Stern.

Mr. STERN. Thank you, Mr. Speaker.

I would like everyone in the hall of the House today to join me in welcoming a group of young men who belong to the Cen-Penn soccer team. As you can tell by the name, this team represents not only central Pennsylvania but the State of Pennsylvania as well and also the entire United States.

They will travel to England this summer where they will compete in one of the world's most prestigious soccer tournaments — the Manchester Festival Soccer Tournament. Over 300 teams from 20 different nations will participate.

These young men were chosen as much for their good character, their sportsmanship, and their leadership abilities as for their playing skills. They want to make a good impression on their hosts in England.

These gentlemen represent six different school districts. They are from Glendale, Spring Cove, Northern Bedford, Altoona, Hollidaysburg, and DuBois.

Please join me in welcoming these fine young men to the floor of the House along with two of their leaders, Mrs. J. B. Holland and Coach Faber Moyer, as they prepare to represent Pennsylvania and take on the best soccer teams in the world.

Mr. DeLUCA called up **HR 393, PN 3288**, entitled:

A Resolution declaring that March 31, 1998, be observed as "National CCC Recognition Day" in Pennsylvania.

On the question,
Will the House adopt the resolution?

The SPEAKER. Does the gentleman, Mr. DeLuca, desire recognition on HR 393? The gentleman is recognized.

Mr. DeLUCA. Thank you, Mr. Speaker.

Mr. Speaker, I want to say a few words about this resolution, because I think it is important that we all realize what was accomplished with the Civilian Conservation Corps.

On April 23, 1933, the first CCC camp in Pennsylvania was established near Marienville. From that time until its last year of operation in 1941, the Civilian Conservation Corps compiled an impressive list of achievements which are still evident today. From hundreds of miles of stream improvement work, fire suppression projects and wildlife conservation to flood relief, recreation site work, and varied efforts to help stabilize our forest system, the Civilian Conservation Corps was responsible for these projects.

It is impossible to place a dollar figure on the corps' accomplishments in Pennsylvania, but every Pennsylvanian, whether directly or indirectly, has benefited from its works. For that, the Civilian Conservation Corps deserves recognition on its 65th anniversary, and I would encourage every member to take a copy of that resolution back to your district, because there are a lot of people who work in the Civilian Conservation Corps projects that are throughout the State. As a matter of fact, they have an annual meeting once a year, and I would encourage you to bring that resolution back to your district, because there are probably a lot of members that live in your district who have worked on these projects.

Thank you, Mr. Speaker.

REMARKS SUBMITTED FOR THE RECORD

Mr. DeLUCA submitted the following remarks for the Legislative Journal:

- 1) First camp in Pennsylvania and the second CCC camp in the nation established at Duhring, Pennsylvania, 10 miles northeast of Marienville, Pennsylvania, April 23, 1933.
- 2) Helped "grow" the Pennsylvania State Park System and stabilized the Pennsylvania State Forest System. (According to Maurice Goddard.)
- 3) Stopped the scourge of forest fires that regularly plagued the Pennsylvania forests prior to the advent of the CCC.
- 4) Constructed numerous preventative fire suppression measures such as building of fire lookout towers and stringing of hundreds of miles of telephone lines.
- 5) Planted over 50,000 acres of trees on State and national land in Pennsylvania.
- 6) Constructed 2,000 miles of truck trails used for fire suppression.
- 7) Built numerous recreation sites on county, State, and national land within Pennsylvania.
- 8) Accomplished hundreds of miles of stream improvement work.
- 9) Conducted statewide antierosion projects.

- 10) Accomplished thousands of acres of timber survey projects.
- 11) Did massive flood relief work throughout the State in 1936. (Saved millions of dollars of civilian-owned property as well as saving many lives.)
- 12) Conducted the largest night school program for enrollees in the State's history.
- 13) Helped save the white pine population by eradicating the blister-rust threat.
- 14) Helped conserve and foster wildlife growth in the State. (Accomplished through food and cover projects, clearing of ponds and streams, and erecting small bridges and dams.)
- 15) Worked on restoration projects at Gettysburg and Fort Necessity.
- 16) Thousands of young men became proficient in work that offered a means of making a living in the future.

By June 1933, there were 40 camps in the State. That figure doubled by January 1933. The total increased to 90 in 1936. The last year of its full operation (1941), there were 52 operating CCC camps. Each camp had a complement of 200 enrollees and an operating staff of about 20 men. (This included army and civilian personnel who ran the camp and conducted the work projects outside the camp.)

The CCC was a total relief program: It provided work for the hopelessly unemployed young men who were paid \$5 a month; each enrollee's family received an additional \$25 a month while he remained in the CCC; army and civilian personnel gained employment from the CCC; and local communities received an economic infusion from the nearby CCC camps.

The CCC was an expensive program. It cost about \$1,000 per year per enrollee. But the worth of its accomplishments surpassed its costs exponentially. It would be impossible to place a dollar figure on the accomplishments of the CCC in Pennsylvania. Almost every person in Pennsylvania has benefited, directly or indirectly, by the works of the CCC.

That is why the CCC should be recognized on its 65th anniversary on March 31, 1998.

On the question recurring,
Will the House adopt the resolution ?

An Act amending the act of December 10, 1968 (P.L.1158, No.365), entitled "An act creating and establishing the Legislative Data Processing Committee: providing for its membership; prescribing its powers, functions and duties; and making an appropriation," further providing for committee membership and for meetings; and providing for access to computer information systems by persons outside the General Assembly.

On the question,
Will the House concur in Senate amendments as amended by the Rules Committee ?

The SPEAKER. On the question, the Chair recognizes the gentleman from Centre County, Mr. Herman. The gentleman will yield.

The House will come to order; the House will come to order. Conferences on the floor, please break up. Sergeants at Arms, break up the conferences in the rear of the hall of the House.

Mr. Herman.

Mr. HERMAN. Thank you very much, Mr. Speaker.

This legislation will provide access of legislative information to the Governor's Office, the State Treasurer, the State Auditor General, the Attorney General, other members of departments of the State government and the public at large, access to legislative information that we enjoy here as members of the General Assembly.

This legislation as amended by the Senate also makes various changes in the composition of the Legislative Data Processing Committee, of which Representative Michlovic, Representative Stetler, Representative Nailor, and I serve the House as members of that committee.

We have met internally as members of this chamber with our Senate colleagues, and we are in agreement with the changes made by the State Senate as has been made by the House Rules Committee earlier this afternoon. This legislation is now in a position to be voted on and sent back to the State Senate for their concurrence. This legislation is agreed to by all of us who have worked very diligently on its language and also agreed to by the leadership of all four caucuses in the General Assembly.

I would appreciate everyone's affirmative support. Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

The Chair recognizes the gentleman, Mr. Michlovic.

Mr. MICHLOVIC. Thank you, Mr. Speaker.

I wish to concur in my colleague, Lynn Herman's comments. We have worked on this for some time, and in fact several sessions, trying to get this legislation passed. The advent of new technology is requiring us to pass something like this before the Legislative Data Processing Committee can do its work and open up our computer and our process to public access.

So we need this legislation. I strongly urge all my colleagues to vote approval of HB 1347.

**THE SPEAKER PRO TEMPORE
(PATRICIA H. VANCE) PRESIDING**

On the question recurring,

Will the House concur in Senate amendments as amended by the Rules Committee?

The SPEAKER pro tempore. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.
