LEGISLATIVE JOURNAL

TUESDAY, JANUARY 25, 2005

SESSION OF 2005

189TH OF THE GENERAL ASSEMBLY

No. 5

HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.s.t.

THE SPEAKER PRO TEMPORE (JERRY BIRMELIN) PRESIDING

PRAYER

REV. LOUISE WILLIAMS BISHOP, member of the House of Representatives, offered the following prayer:

Thank you, Mr. Speaker.

Let us pray:

This is the day the Lord has made and given unto us, and we will rejoice and be glad in it.

Thank You, Father, for another beautiful day and another year to serve You and Your people. New beginnings always bring about new opportunities for us in the House of Representatives to make new commitments to take advantage of every opportunity that You have laid before us to be of service to mankind, for You have indeed opened up the floodgates so that Your mercies can rain down upon us, affording us new chances to correct the failures of yesterday and also to rededicate ourselves to working toward all quality-of-life issues for all of the citizens in the Commonwealth of Pennsylvania.

May Your face shine upon us as we go forth today. Bless all who are connected with this House – staff, members, constituents, all who make up this great Commonwealth. Bless us with Your loving kindness and Your tender mercies, and may Your grace shine upon us, and may Your glory eternally surround us. May Your peace strengthen us and be established within each and every one of us.

We ask these and all blessings in Your name. Amen.

PLEDGE OF ALLEGIANCE

**RADNOR HIGH SCHOOL BOYS
SOCCER TEAM PRESENTED**

The SPEAKER pro tempore. At this time the Chair recognizes the gentleman, Mr. Adolph, for the presentation of a citation.

Mr. ADOLPH. Mr. Speaker, it gives me great pleasure to introduce the Radnor High School Boys Soccer Team, who recently captured both the 2004 PIAA District I Class AA Championship and the 2004 PIAA State Class AA Boys Soccer Championship.

The Radnor Raiders were led by head coach Kyle Shilcock-Elliot and assistant coaches Joe Caruolo, Rob Dallas, and Chas Fortsecue.

During an amazing season, this team won eight consecutive postseason games to capture the school's first-ever boys State soccer title.

It is with great pleasure that I present the team with a citation from the Pennsylvania House of Representatives in recognition of their outstanding record, team sportsmanship, and commitment to athletic excellence. This team has truly set the bar for all future Radnor boys soccer teams to aspire.

I want to inform my colleagues that during the regular season, this team had a 7-and-8 record, pretty average season, and all of a sudden they got red-hot and won eight straight postseason games. So I think what this tells me is that the underdog can certainly come through in championships, which goes well for the Philadelphia Eagles in the Super Bowl, because no team is hotter right now than the Philadelphia Eagles.

I also would like to introduce Representative Tom Gannon, who would like to say a few words. No, he does not want to say a few words. That is very unusual. Okay.

Representative Vitali also represents sections of Radnor School District.

In the back of the House is the Radnor Raiders Soccer Team. Would you please stand up, and I ask my colleagues to give them a round of applause.

Thank you very much, and congratulations to the Radnor Raiders.

CALENDAR

RESOLUTION PURSUANT TO RULE 35

Mr. HERMAN called up **HR 25, PN 22**, entitled:

A Resolution expressing condolences to the people of the countries surrounding the Indian Ocean and Andaman Sea who suffered loss of loved ones and property on December 26, 2004, as the result of devastating tidal waves in the region; commending public officials and agencies for their financial and personal support of the victims of this devastation; and encouraging ongoing donations from the private sector.

On the question,
Will the House adopt the resolution?

The SPEAKER pro tempore. Members, please take your seats. Sergeants at Arms, please help the members to find their seats. I know it is the beginning of a 2-year session and some perhaps have moved and are not familiar with their new locations. Members, please take your seats.

For the members' attention, if you will look at the resolution that is before you to be voted on, it is expressing the condolences of the people of Pennsylvania to those who suffered the horror of the tsunami in the Indian Ocean, and I know that we do a lot of resolutions here and sometimes

we lose track of what they are saying or doing, but this one in particular I think deserves some more respect perhaps than some others in the past have.

The Chair at this time invites anyone who wishes to comment on that particular resolution to do so. Are there any members who wish to make comments on this resolution?

The Chair recognizes the gentleman, Mr. Herman.

Mr. HERMAN. Thank you very much, Mr. Speaker.

I thank everyone who has joined me in cosponsoring this resolution expressing condolences to families who are the victims of the tsunami in Southeast Asia, but this really comes about as a result of a number of community leaders I am working with in State College Borough and at Penn State University. They are really trying to make an effort to let everyone know across the world that they are being supported by our Federal, State, and local government officials and also communities at large. So anyone who wants to donate to them, obviously, I have available to me the various Web sites that you can do so, and I certainly would appreciate a unanimous vote on this occasion.

Thank you, Mr. Speaker.

The SPEAKER pro tempore. The Chair thanks the gentleman.

On the question recurring,

Will the House adopt the resolution?

The following roll call was recorded:

ORGANIZATION OF STANDING COMMITTEES

The SPEAKER pro tempore. Members should pay careful attention to this next announcement. This regards the formation of our committees and their organization here this morning.

We are now going to organize the committees. I will read the different committees by group. In other words, there will be some four or five committees at a time that are being organized. If you are a member of the committees that I announce, please proceed to that committee's location. If you are a member of

more than one committee, then as promptly as possible go from one to the other so that they may organize in your presence and recognize it.

Committee chairmen, as soon as you have met, please come back, go to a microphone, and report as to whether or not your committee has met and organized.

GROUP I

The SPEAKER pro tempore. Group I. If you belong in any of these committees, please meet with Group I at the appropriate location. If you are on the Aging and Older Adult Services Committee, you are meeting in the Governor's entranceway - that is to the Chair's left, to your right. The Agriculture and Rural Affairs Committee will meet in the rear of the House by the door to the Post Office - that would be, as you are leaving, to your right. The Appropriations Committee will meet in the well of the House, right here in front of the Speaker's desk. Commerce will meet in the rear of the House by the members' lounge entrance, so as you are going to the back, go to your left. And the Tourism and Recreational Development Committee will meet in the lobby of the Post Office - as you go back through the doors to the right, in that area where the mailboxes for the members are located.

I will read them for you rather quickly now one more time, and as soon as I am finished, please proceed to your location: Aging and Older Adult Services, Governor's entranceway; Agriculture and Rural Affairs, rear of the House by the door to the Post Office; Appropriations, in the well of the House; Commerce, at the rear of the House by the members' lounge entrance; and Tourism and Recreational Development, at the Post Office lobby.

Members may proceed to those locations.
