SESSION OF 2009

193D OF THE GENERAL ASSEMBLY

No. 65

HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.d.t.

**THE SPEAKER (KEITH R. McCALL)
PRESIDING**

PRAYER

HON. GORDON DENLINGER, member of the House of Representatives, offered the following prayer:

Would you please join me in prayer:

Father in Heaven, we praise You today as the giver of every good and perfect gift. We praise You as the creator who has given us this new day, full of promise and opportunity. And we praise You for being the God whose wisdom transcends the limitations that we struggle with in our daily lives, in our relationships, and in our work here in the House of Representatives.

We acknowledge Your mercy toward us, and we do so realizing that we need both Your justice and Your mercy on a continual basis. Lord, we thank You for these gifts.

Today we continue in extended deliberation over the budget of our Commonwealth as well as other matters of importance to the citizens, and Father, we ask that You would help each of us to seek Your wisdom and Your guidance as we approach these matters. Help us to conduct ourselves with a spirit of humility and grace befitting the high honor that comes with Your calling, with Your appointment to serve in this place.

And Father, we do pray for a resolution to the budget issue. Though this matter pales in comparison to family loss, personal heartaches, and physical needs, it is the pressing task of this hour, and we pray that You would guide us all to the best possible outcome. Father, we need Your strength and Your wisdom this day and every day.

These things we pray in Your most excellent and holy name. Amen.

Spc. Chad A. Edmundson, 20, of Williamsburg, Pennsylvania, died while serving his country in Iraq on the 27th of May 2009.

Specialist Edmundson was part of the Pennsylvania Army National Guard's Company B, 2d Battalion, 112th Infantry Division, 56th Stryker Brigade Combat Team.

It also mandates that the tax return form should separate the liability of the individual— The tax form should break down the tax between the municipality and the school district so that the tax credit can be applied accordingly. Thank you.

GUESTS INTRODUCED

The SPEAKER. To the left of the Speaker, the Chair welcomes Judy, Joshua, Devon, and Megan Motel and Don and Judy Weaver. They are the guests of the majority leader, Representative Todd Eachus. Will the guests please rise. Welcome to the hall of the House.

ARTIE KEMPNER INTRODUCED

The SPEAKER. The Chair recognizes the gentleman from Philadelphia County, Representative O'Brien, under unanimous consent.

Mr. D. O'BRIEN. Thank you, Mr. Speaker.

Mr. Speaker, I rise today to introduce to this House a great friend of mine and an even greater friend of the autism community. I ask the House to join me in welcoming to the House Mr. Artie Kempner from FOX Sports. He is seated over here to the left of the Speaker.

Artie joined FOX Sports in the fall of 1994, where he currently serves as the lead director for NFL (National Football League) and NASCAR (National Association for Stock Car Auto Racing). Artie, his production crew, and a team of individuals such as Troy Aikman, Joe Buck, and Cris Collinsworth, televised Super Bowl XXXIX, where our Philadelphia Eagles narrowly lost to the Patriots – and we are not really here to talk about the Steelers today; we are proud of them, too – and also, Super Bowl XLII.

Artie's real passion, Mr. Speaker, comes to light when fighting for individuals with autism. In 1998 he learned that his middle son, Ethan, was diagnosed with autism. It was then that he became active in fighting for various autism advocacy groups in his home State of Delaware and around the country.

Simply lending his name to fundraising efforts was not enough for Artie. He founded the Autism Society of Delaware, now known as Autism Delaware. He also served on the boards of national advocacy groups such as the Autism Society of America and Autism Speaks.

The establishment of the FOX Sports Supports program and the creation of the Autism Speaks 400 led Home Depot to choose him to be one of their three finalists for the NASCAR Humanitarian of the Year award. Artie is a nine-time sports Emmy winner, and I ask the members to extend a gracious welcome to Artie Kempner to the House of Representatives.

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative and the bill passed finally.

Ordered, That the clerk return the same to the Senate with the information that the House has passed the same without amendment.

* * *

The House proceeded to third consideration of **SB 568, PN 1240**, entitled:

An Act authorizing the Department of General Services, with the approval of the Department of Military and Veterans Affairs and the Governor, to grant and convey to East Vincent Township, certain lands situate in East Vincent Township, Chester County.

On the question,
Will the House agree to the bill on third consideration?
Bill was agreed to.

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

(Bill analysis was read.)

The SPEAKER. The question is, shall the bill pass finally?

On that question, the Chair recognizes the gentleman from Chester County, Representative Hennessey.

Mr. HENNESSEY. Thank you, Mr. Speaker.

I rise to ask support for SB 568, which authorizes the transfer of lands which used to form part of the campus of the old Pennhurst State mental hospital in Chester County, East Vincent Township. The lands will be authorized to be transferred to the township.

The land will be permanently restricted for public use as recreation and open space. The bill has a provision which prevents its use for any kind of a gaming facility.

The House improved this bill by amending it back on June 30 in an amendment by Chairman Fairchild, which essentially assures that the Bureau of Military and Veterans Affairs will be able to maintain modular housing, which has been used for some of the veterans being served at the Southeastern Veterans Center and also that part of the lands are being used for a VA (Veterans' Administration) clinic, a medical clinic, on the property. By virtue of that amendment that we put in on June 30, we will assure that those uses, the modular housing and the VA medical clinic, will remain on the property until such time as the Bureau of Military and Veterans Affairs indicates that they have no further need for those uses of the property.

I would like to thank the East Vincent Township board of supervisors and the police and the citizens of East Vincent Township for carrying the expense for perhaps 20-plus years, for overseeing this campus, the Pennhurst State mental hospital, while most of it has been abandoned and out of use.

I have additional remarks that I would like to submit for the record, but I will note that I would appreciate an affirmative vote, and also, Senator Dinniman, who is the prime sponsor of this bill in the Senate, would also appreciate an affirmative vote of the House. Thank you.

The SPEAKER. The Chair thanks the gentleman.

REMARKS SUBMITTED FOR THE RECORD

Mr. HENNESSEY submitted the following remarks for the Legislative Journal:

SB 568 effects a transfer of land from the old Pennhurst State mental hospital to East Vincent Township, wherein the land is located. It is the second step of a two-step transaction, the first of which was completed in February 2008, when an adjacent tract of land was conveyed to a private developer for \$2 million.

The conveyance of this approximate 95 acres of land from the Commonwealth to East Vincent Township, as authorized by SB 568, is part of that prior transaction in which Pennhurst Acquisition purchased the lower campus and adjacent tract for \$2 million. Pennhurst Acquisition agreed to pay \$2 million with the understanding that East Vincent Township would receive said 95 acres for the purpose of open space.

The land in question is heavily restricted for use as public open space and recreational lands to serve the surrounding community. The land contains an old cemetery where former patients of Pennhurst were buried, and East Vincent Township has agreed to perpetually maintain the cemetery as well as the other lands here in the transfer.

Of primary concern is the retention of the use of lands in tract B of this transfer for modular homes for veterans of our Armed Forces and for the operation of the Veterans' Administration medical clinic, and those uses shall continue on the property until the Bureau of Military and Veterans Affairs affirmatively states that the lands in tract B are no longer necessary to complete its mission at Southeastern Veterans Center on behalf of our veterans.

On the question recurring,
Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.
