SESSION OF 2010

194TH OF THE GENERAL ASSEMBLY

No. 53

HOUSE OF REPRESENTATIVES

The House convened at 1 p.m., e.d.t.

THE SPEAKER (KEITH R. McCALL) PRESIDING

PRAYER

HON. MATTHEW E. BAKER, member of the House of Representatives, offered the following prayer:

Thank you, Mr. Speaker.

Let us bow our heads and humble our hearts as we go before the throne of God in prayer:

Almighty and wonderful Lord, thank You for the gifts of service You allow us to provide to our State and our constituents. Thank You for placing in our hearts a passion to serve others, to make a positive difference in the lives of others, to step up in providing servant leadership for the benefit of addressing the pressing needs and challenges of our society, our Commonwealth, and our respective districts.

Lord, sometimes we are overwhelmed with the daily demands and problems. We forget that You are our refuge and provide a place for us and our needs. Help us to remember that You are our rock and our salvation, our strength in our time of need. Grant us wisdom, patience, and the spirit of humility as we go about our responsibilities and duties as State Representatives, and increase our love and devotion for others, especially for our families that sacrifice so much that we may serve others.

We admit, O God, that there is much to do in our lives, so many tasks and responsibilities. Yet in the midst of all this activity, we take this moment to offer our prayers of thanksgiving for Your gifts of faith and hope and love, for Your gift of peace in our hearts and souls. We are eternally grateful to You, our creator and redeemer, for all the blessings that we receive in our lives.

For this new day, O God, and for all Your graces, we offer this grateful prayer. It is in His name, our Lord and Savior, we pray. Amen.

PLEDGE OF ALLEGIANCE

In the balcony, we have the uncle of Representative Houghton, Charles Bowers, a Vietnam veteran; his wife, Chris; his daughter, Amanda; and her daughter, Evana. They are the guests of Representative Houghton. Will the guests please rise. Welcome to the hall of the House.

Also in the balcony, the Chair would like to welcome Mr. and Mrs. Richard Bear from Dover, Pennsylvania. Mr. Bear was honored at the 2010 MetLife Foundation Older Volunteers Enrich America Awards in Washington, DC. Accompanying them today is a group from the Heritage Senior Center. They are the guests of Representative Seth Grove. Will the guests please rise. Welcome to the hall of the House.

HERSHEY LADY TROJANS STATE SOCCER CHAMPIONS PRESENTED

The SPEAKER. The Chair would like to welcome to the rostrum Representative Payne from Dauphin County for the purpose of a presentation.

The Chair recognizes the gentleman from Dauphin County, Representative Payne.

Mr. PAYNE. Thank you, Mr. Speaker.

My colleagues, I have the honor of presenting the PIAA Class AAA Girls Soccer Champions from Hershey High School. The championship game was held on June 11 at Hersheypark Stadium. The Lady Trojans defeated the Cumberland Valley Lady Eagles 1 to 0. This championship game was the fourth time this year that the Lady Trojans shut out the Lady Eagles, for a total of 320 minutes of scoreless soccer. Needless to say, to my good friends, the Representatives from Cumberland County, they just could not score on these girls; that is all there was.

Up front with me today are head coach Jeff Rosensteel and the 2011 team captains: Molly Briggs, Carrie Cin, Shannon Fedyk, and Alyssa Voelmle. The rest of the team and assistant coach Bill Deliberty are in the rear of the House. Would they please stand now, and can I have a round of applause for the champions.

On a sidenote, I just want to comment that Coach Deliberty and Coach Rosensteel, the families go way, way back in Hershey. Hershey was a small town of less than 4,000 people and everybody knew everybody. So, coach, congratulations. I want to commend the team members and the coaches and the families for their dedication, enduring commitment, tireless pursuit of this athletic excellence, and to the exceptional teamwork, and one last time, for beating the Lady Eagles. Thank you.

PEOPLE'S REPUBLIC OF CHINA CONSUL GENERAL OFFICE INTRODUCED

The SPEAKER. If I may have the attention of the members, we have some very special guests joining us today from the People's Republic of China. Over the years the relations between the United States and China have grown, certainly, as China has integrated itself into the global system.

During this time two-way trade between our countries has also grown significantly. China is one of the most important markets for United States exports. China is now the third largest trading partner for the United States of America. As the United States Secretary of State said, the U.S. wants to develop "a positive, cooperative and comprehensive relationship" with China. Today's visit brings that national context to a State level.

Joining us today are officials from the People's Republic of China Consul General Office in New York City. They are visiting Pennsylvania today because they recognize the importance of a good trade relationship with Pennsylvania and seek to further that positive relationship with the Commonwealth of Pennsylvania. By coming to Harrisburg, they want to open the doors to all members of the Pennsylvania General Assembly to begin a dialogue with PRC (People's Republic of China) and hope to further develop commerce in all parts of Pennsylvania.

It is my pleasure to introduce to you Dong Xiaojun, who is Deputy Consul; He Bin, who is Consul in the Ministry of Political Affairs; Shi Zhanzhan, who is the Vice Consul in Ministry of Political Affairs; and Wang Long, who is Consul in Ministry of Commerce. They are accompanied by Kenneth Wong, who is the president of the Covenant Group of China. Ken. They are the guests of the Honorable Mike O'Brien and myself. And while in Harrisburg, they will be visiting with various State-level officials to enhance trade opportunities. Please extend a warm welcome to our partners.

The **SPEAKER**. The Chair recognizes the gentleman from Westmoreland County, Representative Casorio, for a brief explanation of the amendment.

Mr. **CASORIO**. Thank you, Mr. Speaker.

Mr. Speaker, this amendment incorporates into HB 176 the substance of salvia divinorum. We are attempting to make that illegal in Pennsylvania. It is currently legal on the Internet. We have had several cases of some young folks being harmed by this substance that affects their ability to think and go through rational thought processes.

Again, this is making the legal drug of salvia divinorum incorporated into the bill as synthetic marijuana, and I would ask for the House's affirmative vote. Thank you, Mr. Speaker.

The **SPEAKER**. The Chair thanks the gentleman.

On the question recurring,
Will the House agree to the amendment?

The SPEAKER. The question is, shall the bill pass finally?

On that question, the Chair recognizes the gentleman from Beaver County, Representative Christiana.

Mr. CHRISTIANA. Thank you, Mr. Speaker.

Mr. Speaker, I would like to stand today in support of HB 2149. As amended, Mr. Speaker, this bill will greatly impact the way that taxpayer-funded multimillion-dollar contracts are awarded. This is reform that must take place in order to bring real fiscal responsibility to the State Capitol. Along with complete transparency, contract reform and ending pay-to-play politics are a must.

The SPEAKER. The gentleman will yield. The House will come to order. Members will please take their seats. The House will come to order. The House will come to order.

The gentleman from Beaver, Representative Christiana, may continue.

Mr. CHRISTIANA. Thank you very much, Mr. Speaker.

Along with complete transparency, contract reform and ending pay-to-play politics are a must. This bill will make sure that no longer can someone from a private company come and work for the government and then start writing contracts to be awarded to their former bosses.

I would like to thank Democratic Auditor General Jack Wagner for releasing an audit on this matter back in October of 2009. It has been well documented, Mr. Speaker, that in the past this practice of revolving door politics has occurred. And today I am thankful that this General Assembly will hopefully be sending a solution to the Senate, a solution that will end pay-to-play politics and finally stop the revolving door in Harrisburg.

I would like to stand and ask for an affirmative vote from my colleagues on both sides of the aisle. Thank you, Mr. Speaker.

On the question recurring,
Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

(Members proceeded to vote.)

LEAVE OF ABSENCE

The SPEAKER. Turning to leaves of absence, the Chair recognizes the gentleman from Allegheny County, the majority whip, Representative Dermody, who requests a leave of absence for the gentleman from Delaware County, Representative LENTZ, for the remainder of the day. Without objection, the leave will be granted.

REMARKS SUBMITTED FOR THE RECORD

The **SPEAKER**. For what purpose does the gentleman from Chester County, Representative Hennessey, rise?

Mr. HENNESSEY. Thank you, Mr. Speaker.

I have remarks I would like to submit for the record with regard to the passage of HB 2000.

The **SPEAKER**. The gentleman is in order.

Mr. HENNESSEY. Thank you.

Mr. HENNESSEY submitted the following remarks for the Legislative Journal:

Thank you, Mr. Speaker.

I rise to oppose HB 2000, even though it would be permissive and not mandatory in allowing counties to eliminate the office of jury commissioner.

I do so because I believe the bill underestimates and undervalues the services performed by jury commissioners across the Commonwealth in supervising, overseeing, and responding to questions and the needs of prospective jurors.

Routinely, citizens summoned for jury duty make requests to be excused, delayed, or rescheduled. It makes sense to have a consistent, stable voice making those decisions and answering those questions.

The jury commissioners give the waiting, potential jurors an explanation of and an interesting overview of the judicial process. They also repeatedly deal with issues that arise with individual jurors on a day-to-day basis, to be excused because of unforeseen emergencies.

It is a mistake to think that we can do without them or replace them with someone else – pulled from other duties – or worse, with a succession of "whoever's available."

Our citizens deserve more.

The impetus for HB 2000 seems to be a perceived cost savings. But someone will be paid to provide this supervision. The citizens on jury duty deserve someone to serve their needs. They are often not happy to be there. They are often frustrated by apparent inactivity and lapses of time.

They deserve the consistent voice and consistent direction that a jury commissioner can provide.

I hope the county commissioners will consider these matters before they decide whether to eliminate this position in their counties.

Thank you, Mr. Speaker.

BILLS ON SECOND CONSIDERATION

The House proceeded to second consideration of **HB 1572, PN 4062**, entitled:

An Act amending Title 24 (Education) of the Pennsylvania Consolidated Statutes, providing for school foods reform and imposing duties on schools relating to the sale of food and beverages and on the Department of Education and the Department of Health.

On the question,
Will the House agree to the bill on second consideration?

The SPEAKER. It is the Chair's understanding that the gentleman from York County, Representative Saylor; the gentleman York, Representative Miller; and the gentleman from Bucks County, Representative Clymer, are withdrawing their amendments to this bill? The Chair thanks the gentlemen. There are also two late-filed amendments to this legislation. The gentleman from Westmoreland County, Representative Pallone, would require a rules suspension. Does the gentleman wish to be recognized for that purpose?

The House will be at ease.

The House will come to order.

MOTION TO SUSPEND RULES

The SPEAKER. The Chair recognizes the gentleman from Westmoreland County, Representative Pallone.

Mr. PALLONE. Thank you, Mr. Speaker.

I am asking for a suspension of the rules to run the amendment. Very briefly, it just changes the definition to include carbonated beverages with no sugar substitutes and so forth. It is just a change to the definition of what can be included or excluded relative to carbonated beverages.

The SPEAKER. The Chair thanks the gentleman.

On the question of suspension of the rules, the Chair recognizes the majority leader. The Chair recognizes the majority leader on the suspension of the rules for the immediate consideration of the Pallone amendment.

Mr. EACHUS. Thank you, Mr. Speaker.

Mr. Speaker, I respectfully rise to oppose the suspension vote on the Pallone amendment. I ask the members to oppose the Pallone suspension.

Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

Mr. GROVE. Thank you, Mr. Speaker.

I will be withdrawing my amendment. The amendment would basically allow school districts who have a contractual agreement with a soda company to allow soda products or whatever products in the schools until that contract would be voided, until it would run out, to ensure that the school district would not be held. I will pull that and continue to work with the prime sponsor of the bill in further sessions.

Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

On the question recurring,
Will the House agree to the bill on second consideration?

BILL ON SECOND CONSIDERATION

The House proceeded to second consideration of **HB 2321, PN 3346**, entitled:

An Act amending Titles 4 (Amusements), 18 (Crimes and Offenses) and 35 (Health and Safety) of the Pennsylvania Consolidated Statutes, consolidating statutory provisions relating to firefighters, the State Fire Commissioner and grants to fire companies and other services; making editorial changes; and making related repeals.

On the question,
Will the House agree to the bill on second consideration?

The SPEAKER. On that question, it is the Chair's understanding that the gentleman from Allegheny County, Representative Maher, is withdrawing amendment A09028. The Chair thanks the gentleman.

On the question recurring,
Will the House agree to the bill on second consideration?
Bill was agreed to.

LEAVE OF ABSENCE

The SPEAKER. Turning to leaves of absence, the Chair recognizes the gentleman from Allegheny County, the majority whip, Representative Dermody, who requests a leave of absence for the gentleman from Philadelphia County, Representative SABATINA, for the remainder of the day. Without objection, the leave will be granted.

ANNOUNCEMENT BY MR. KOTIK

The SPEAKER. For what purpose does the gentleman from Allegheny County, Representative Kotik, rise?

Mr. KOTIK. Mr. Speaker, an announcement.

The SPEAKER. The gentleman is in order and may proceed.

Mr. KOTIK. Mr. Speaker, the Blue Dog Caucus will meet at 10:30 a.m. in room 226, Irvis Office Building.

The SPEAKER. The Chair thanks the gentleman.

BILL ON SECOND CONSIDERATION

The House proceeded to second consideration of **HB 1750, PN 3441**, entitled:

An Act amending Titles 18 (Crimes and Offenses) and 40 (Insurance) of the Pennsylvania Consolidated Statutes, further providing for insurance fraud; consolidating Article XI of The Insurance Department Act of 1921, further providing for purpose, for definitions, for Insurance Fraud Prevention Trust Fund, for powers and duties and for duties of insurance licensees and their employees; and making a repeal.

On the question,
Will the House agree to the bill on second consideration?

The SPEAKER. It is the Chair's understanding that the gentleman from Philadelphia County, Representative Cohen, is withdrawing his amendments? The Chair thanks the gentleman.

The gentleman from Tioga County, Representative Baker, has an amendment, and the gentleman from York County, Representative Saylor, has an amendment to this bill that the Speaker is going to rule out of order. This is a two-title bill, and the precedent and Superior Court rulings and the precedent set by previous Speakers – back to K. Leroy Irvis, Matt Ryan, Bill DeWeese – have all held the same, that in a dual-title bill, if you amend a dual-title bill, it has to still maintain the single-subject matter.

The amendments that are filed to this bill, the subject of the bill deals with insurance fraud and the subject amendments that would amend the two-title bill deal with health care, choice in health care, and access to dental care, which do not meet the single-subject rule. Therefore, the amendments are going to be ruled out of order.

PARLIAMENTARY INQUIRY

The SPEAKER. Does the gentleman, Representative Saylor, have a parliamentary inquiry?

Mr. SAYLOR. Yes, Mr. Speaker.

I do not understand how – the amendment that I have offered does deal with health insurance and not just health care. And second of all, I do not understand how the Speaker can rule it out of order to this amendment after what the Appropriations Committee did today with the severance tax. I mean, if one is out of order, the same is out of order, Mr. Speaker. I just challenge, you know, that the Chair would find it so. I am not going to ask for a vote on the Speaker's ruling, but, Mr. Speaker, I do have concerns that we seem to have some double standards here on how we amend bills. Thank you.

The SPEAKER. The Speaker will remind the gentleman, not on the floor of the House. The Speaker would rule the same way on a single-subject matter if that amendment was filed before the House of Representatives.

On the question recurring,
Will the House agree to the bill on second consideration?
Bill was agreed to.

PARLIAMENTARY INQUIRY

Mr. S. SMITH. Mr. Speaker, parliamentary inquiry?

The SPEAKER. The gentleman will state his parliamentary inquiry.

Mr. S. SMITH. I was not going to say much here, but you kind of piqued my interest. So you are saying it is okay for amendments that violate the single-subject rule – that

constitutional provision – it is okay to do that in committee, it is just not okay to do it on the floor of the House?

The SPEAKER. Is the gentleman referring to SB 1155?

Mr. S. SMITH. Yes, Mr. Speaker.

The SPEAKER. That is not a two-title bill.

Mr. S. SMITH. I realize it is not a two-title bill, but from what I was told about the Speaker's ruling on the bill that was just before us, that it was more than the fact that it was a two-title bill because by traditional interpretation of amending a two-title bill, the amendment that was just ruled out of order clearly complied with that basic requirement. Therefore, the reason the amendment was ruled out of order had to be more than the fact that it was a two-title bill.

The SPEAKER. The gentleman, Mr. Smith, if he would like to come to the rostrum, I will show him past history from legislative debate from just about every Speaker on the subject.

The House will be at ease.

The House will come to order.
