Let us bow our heads.

"Our Father, which art in Heaven, hallowed be Thy name."

Lord, we just bow down before You. We lift up our hands and adore You. We ask for Your wisdom. You say in Your Word that any of us that lack wisdom, let us ask, and as a body, we ask for Your wisdom.

We have very important issues for the people of the Commonwealth, and we need to reconcile. So, Lord, give us both discernment and Your wisdom.

We thank You for living in a free country and for the privilege of being able to meet without any type of fear.

Just again, thank You, in Your name. Amen.

Mr. SIPTROTH. Thank you, Mr. Speaker.

Mr. Speaker, I am pleased to stand before you today and introduce this resolution commemorating the passage of the landmark Americans with Disabilities Act nearly 19 years ago. This resolution names the week of July 26 through August 1 as Americans with Disabilities Week.

The Americans with Disabilities Act has played an unequivocal role in eliminating barriers to employment, public service, transportation, telecommunications, and accommodations in the United States. It is a fundamental piece of civil rights legislation that reinforces our nation's guarantee of freedom. It positively impacts the lives of millions of Americans every day – people living with disabilities as well as those without benefit from the provisions included in the ADA.

This one act allows entire communities to profit from the skills and talents of all residents regardless of disability. It encourages people to prosper, and I ask all my colleagues today to support HR 318.

Thank you, Mr. Speaker.

The majority having voted in the affirmative, the question was determined in the affirmative and the amendment was agreed to.

On the question recurring,  
Will the House agree to the bill on second consideration as amended?

Mr. GRELL offered the following amendment No. A02173:

Amend Bill, page 4, by inserting between lines 29 and 30

(6) To hold public hearings for the taking of testimony and the requesting of documents. The commission shall have the power to issue subpoenas under the hand and seal of its chair commanding any person to appear before it and answer questions touching matters properly being inquired into by the commission, and to produce any books, papers, records, documents and data and information produced and stored by any electronic data processing system as the commission deems necessary. The subpoenas may be served upon any person and shall have the force and effect of subpoenas issued out of the courts of this Commonwealth. Any person who willfully neglects or refuses to testify before the commission or to produce any books, papers, records, documents or data and information produced and stored by any electronic data processing system shall be subject to the penalties provided by the laws of this Commonwealth in such case. The chairperson of the commission shall have the power to

administer oaths and affirmations to witnesses appearing before the commission. The commission may also cause the deposition of witnesses either residing within or without this Commonwealth to be taken in the manner prescribed by law for taking depositions in civil actions.

On the question,  
Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentleman from Cumberland County, Representative Grell.

Mr. GRELL. Thank you, Mr. Speaker.

I am offering this amendment with the intention of enhancing the ability of this commission to do its work. This amendment would authorize the commission to issue subpoenas, would authorize the commission to take sworn testimony by deposition, and would enable the commission to administer oaths to witnesses appearing before the commission. Thank you.

The SPEAKER. On the amendment, the Chair recognizes the majority leader, Representative Eachus.

Mr. EACHUS. Thank you, Mr. Speaker.

This is a really good step forward for our board to have the subpoena power to be able to call on any witness before this Interbranch Juvenile Justice Commission. The gentleman's amendment is a strong step forward to make sure that we get the questions answered about what happened in Luzerne County as an example of moving the protections of juveniles forward for the Commonwealth.

So I support the gentleman's amendment.

On the question recurring,  
Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentlelady from Montgomery County, Representative Harper.

Ms. HARPER. Thank you very much, Mr. Speaker.

The majority having voted in the affirmative, the question was determined in the affirmative and the amendment was agreed to.

On the question,

Will the House agree to the bill on second consideration as amended?

Mr. **MARSICO** offered the following amendment No. **A01323**:

Amend Bill, page 1, line 12, by inserting after "death," for removal of trustee,

Amend Bill, page 10, line 1, by striking out "or"

Amend Bill, page 10, line 3, by inserting after "spouse" where it occurs the second time

: or

(4) a designation of the former spouse as beneficiary after the decree of divorce has been entered

Amend Bill, page 11, line 28, by inserting after "7755(c)," 7766(b),

Amend Bill, page 12, by inserting between lines 24 and 25 § 7766. Removal of trustee - UTC 706.

\* \* \*

(b) When court may remove trustee.—The court may remove a trustee if it finds that removal of the trustee best serves the interests of the beneficiaries of the trust and is not inconsistent with a material purpose of the trust, a suitable cotrustee or successor trustee is available and:

- (1) the trustee has committed a serious breach of trust;
- (2) lack of cooperation among cotrustees substantially impairs the administration of the trust;
- (3) the trustee has not effectively administered the trust because of the trustee's unfitness, unwillingness or persistent failures; or
- (4) there has been a substantial change of circumstances.

However, a corporate reorganization of an institutional trustee, including a plan of merger or consolidation, is not itself a substantial change of circumstances.

\* \* \*

On the question,

Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentleman from Dauphin County, Representative Marsico.

Mr. MARSICO. Thank you, Mr. Speaker.

This amendment deals with the laws of trusts and estates and was drafted and recommended by the Joint State Government Commission.

The amendment deals with two portions of trust law. First, the amendment adds language clarifying what insurance policy will survive a divorce. Under the law, if spouses are divorced, the conveyance of certain property will not take place. There are exceptions, such as if the court orders the transfer or the wording of the instrument conveying the property makes it clear the transfer was meant to survive the divorce.

And secondly, Pennsylvania has adopted the Uniform Trust Act. There is a comment to the Uniform Trust Act which states that when it comes to a change in circumstances justifying removal of a trustee, a corporate reorganization like a merger is not in and of itself a change in circumstance. The amendment is essentially taking the wording of the comment of the Uniform Trust Act and placing it in our statute.

Once again, this amendment and the actual bill is the result of consultation with the Joint State Government Commission, and I ask for approval.

The SPEAKER. The Chair recognizes the gentleman from Berks County, Representative Caltagirone.

Mr. CALTAGIRONE. Thank you, Mr. Speaker.

I would urge the members to support the Marsico amendment. Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

The House proceeded to third consideration of **HB 1332, PN 2240**, entitled:

An Act amending Title 42 (Judiciary and Judicial Procedure) of the Pennsylvania Consolidated Statutes, providing for confidential communications to a critical incident stress management team member by law enforcement officers, firefighters, first responders and corrections officers.

On the question,  
Will the House agree to the bill on third consideration?  
Bill was agreed to.

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

(Bill analysis was read.)

The SPEAKER. The question is, shall the bill pass finally?

On that question, the Chair recognizes the gentlelady from Montgomery County, Representative Harper.

Ms. HARPER. Thank you, Mr. Speaker.

Would the maker of the bill stand for brief interrogation?

The SPEAKER. The gentleman from Allegheny, Representative Gergely, indicates he will stand for interrogation. The gentlelady, Ms. Harper, is in order and may proceed.

Ms. HARPER. Thank you very much, Mr. Speaker.

I want to make it clear that I totally respect the intent of this bill, and I support the intent of Representative Gergely in allowing people, first responders, involved in stressful incidents to be able to talk to an incident stress management team following the incident in order to discuss what occurred.

With that in mind, Mr. Speaker, I need to ask the prime sponsor a question, because section 5950(b) contains an exception that communications which are related to any criminal act would not be entitled to the protection otherwise

afforded by this bill. I know the gentleman intends that a first responder feel comfortable in talking to the stress management team about anything that occurred in the incident, and I would like to ask if his intention is that any criminal act language does not apply to any action or inaction which occurred during the incident which is part of what the team is studying.

The SPEAKER. The gentleman, Mr. Gergely, is in order.

Mr. GERGELY. Thank you, Mr. Speaker.

I want to thank the Representative from Montgomery County. This is a good issue, and the question also is something that we need to address. And you are correct, Mr. Speaker, that is not the intent. We want to have the opportunity for these emergency service providers and our law enforcement officers to have every single ability to speak to their peers with respect to what they have gone through.

We want to readdress this. I think we are going to ask the Law and Justice Committee in the Senate as this moves over to take a look, and if that section needs tweaked, to make those necessary changes so that we can make available all the ability for them to have the opportunity to talk to their peers without any repercussion of worrying about any legal ramifications.

Ms. HARPER. So to clarify, Mr. Speaker, the intention of the gentleman's bill is that a first responder involved in a stressful incident should not fear a criminal prosecution or a criminal investigation in fully disclosing anything that occurred or that he wants to discuss about the incident in question.

Mr. GERGELY. She is correct. Yes.

Ms. HARPER. Thank you very much, Mr. Speaker.

I support the bill.

The SPEAKER. The Chair thanks the lady.

**LEAVE OF ABSENCE**

The SPEAKER. Turning to leaves of absence, the Chair recognizes the majority whip, Representative DeWeese, who requests the following leave for the gentleman from Delaware County, Representative VITALI, for the day. Without objection, the leave will be granted.

**CONSIDERATION OF HB 1332 CONTINUED**

On the question recurring,  
Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

## RESOLUTION PURSUANT TO RULE 35

Mr. PYLE called up **HR 352, PN 2102**, entitled:

A Resolution designating the month of August 2009 as "Kidney Cancer Awareness Month" in Pennsylvania.

On the question,  
Will the House adopt the resolution?

The SPEAKER. On that question, the Chair recognizes the gentleman from Armstrong, Representative Pyle.

Mr. PYLE. Thank you very much, Mr. Speaker.

Mr. Speaker, I ask today for an affirmative vote on HR 352, which would declare August "Kidney Cancer Awareness Month" in Pennsylvania.

Mr. Speaker, the American Cancer Society statistics have shown that 36,000 Americans every year are stricken by kidney cancer. To date, there are no known cures or causes for kidney cancer.

Mr. Speaker, this is somewhat personal to me, having been somebody who has dealt with kidney cancer. We are very, very fortunate in western Pennsylvania and other parts of the Commonwealth to have teams of skilled surgeons and oncologists who have made the recovery rate extremely high, and if caught soon enough, kidney cancer is curable, Mr. Speaker.

I would thank you for your attention and a positive vote. Thank you.

The SPEAKER. The Chair thanks the gentleman.

On the question recurring,  
Will the House adopt the resolution?

The SPEAKER. The gentleman is in order and may proceed.

Mr. EACHUS. Thank you, Mr. Speaker.

We have been engaged in a bipartisan way in budget negotiations. There will be more of that going on today and hopefully more dialogue going into the weekend. But for the information of the members, we intend to adjourn today. The Speaker will talk about what he will recommend for the membership, but we will be back in session on Monday with a full calendar.

The SPEAKER. The Chair thanks the gentleman.

**ANNOUNCEMENT BY MR. CIVERA**

The Chair recognizes the gentleman from Delaware County, Representative Civera, under unanimous consent.

Mr. CIVERA. Mr. Speaker, I just rise to make an announcement.

Mr. Speaker, today I introduced House Discharge Resolution 1 and House Discharge Resolution 2. Discharge Resolution 1 is to discharge HB 1416, which is the Governor's budget. Discharge Resolution 2 is to discharge SB 850, which was the budget that was sent over by the Senate. My hopes are that starting from Monday thereafter that we would call one of these discharge resolutions to the floor.

Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

Any further announcements?

The Chair has in its possession a motion to adjourn by the gentleman from Adams County— The Chair rescinds that.

**STATEMENT BY MR. ADOLPH**

The SPEAKER. The Chair had a conversation with the gentleman and forgot.

The Chair recognizes the gentleman from Delaware County, Representative Adolph, under unanimous consent.

Mr. ADOLPH. Thank you, Mr. Speaker.

Sometimes we forget about good news, just like the Speaker mentioned. I stand in front of my colleagues today very proud to announce to the General Assembly that the Pennsylvania Higher Education Assistance Agency was just awarded a contract by the United States Department of Education to be one of only four vendors to service a \$100-billion-a-year student loan business.

Mr. Speaker, PHEAA was created by the General Assembly back in 1963, and it has had its ups and downs. But I can assure everyone in this General Assembly that currently PHEAA is experiencing one of its up times. The reforms that have been made over at PHEAA in the last 2 years, the sacrifices that the PHEAA employees have made over the last 2 years to put together this contract – we have 2,000 employees, 95 percent of them employed right here in central Pennsylvania. Fourteen hundred of those employees are AFSCME (American Federation of State, County, and Municipal Employees) union members – good-paying jobs.

When this contract gets under way in July of 2010, it is our belief that PHEAA will be around for a long time to put back into the economy of Pennsylvania and for the benefit of our students and our universities. The members of this General Assembly year in and year out give PHEAA the opportunity to distribute grants to our students, and we thank you very much. I will keep the members informed of other initiatives that PHEAA has in its plans for the future.

Thank you very much for your attention. Have a good weekend. Thank you very much.

The SPEAKER. The Chair thanks the gentleman.

**STATEMENT BY MISS MANN**

The SPEAKER. The Chair recognizes the gentlelady from Lehigh County, Representative Mann, under unanimous consent.

Miss MANN. Thank you, Mr. Speaker.

I would just like to add to the comments of the previous speaker, who in a very humble way did not mention that he serves as the chair of the board at PHEAA. It has been under his leadership and guidance that PHEAA has gotten through a very, very difficult time, not only a time of reform in our practices but also reform at a time when we have been very challenged by the credit markets and what we have seen transpire on Wall Street over the past couple of years.

So this is really significant news to the ongoing existence of PHEAA, not only its survival but it thriving again to do what it has done for decades here in Pennsylvania, and that is to increase access to higher education for thousands and thousands of Pennsylvania students. And we are excited at the prospect of continuing in that path and again being able to return those profitable dollars back to Pennsylvania students so that we can continue our mission of making sure that higher education is available to all those who are willing to work to achieve it.

So I just want to congratulate the staff, the employees, their leadership at PHEAA, the whole board, but particularly, to our chairman, Bill Adolph. Thank you very much.

The SPEAKER. The Chair thanks the lady.

**STATEMENT BY MR. DALLY**

The SPEAKER. For what purpose does the gentleman, Representative Dally, rise?

Mr. DALLY. Unanimous consent, Mr. Speaker.

The SPEAKER. Without objection, the gentleman is in order and may proceed.

Mr. DALLY. Thank you, Mr. Speaker.

At the risk of being accused of piling on, I also rise to salute Chairman Adolph and our Vice Chairman Sean Logan and the

president and CEO (chief executive officer) of PHEAA, Jim Preston, for all of their hard work, and also, the 2200 employees at PHEAA who are all instrumental in gaining this important Federal contract.

As one of four organizations in the entire country to be awarded this Federal contract – that is a huge event for PHEAA and for the students of Pennsylvania to service a portion of more than \$100 billion in new federally owned student loans. As I said, this is good news for Pennsylvania students and their families, our institutions of higher education, and the more than 2200 PHEAA employees who work every day to improve access to education.

PHEAA has been successful for the past 45 years in large part due to its ability to adapt to change. In the past 2 years, adapting to changes in Federal regulation, changes in the economic stability of the financial markets, and restructuring its business model to reflect the evolving needs of the student aid industry have collectively positioned PHEAA for the future.

In February of 2008 the PHEAA Board and PHEAA management were among the first in the nation in the student aid industry to identify the severity of the then pending financial sector meltdown and its impact on PHEAA's business model. While all of this is certainly good news, there will be new challenges and new business opportunities as is evident by this contract that was just entered into and awarded to PHEAA. Everything we have accomplished thus far has positioned PHEAA to be ready to respond proactively and continue its mission of providing access to higher education for future generations of Pennsylvania students and families.

Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

Any further announcements?

### **BILLS AND RESOLUTIONS PASSED OVER**

The SPEAKER. Without objection, any remaining bills and resolutions on today's calendar will be passed over. The Chair hears no objection.

### **ADJOURNMENT**

The SPEAKER. The Speaker has in its possession a motion to adjourn filed by the gentleman from Adams County, Representative Tallman, who moves that this House do now adjourn until Monday, June 29, 2009, at 1 p.m., e.d.t., unless sooner recalled by the Speaker.

It is for the information of the members that the Speaker is going to place the House on a 6-hour call starting from the time we adjourn today. Should anything transpire with our negotiations, we will call the members back into session. So you will be on a 6-hour call after we vote on the adjournment motion today. That 6-hour call will be for Friday, Saturday, and Sunday.

On the motion to adjourn, those in favor of the motion will signify by saying "aye"; those opposed, "nay."

On the question,

Will the House agree to the motion?

Motion was agreed to, and at 12:14 p.m., e.d.t., the House adjourned.
