THE SPEAKER PRO TEMPORE (MATTHEW E. BAKER) PRESIDING

PRAYER

REV. HAROLD L. MELE, JR., Chaplain of the House of Representatives, offered the following prayer:

Let us pray:

Heavenly Father, I lift up these men and women of the Pennsylvania House of Representatives to You. I know that our leaders' hearts are in Your hands, so I ask You to guide the leaders of our Commonwealth in the way You would have them to go.

Father, I pray that You would surround our Representatives with wise counsel, men and women of integrity who place Your agenda and the good of this Commonwealth above their own and whose motives are for that which is right. I pray that You would give our leaders discernment, understanding, and knowledge that this great Commonwealth may know stability internally and externally.

I give thanks for these leaders, according to Your Word, and thank You for working in and through them so that we might lead peaceable lives in godliness and honesty.

Bless this day with Your presence. I pray all these things in our Heavenly Father's name.

Amen.

OWEN J. ROBERTS HIGH SCHOOL MARCHING BAND PRESENTED

The SPEAKER pro tempore. The Chair welcomes the gentleman, Mr. Schroder, for a presentation of a citation. Mr. Schroder is accompanied by Representative Tim Hennessey. Will all members please take your seats.

The gentleman may proceed.

Mr. SCHRODER. Thank you, Mr. Speaker, and good afternoon.

It is an honor for Representative Tim Hennessey and I to have here with us today in the hall of the House the Owen J. Roberts High School Marching Band.

First, we would like to congratulate the band on its great accomplishment, taking first place in the Yankee Conference A Division State Championship. This is an exceptional achievement.

The Owen J. Roberts High School Band has an impressive track record. In 2000 they placed third, and in 2001, 2002, and 2003, they placed second. It has taken motivation, hard work, and commitment, but they finally reached their goal of winning first place and being a State champion.

Your band director, instructors, and coordinators have also worked hard. Their instruction and leadership should be recognized as an essential part in assisting the band in taking the number one spot.

I would also like to take time to acknowledge the parents, school board members, and residents in your community that have supported you throughout the year. Mr. Todd Mengel, band director; staff coordinator; many instructors; and all members of the band, we applaud you on your accomplishments.

Joining Representative Hennessey and I today at the podium are Todd Mengel, band director; Renee Henley, drum major; Alicia Wyler, drum major; Charlee Ledford, color guard captain.

At this time we are proud to present a citation from the Pennsylvania House of Representatives to the Owen J. Roberts

High School Marching Band, recognizing your achievement of winning first place in your division at the Cavalcade of Bands State Championship and also for receiving special recognition for best visual, best music, and best color guard in the competition.

At this time I would like to ask the Owen J. Roberts Band, which is seated at the rear of the floor of the House, if they will please rise, and let us give them all a big round of applause.

The SPEAKER pro tempore. The Chair recognizes the gentleman, Representative Hennessey.

Mr. HENNESSEY. Thank you, Mr. Speaker. Thank you, Representative Schroder.

It is a pleasure for me to join in this celebration honoring the Owen J. Roberts High School Marching Band.

Owen J. Roberts was named after United States Supreme Court Justice Owen J. Roberts, and the kids in the band and at that school generally have carried on his tradition of excellence in everything they do.

We have been here before to honor Owen J. teams in football and sports, but it is not just in sports. As you heard today, it is a high school marching band. They won— Actually, my history goes back a little bit further perhaps than Curt’s; I am an older man. But the Owen J. Roberts High School Band won the State championship in the 1999 Cavalcade of Bands, and they are back here today to repeat that performance, a new generation of kids but the same excellence in their productions. They were recognized not just for having the best marching band but for having the best music, the best visual, and the best color guard. So it is certainly a pleasure for me to join in this celebration and the recognition of their excellence.

Thank you.

The SPEAKER pro tempore. The Chair thanks the gentleman.

**“THERE OUGHT TO BE A LAW”
ESSAY WINNERS INTRODUCED**

The SPEAKER pro tempore. The Chair recognizes the gentleman, Mr. Reichley, for an introduction.

Mr. REICHLEY. Thank you, Mr. Speaker.

As I am sure many of the members do in the course of the legislative session, my office sponsored an essay contest last fall entitled “There Ought To Be a Law” for fourth graders in the school districts within the 134th District. This gave an opportunity to our young citizens in Pennsylvania, at least in my district in Lehigh and Berks Counties, to give their thoughts to me about the changes which they seek to be made in State law, and the essays were quite interesting and rewarding to be able to read. Through a three-panel judge that evaluated the entries, I have the five winners here today of that essay contest. Mr. Speaker?

The SPEAKER pro tempore. Members, please clear the aisles. Take your seats. The gentleman is entitled to be heard.

Mr. REICHLEY. Thank you, Mr. Speaker.

So I have them here today, along with their parents. We also have their teacher, Mrs. Domitrovitsch, from Jefferson Elementary, along with the principal, Lynette Smith, in the gallery.

If I could at this time introduce my guests, who are to my left. We have Bobby Hutchinson from the Jefferson Elementary School, whose topic was a vacation day for school students.

Bobby, are you there? We also have Madeline Smith from the Jefferson School, who wrote on her concern about having security cameras on highways to cut down on motor vehicle offenses. Stephanie Ross from the Shoemaker Elementary School, who wrote to my colleagues in Philadelphia that there should not be any smoking in restaurants anymore. Brittany Daniels from the Jefferson Elementary School, who wrote that drivers should be tested every 20 years. And then the essay contestant who was found to be the award winner, Alissa Delhagen from the Jefferson Elementary School, who wrote that the use of hand-held cell phones should be prohibited while people are driving.

In response to this request, I submitted HB 945 this morning, which would do just that which Alissa indicated. It would prohibit the use of hand-held cell phones on roads with speed limits over 25 miles per hour.

I would like to congratulate the essay award winners and recognize their parents, the principal, and their teacher in the gallery.

Thank you.

The SPEAKER pro tempore. The Chair thanks the gentleman.

REMARKS SUBMITTED FOR THE RECORD

Mr. PETRI submitted the following remarks for the Legislative Journal:

Mr. Speaker, it is my privilege to bring to the attention of the Speaker and the members of the Pennsylvania House of Representatives the names of Christopher M. Long, Theodore J. Szanajda III, Christopher H. MacGahan, and G. Zachary Glaeser, who have recently been awarded Scouting's highest honor – Eagle Scout.

Mr. Speaker, I would like to read to the members of the House of Representatives the following citation of merit honoring Christopher M. Long, Theodore J. Szanajda III, Christopher H. MacGahan, and G. Zachary Glaeser.

Whereas, Christopher M. Long, Theodore J. Szanajda III, Christopher H. MacGahan, and G. Zachary Glaeser earned the Eagle Award in Scouting. This is the highest award that Boy Scouts can bestow and as such represents great sacrifice and tremendous effort on the part of these young men. They are members of Troop 145.

Now therefore, Mr. Speaker and members of the House of Representatives, it is my privilege to congratulate and place in the Legislative Journal the names of Christopher M. Long, Theodore J. Szanajda III, Christopher H. MacGahan, and G. Zachary Glaeser.

Since I have the microphone, I would just like to announce that last Tuesday at 1:15 p.m., my wife and I became grandparents again, for the fourth time, when my son, Chris, and his wife, Megan, had a little baby girl, and her name is Caroline Grace Flick, and she weighed 8 pounds 6 ounces and was 20 1/2 inches tall. And her aunt and uncle, Mike and Shelli Flick, both teach at Owen J. Roberts, so it is a coincidence that the marching band is here. And she is the small baby sister of Kyle and Brendan.

A majority of the members required by the rules having voted in the affirmative, the question was determined in the affirmative and the motion was agreed to.

On the question recurring,
Will the House agree to the bill on third consideration?

Mr. DALLY offered the following amendment No. **A00115**:

Amend Title, page 1, line 4, by striking out all of said line and inserting

member"; and further providing for rules for licensing and operation.

Amend Bill, page 2, by inserting between lines 8 and 9

Section 2. Section 5(a) of the act, amended February 12, 1988 (P.L.76, No.14), is amended to read:

Section 5. Rules for licensing and operation.

(a) Issuance and fee.—The licensing authority shall license, upon application, any association as defined in section 3 to conduct the game of bingo at one location in the county, which, when in a county of the second class, shall only be in the city, borough or township where the main business office or headquarters of the association is located. Amend Sec. 2, page 2, line 9, by striking out "2" and inserting
3

On the question,
Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentleman, Mr. Dally, to explain the amendment.

Mr. DALLY. Thank you, Mr. Speaker.

This amendment is very simple. It just extends the license period for associations to conduct bingo outside of their normal licenses, such as at a country fair, from 3 to 7 days. This matter was brought to my attention by representatives from the Plainfield Farmers' Fair, who operate a bingo stand on the premises, and they would like to be able to operate that for a 7-day period under one permit. So that is all it does.

And I would also like to thank the prime sponsor of this law, Representative Nailor, for giving me the opportunity to amend his bill.

The SPEAKER. On the amendment, the gentleman, Mr. Nailor.

Mr. NAILOR. Thank you, Mr. Speaker.

I appreciate that. I have no opposition to this amendment.

The SPEAKER. The gentleman is in order.

Mr. PALLONE. Thank you, Mr. Speaker.

Mr. Speaker, amendment 00111 would amend the Bingo Law that has not been amended since it was initially approved many years ago, and in discussions with Representative Nailor, we prefer to go ahead and make his bill move with the amendment from Representative Dally and let it go unamended.

Amendment No. 00113 would allow for an amendment to permit the poker tournaments commonly referred to as Texas Hold 'Em tournaments in our legislative districts without the fear of criminal prosecutions, and in discussions with counsel, we learned that there is an issue of germaneness with this particular legislation, and we will be offering that amendment on another piece of legislation. But with 00111, in discussions with Representative Nailor, we will be trying to find a compromise where we can make some of the amendments to the Bingo Law that more modernize it and bring it into current detail.

Thank you, Mr. Speaker, and I do support the bill.
Thank you.

On the question recurring,
Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.
