SESSION OF 2005

189TH OF THE GENERAL ASSEMBLY

No. 20

HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.s.t.

**THE SPEAKER (JOHN M. PERZEL)
PRESIDING**

PRAYER

REV. HAROLD L. MELE, JR., Chaplain of the House of Representatives, offered the following prayer:

Thank you, Mr. Speaker.

Let us pray:

Our Heavenly Father, we ask today and in the days that are ahead that You raise up this body of lawmakers to be persons of vision and purpose in the sight of God, people of integrity who have been given the ability by God to unify and rally the body of people of the Commonwealth of Pennsylvania.

May this great House be godly examples to those whom they shepherd and guide in every facet of their lives. May they have the ability to make Your ways plain and clear, inspiring those who hear their words to seek a deep and abiding relationship with You, the Father of all.

Lord, give our leaders a voice to speak to the conscience of the Commonwealth. May they use such words that would inspire and motivate each and every one of their constituents. Give us the strength to live victoriously, grow spiritually, and know God intimately.

We pray all these things in our Heavenly Father's name. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

On the question,
Will the House agree to the bill on third consideration?

Mr. **PALLONE** offered the following amendment No. **A00184**:

(2) Producing a declaration of age in print, audible or visual form.

(3) Prompting a cashier for age verification when a purchase of alcohol is recorded by the point-of-sale system.

“Qualified tax liability.” The liability for taxes imposed under Article III, IV or VI of the act of March 4, 1971 (P.L.6, No.2), known as the Tax Reform Code of 1971.

Section 804-A. Use of credit.

(a) Carryover.—

(1) The amount of the alcohol access control tax credit that a taxpayer may use against any one qualified tax liability during any year may not exceed 50% of the qualified tax liability for that taxable year.

(2) If the taxpayer cannot use the entire amount of the alcohol access control tax credit for the taxable year in which the alcohol access control tax credit is first approved, then the excess may be carried over to succeeding taxable years and used as a credit against the qualified tax liability of the taxpayer for those taxable years.

(3) Each time that the alcohol access control tax credit is carried over to a succeeding taxable year, it shall be reduced by the amount that was used as a credit during the immediately preceding taxable year.

(4) The alcohol access control tax credit may be carried over and applied to succeeding taxable years for not more than four taxable years following the first taxable year for which the taxpayer was entitled to claim the credit.

(b) Taxable year to which applied.—An alcohol access control tax credit approved by the department for qualified alcohol access control expense in a taxable year first shall be applied against the taxpayer’s qualified tax liability for the current taxable year as of the date on which the credit was approved before the alcohol access control tax credit is applied against any tax liability under subsection (a).

(c) Limitations.—A taxpayer may not carry back, obtain a refund of or assign an unused alcohol access control tax credit.

Section 805-A. Determination of qualified alcohol access control expenses.

Section 807-A. Limitation on credits.

The cumulative amount of alcohol access control tax credits approved by the department under this article shall not exceed \$5,000,000. If the amount of alcohol access control tax credits applied for by taxpayers in any taxable year exceeds the remaining authorized amount for such credits under this section, then the alcohol access control tax credit to be received by each applicant for that taxable year shall be the product of the remaining authorized amount multiplied by the quotient of the alcohol access control tax credit applied for by the applicant divided by the total of all alcohol access control tax credits applied for by all applicants.

Section 808-A. Pennsylvania S corporation shareholder pass-through.

(a) General rule.—If a Pennsylvania S corporation does not have an eligible tax liability against which the alcohol access control tax credit may be applied, a shareholder of the Pennsylvania S corporation is entitled to an alcohol access control tax credit equal to the alcohol access control tax credit determined for the Pennsylvania S corporation for the taxable year multiplied by the percentage of the Pennsylvania S corporation’s distributive income to which the shareholder is entitled.

(b) Double use of credit prohibited.—A Pennsylvania S corporation and a shareholder of a Pennsylvania S corporation may not claim a credit under this article for the same qualified alcohol access control expense.

Section 809-A. Report to General Assembly.

The secretary shall submit an annual report to the General Assembly indicating the effectiveness of the credit provided by this article not later than March 15 following the year in which the credits are approved. The report shall include the number of taxpayers utilizing the credit as of the date of the report and the amount of credits approved and utilized. The report may also include any recommendations for changes in the calculation or administration of the credit.

Section 810-A. Expiration.

The department may not approve an alcohol access control tax credit under this article for taxable years ending after December 31, 2009.

Section 811-A. Regulations.

The secretary shall promulgate regulations necessary for the implementation and administration of this article.

Amend Sec. 2, page 7, line 21, by striking out "2" and inserting 3

On the question, Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentleman, Mr. Pallone.

Mr. PALLONE. Thank you, Mr. Speaker.

This amendment is relatively innocuous in that it provides for a tax credit incentive to any liquor-controlled establishment, bar, club, beer distributor, anything like that that purchases an electronic reading device that can read the bar code or the electronic strip on the back of a driver's license to ensure that the purchaser of alcoholic beverages is actually 21 years old in Pennsylvania. It just provides or encourages a local liquor establishment or a beer distributor to purchase the piece of equipment to be able to read the magnetic strip on the back of a driver's license. It gives them an incentive to do that, which is a better control on the delivery of the alcoholic beverages in Pennsylvania to make sure that the under-21 crowd does not have access to beer, wine, and other spirits.

The SPEAKER. Mr. Raymond, the gentleman from Delaware.

Mr. RAYMOND. Thank you, Mr. Speaker.

Mr. Speaker, we did not caucus on this, but it is something I think everyone on this side of the aisle should support. It is another mechanism to help us help our licensees to prevent underage drinking, and I would suggest a "yes" vote.

Thank you.

The SPEAKER. The Chair thanks the gentleman.

LEAVE OF ABSENCE CANCELED

On the question,
Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentleman, Mr. George.

Mr. GEORGE. Thank you, Mr. Speaker.

Mr. Speaker, at the end of the Vietnam war in 1975, one of my first and most important votes as a member of this House was for Title 51, the codified statute that oversaw our National Guard and veterans benefits. In 1988, I am proud to say, this House amended a Senate bill with our vote and the vote of others for a military veterans emergency assistance program. Unfortunately, the program only helps veterans, not active duty families. Now for the last three sessions, Mr. Speaker, I have introduced a military family assistance program in 2002, '03, '04, and '05, and if we would have passed this into law, we would have been either the first or the second State in the Union to be able to do this, but unfortunately, if we pass it today, and we should, we will be 13th or 14th to get this done.

Mr. Speaker, if we pass this amendment, this House would be on record as saying the very first Tax Code bill passed by the House would support military families. You have voted for similar language unanimously, and I am asking that you support it today.

Thank you.
