LEGISLATIVE JOURNAL

SESSION OF 2010

194th OF THE GENERAL ASSEMBLY

No. 10

HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.s.t.

THE SPEAKER (KEITH R. McCALL)
PRESIDING

PRAYER

The SPEAKER. The prayer will be offered by Rev. Juliann V. Whipple, who is the guest of Representative Eugene DePasquale.

REV. JULIANN V. WHIPPLE, Guest Chaplain of the House of Representatives, offered the following prayer:

Let us with thankful hearts turn our minds to God, who is willing and longing to hear our petitions.

Let us pray:

Lord God of hosts, You understand how hard it is for these, Your servants, to keep in mind the millions of their fellow citizens for whom they must legislate. You know the clamor of voices in their ears, the constant tugging at their sleeves. You know what is going on in their lives, all the different people trying to influence them; the small voices of the little people without money or names; the blatant voices of aggressive pressure groups; the big voices of the selfish and those working for personal gain; even the whispering inner voices of personal ambition, those insinuating voices holding out the lure of unmerited reward. Amid all the din of these voices, give these, Your servants, the willingness to take time to listen to Your voice, knowing that if they follow the still, small voice within, all Your people will be served fairly and all groups will get what they deserve.

Teach us that our country is no better than its citizens and no stronger than those in whom it puts its trust. We ask that You give us more faith in that which matters – You. People have proven to be untrustworthy, yet we trust each other. Banks have failed, still we write our checks. Depressions have upset our economy, still we carry on business in faith. Blizzards have made the winter dreary, yet with the coming of spring, we plant our seeds. Earthquakes have shifted the earth off its axis, yet we still build our infrastructures. We ask that You would give us that faith that we can deposit in the bank of Your love so that we may receive the dividends and interest that You are so willing to give to us.

Thank You for lessons to learn and for work to do; may we apply ourselves to both. So use us, guide us, and act through us. All this we pray in Your name so holy. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

**FATHER JUDGE HIGH SCHOOL
SOCCER TEAM PRESENTED**

The SPEAKER. The Chair recognizes the gentleman from Philadelphia County, Representative John Sabatina, for the purpose of making a presentation.

Mr. SABATINA. Good morning, ladies and gentlemen.

It gives me great pleasure to honor my alma mater and Representative McGeehan's alma mater, Father Judge High School, and specifically, their soccer team. Father Judge Soccer Team became the first team in the city of Philadelphia to win a State title in soccer. Judge entered the State playoffs as the District 12 champion and became the first boys soccer team from the city to win a State playoff game. They earned the right to play in the State soccer final by winning the Catholic League title; the city championship by defeating George Washington High School and wins over Central Bucks East, Downingtown West, and a thrilling 2-to-1 double-overtime victory against Unionville in the State semifinals.

It has been a year of accomplishments for the coach, John Dunlop, and in addition to guiding Judge to a final record of 22-2-2, Coach Dunlop became the alltime leader in victories as coach of Father Judge soccer. He notched his 100th career win and was inducted into the Southeastern Pennsylvania Soccer Hall of Fame.

The team received crucial goals throughout the playoffs from a host of different players, including Nick Morris, who scored the game-winning goal in the city title game and a pair of goals to clinch the Catholic League title. It was Judge's second Catholic League title in 3 years. Judge has received numerous postseason awards for the triumphant season. The team was ranked 12th nationally in a poll conducted by ESPN and 14th in the nation by Adidas soccer coaches poll.

So would you all join me in wishing them a warm welcome and congratulations. They are seated in the back. Thank you.

The SPEAKER. Will the guests please rise.

CALENDAR

RESOLUTIONS PURSUANT TO RULE 35

Ms. McILVAINE SMITH called up **HR 619, PN 3181**, entitled:

A Resolution honoring the League of Women Voters of Pennsylvania on the occasion of the 90th anniversary of its founding.

On the question,
Will the House adopt the resolution?

The SPEAKER. On that question, the Chair recognizes the gentlelady from Chester County, Representative McIlvaine Smith.

Ms. McILVAINE SMITH. Thank you, Mr. Speaker.

I would welcome all members of the League of Women Voters in the House to come and join me here at the podium. I know there are several of you, so if you will please make your way to the podium, I would appreciate it.

"Ninety years ago, Carrie Chapman Catt first proposed a League of Women Voters to 'finish the fight' and work to end all discrimination against women. And so the League of Women Voters was founded on Valentine's Day in 1920, six months before the ratification of the 19th Amendment giving women the right to vote.

"Today..." the League "...remains a grassroots organization with more than 150,000 members and supporters and 850 Leagues throughout all 50 states – thirty-five of those Leagues in Pennsylvania alone. Though the League is known widely for our voter education efforts, we've also brought our expertise to critical issues such as health care reform, global climate change and many others."

And if I could have your attention, please. Let us show a little respect for this group of women – and men. Thank you.

"As we enter into a new year, we know that the League will continue to do what it has been trusted to do for more than 90 years...."

The SPEAKER. The House will come to order.

Ms. McILVAINE SMITH. "...Every one of the critical 2010 initiatives will give citizens a greater voice – in the upcoming census, the 2010 elections, the next round of redistricting..." and the Marcellus Shale issue.

"The women who started the movement to give women the right to vote really didn't know where it would end, how it would end, or when it would end,' said League of Women Voters president, Mary G. Wilson. 'And yet they persevered. They persevered in a time when it wasn't fashionable for women to speak out on any issue – let alone try to get some rights for themselves. They worked against all odds – and succeeded.'

"In 1920, after a 72 year struggle, passage of the 19th Amendment appeared to be imminent, and members of the National American Woman Suffrage Association met to form the League of Women Voters, the organization to educate the newly franchised women to effectively use the vote."

These words were written by the executive director of the League of Women Voters, Bonita Hoke, but I need to add a personal note. My cousin, Martha Gibbons Thomas, who was a suffragette, one of the founders of the Chester County League of Women Voters, was the first woman to be elected from Chester County after women gained the right to vote. In 1923 she was sworn in into this House along with seven other members – the first eight women ever to be seated in the Pennsylvania General Assembly – and I am proud to sit right in front of where she sat, and I am proud to carry on the tradition of being a League of Women Voters member of Chester County.

GUESTS INTRODUCED

Ms. McILVAINE SMITH. I honor them today with the 90th anniversary resolution, and they were kind enough to bring every one of you a cupcake in celebration.

I would like to read the names. I would like to read the names of the women who have joined us today: Olivia Thorne, who is the League of Women Voters Pennsylvania president; Bonita Hoke, who is the executive director, is in the back. From Chester County we have: Patricia Horrocks, Joan Safford, Jean Goerth, Meryle Rothman. From Lebanon County: Pam Tricamo, Suzanne Fry, Elaine Ludwig, Jo Ellen Litz. From Delaware County: Lora Lavin, Marita Green, Victoria Williams, Katherine Miller, Dot Field, Nancy Field, Kate deRiel, Roberta Winters. From Northampton County, Joan Dean. From Hershey: Liz Milner, Sylvia Stotler. From Lancaster County, Susan Leinberger. From Philadelphia County, Kelly Green. And from Harrisburg, Grace Newsome and her husband, Roy.

I thank you so much for your attention, and let us give them a round of applause for all of the service they give to us. Thank you.

On the question recurring,

Mr. MURT called up HR 635, PN 3227, entitled:

A Resolution designating the month of March 2010 as "Gambling Addiction Awareness Month" in Pennsylvania.

On the question, Will the House adopt the resolution?

The SPEAKER. On that question, the Chair recognizes the gentleman from Montgomery County, Representative Murt.

Mr. MURT. Thank you, Mr. Speaker.

Mr. Speaker, I rise today to urge my colleagues to support HR 635 that would designate the month of March 2010 as "Gambling Addiction Awareness Month" in the Commonwealth of Pennsylvania.

Mr. Speaker, gambling addiction is a serious problem that can have a devastating impact not only on the problem gambler but also on his or her loved ones. Problem gambling can strain relationships, interfere with work and personal responsibilities, and lead to financial ruin.

Mr. Speaker, gambling addiction is an impulse control disorder. The compulsive gambler cannot control the impulse to gamble even when he or she is aware of the harm that it is causing to themselves and those around them. The compulsive gambler will continue to gamble whether they are happy or depressed, whether they are winning or losing, whether they have the money to cover their bets or not. Even when the compulsive gambler knows the odds are against them and they cannot afford to lose, they simply cannot stop.

Mr. Speaker, overcoming a gambling addiction is not easy, but recovery is possible if the compulsive gambler is willing to admit he or she has a problem and seek help to fix it. Treatments like cognitive behavioral therapy and support groups like Gamblers Anonymous provide useful tools that the gambler needs to fight the urge and to rebuild his or her life.

Mr. Speaker, as Pennsylvania casinos begin to add table games, we will absolutely see more cases of gambling addiction. Mr. Speaker, it is important that we raise awareness of the problem and the treatments available to those who need them.

Therefore, Mr. Speaker, I urge my colleagues to support this resolution declaring March 2010 as "Gambling Addiction Awareness Month" in Pennsylvania.

Thank you, Mr. Speaker.
The SPEAKER. The Chair thanks the gentleman.

Will the House adopt the resolution?

Mr. MURPHY called up **HR 655, PN 3273**, entitled:

A Resolution designating the month of March 2010 as "Hibernian Heritage Month" in Pennsylvania.

On the question,
Will the House adopt the resolution?

The SPEAKER. On that question, the Chair recognizes the gentleman from Lackawanna County, Representative Murphy.

Mr. MURPHY. Thank you, Mr. Speaker.

As a proud Irish-American and Pennsylvanian, it gives me great pride and pleasure to introduce this resolution which declares March as "Hibernian Heritage Month" in the Commonwealth of Pennsylvania.

The Ancient Order of Hibernians, the oldest Irish Catholic organization in America, was founded concurrently in New York and Pennsylvania in May of 1836. There are over 80,000 members of the Hibernians in 46 States, Canada, and Ireland; 450 in my home of Lackawanna County, Pennsylvania.

I am honored and privileged to say that I myself am an active member of the Ancient Order of Hibernians like my father before me and his father before him. I belong to one of the six divisions in Lackawanna County, the John F. Kennedy division from North Scranton.

Now, Mr. Speaker, my parents, the late James "Cookie" Murphy and Mary O'Connor, did not come over from Ireland like Representative Boyle's father, Francis, came over from Ireland some 40 years ago, in a couple of weeks, to find and marry the love of his life, Eileen. But my mother, being a combination of an O'Connor and a Flynn, and my father, being a combination of Murphy and Corcoran – I have that strong Irish ancestry and heritage that gives me great pride to this day.

The Hibernians support a multitude of charities and truly are a pillar of their respective communities today.

I would like to ask you for your support with an affirmative vote on HR 655. Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

Bill was agreed to.

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

(Bill analysis was read.)

The SPEAKER. The question is, shall the bill pass finally?

On that question, the Chair recognizes the gentleman from Montgomery County, Representative Murt.

Mr. MURT. Thank you, Mr. Speaker.

Mr. Speaker, I rise in support of HB 1250, which will ensure that no one will engage in the practice of licensed social work, clinical social work, marriage and family therapy, or professional counseling in Pennsylvania without holding the appropriate license.

Most social workers are drawn to the profession by a strong desire to help improve people's lives. Very often, Mr. Speaker, social workers are called on to assist people during the most difficult times of their lives as they deal with issues including family and personal problems like child or spousal abuse; disabilities; substance abuse; life-threatening diseases; and social problems such as inadequate housing, unemployment, or substance abuse.

Mr. Speaker, social workers are truly vital to so many lives. The impact of their efforts can be felt throughout our society, often far beyond the individuals directly involved. It is imperative that the people who work in this field are trained and certified. HB 1250 will guarantee that anyone performing these important functions in Pennsylvania is properly licensed.

Mr. Speaker, I will be voting in favor of HB 1250, and I respectfully urge my colleagues to do the same. Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

The House proceeded to third consideration of **HB 1251, PN 3189**, entitled:

An Act amending the act of May 17, 1921 (P.L.682, No.284), known as The Insurance Company Law of 1921, in long-term care,

further providing for definitions; and providing for appealing an insurer's determination the benefit trigger is not met, for prompt payment of clean claims and for applicability.

On the question,
Will the House agree to the bill on third consideration?
Bill was agreed to.

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

(Bill analysis was read.)

The SPEAKER. The question is, shall the bill pass finally?

On that question, the Chair recognizes the gentlelady from Luzerne County, Representative Mundy.

Ms. MUNDY. Thank you, Mr. Speaker.

I rise in support of HB 1251. As our large baby-boomer population continues to age, the Commonwealth will face ever-greater fiscal challenges in how we pay for long-term-care services. This demographic tsunami will be deeply felt all across State government. While long-term-care insurance has the potential to alleviate some of this burden, it is still a relatively new product and one that is complicated for consumers to both navigate and understand.

As chairman of the House Aging and Older Adult Services Committee, I held a public hearing last year to examine this long-term-care payment option. One of the great concerns that came up was the lack of an appropriate grievance process for those appealing a decision by their insurer. The current process, which is internally based, seems geared toward making people jump through hoops in the hope that they will become frustrated and give up on their appeal.

I am pleased that HB 1251 seeks to address this and other issues by creating greater uniformity in the handling of long-term-care insurance complaints. This is a pro-consumer bill.

Those who purchase long-term-care insurance should be commended for taking the initiative to plan ahead for their long-term-care needs; however, they deserve the peace of mind of knowing that appropriate safeguards are in place to protect them from being sold a bill of goods. While I believe additional regulation of a long-term-care insurance market is still needed, especially with regards to exorbitant rate increases, I will be introducing my own personal bill in the near future, but for now HB 1251 is a very much-needed step in the right direction, and I commend Representative Costa for its introduction and passage.

I urge my colleagues to vote in the affirmative. Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the lady.

On the question, the Chair recognizes the gentleman from Delaware County, Representative Micozzie.

Mr. MICOZZIE. Thank you, Mr. Speaker.

I support HB 1251. As chairman of the Insurance Committee, we passed a similar bill out a few years back, and it is really modeled after the NAIC (National Association of Insurance Commissioners) model of long-term care. It is a good bill, and I ask my colleagues to support it.

The SPEAKER. The Chair thanks the gentleman.
