LEGISLATIVE JOURNAL

SESSION OF 2011

195TH OF THE GENERAL ASSEMBLY

No. 51

HOUSE OF REPRESENTATIVES

The House convened at 9 a.m., e.d.t.

**THE SPEAKER (SAMUEL H. SMITH)
PRESIDING**

PRAYER

REV. LOUISE WILLIAMS BISHOP, member of the House of Representatives, offered the following prayer:

Thank you, Mr. Speaker.

Let us pray:

Dear God, our Heavenly Father, the God of Heaven, the God of earth and all in between, today we recognize that the battle is not given to the swift, neither is the race given to the strong, but to he who is able to hold out until a change comes. We call upon Your precious and righteous name to ask Your guidance today.

Grant unto us the wisdom that You gave our founding forefathers in the days past. We give thanks unto You for Your goodness. We give thanks unto You for Your mercy and ask that You will continue to guide us during these unsettling and uncertain times, a time when our economy seems to be at an alltime low and when jobs seem to appear fewer than ever before, and people are concerned, hurting, fearful, worrying about their future. I know that we can always rely upon You, but we have Your Word and Your assurance, even in times of crisis – State crisis, national crisis – that You will always provide.

So I ask, O God, that You will bless each and every member of this House with the courage to do the right thing for the people. We ask that You will help us to make the best decisions for those who have the least and who need the most and especially our children and our seniors. And finally, God, we ask that each member of this House be sensitive to Your voice, sensitive to Your voice so that all of this Commonwealth, despite economic standings, will know that, yes, indeed, we are our brother's keepers. Dear God, we know that no matter how great the crisis, You will always provide. We can take comfort in knowing that we can depend upon You, Your unilateral wisdom and collaboration among the parties, to reach the decision that benefits all of the people in this Commonwealth. Help us, God, to do justly, to love mercy, and to walk humbly before You. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

STATEMENT BY MR. SHAPIRO

The SPEAKER. The Speaker recognizes the gentleman from Montgomery County, Mr. Shapiro, under unanimous consent.
Mr. SHAPIRO. Thank you, Mr. Speaker.

Under unanimous consent, I just wanted to thank the Speaker as well as the Speaker pro tempore from yesterday and the members of this House for the gracious way in which they greeted my son, Jonah. He came up for what we thought would be somewhat of a short day, and he did make it all the way until 11 o'clock last night. He had two reactions when we walked off the House floor that I think the members would appreciate hearing. Number one, he kept asking why one board was red and one board was green and Daddy was always on the board

with fewer people. I told him I would explain that to him at some other point. When the fireworks began last night, I did manage to sit him down with "Toy Story 3" on my iPhone, and when we walked off he said, why is everybody running around so much? I told him just to enjoy "Toy Story 3," it did not matter.

But in all sincerity, I just wanted to thank the members, the Speaker, and the Speaker pro tempore for the gracious way in which they allowed him to visit. It was a memorable day for him and for me, and I want to thank you, as well as the Chief Clerk, for welcoming him. Thank you.

The SPEAKER. The Speaker thanks the gentleman.

At least somebody enjoyed the day.

BILLS ON SECOND CONSIDERATION

The House proceeded to second consideration of **SB 151, PN 125**, entitled:

An Act amending the act of January 8, 1960 (1959 P.L.2119, No.787), known as the Air Pollution Control Act, further providing for disposition of fees, fines and civil penalties.

On the question,

Will the House agree to the bill on second consideration?

Mr. **STEVENSON** offered the following amendment No. **A03775**:

Amend Bill, page 3, by inserting between lines 13 and 14

(7) A municipality may assign its claim to funding under clause (1) to the county in which the violation occurred within the one hundred eighty (180) day period specified in clause (3). The county shall submit a project proposal in compliance with clause (1) to the department for review and approval within forty-five (45) days of the expiration of the one hundred eighty (180) day period.

(8) If a municipality does not submit a project proposal within the one hundred eighty (180) day period specified in clause (3) or provides notification of its intent not to file a project proposal during the one hundred eighty (180) day period, the county in which the violation occurred may submit a project proposal in compliance with clause (1) to the department for review and approval within forty-five (45) days of the expiration of the one hundred eighty (180) day period.

On the question,

Will the House agree to the amendment?

The SPEAKER. On that question, the Speaker recognizes the gentleman from Mercer, Mr. Stevenson.

Mr. STEVENSON. Thank you, Mr. Speaker.

This is a simple amendment, which has been added to SB 151 at the request of the County Commissioners Association. This is an agreed-to amendment with the prime sponsor of the legislation, Senator Pileggi, as well as with the municipal organizations involved in this legislation.

The SPEAKER. The question is, will the House agree to the amendment?

On that question, the Speaker recognizes the gentleman from Delaware County, Mr. Vitali.

Mr. VITALI. Just a point of order.

The SPEAKER. The gentleman will state his point of order.

Mr. VITALI. I just want to make sure I am not missing something. Now, for some reason, I—

The SPEAKER. Will the gentleman suspend just a second.

Will the members please take their seats and hold the conversations down, please. I would appreciate it if we could keep the conversations down.

Mr. VITALI. This is probably—

The SPEAKER. The gentleman will just hold on a second, please.

If the members would please take their seats. Take the conversations to the back of the hall of the House, please. The members will please clear the aisles, take their seats. The members will please hold the conversations down. If you need a conversation, we would appreciate it if you would take it to the rear of the House. May I have the members' attention, please.

The gentleman, Mr. Vitali, may state his point of order.

Mr. VITALI. I withdraw that point of order, and at the appropriate time, I would like to interrogate.

The SPEAKER. The gentleman, Mr. Vitali, is recognized on the amendment. Will the gentleman, Mr. Stevenson stand for interrogation? The gentleman indicates he will. You may proceed.

Mr. VITALI. Just looking for a brief, initially, a brief explanation of the amendment.

Mr. STEVENSON. Thank you, Mr. Speaker.

This bill, which we are considering on second consideration at this time, will provide revenue to municipalities where a violation of the air pollution prevention act occurred. This amendment, which was offered by CCAP, the County Commissioners Association, would allow the county to submit a project proposal in cases where the local municipality did not submit a proposal for that funding.

Mr. VITALI. Okay. Thank you. That concludes my questions.

On the question recurring,

Will the House agree to the amendment?

(c) Benefits.—Each health benefits plan delivered or issued for delivery in this Commonwealth shall provide benefits under the plan, and those benefits shall not supplant any portion of the clinical trial that is customarily paid for by government, biotechnical, pharmaceutical or medical device industry sources.

(d) Remedy.—This section does not create any private right or cause of action for or on behalf of any patient against the carrier. This section provides solely an administrative remedy for any violation of this section or any related rule.

(e) Deductibles and other cost sharing.—Nothing in this section prohibits the carrier from imposing deductibles, coinsurance or other cost sharing measures in relation to benefits provided pursuant to this

section.

Section 1.1 Section 1601 of the act, added December 18, 1992 (P.L.1519, No.178), is amended to read:

Amend Bill, page 21, by inserting between lines 7 and 8

Section 7. The addition of Article VI-C of the act applies to health benefits issued or renewed on or after January 1, 2012.

Amend Bill, page 21, line 8, by striking out "7" and inserting 8

On the question,

Will the House agree to the amendment?

AMENDMENT WITHDRAWN

The SPEAKER. On that question, the Speaker recognizes the gentleman, Mr. DeLuca.

Mr. DeLUCA. Thank you, Mr. Speaker.

Mr. Speaker, I am going to withdraw this amendment, but I would like to just say a few words about it.

The SPEAKER. The gentleman is in order.

Mr. DeLUCA. Mr. Speaker, this amendment is the bill that we have passed twice in the House of Representatives pertaining to cancer clinical trials. Now, we all know and we all have been touched by somebody, God forbid, who has had cancer. What I find egregious is the fact that— All we are asking for in this amendment in the bill that we passed twice in the House is that the routine care, God forbid, if you get cancer, would be covered if you go into a cancer clinical trial. A lot of people in the middle age groups are not going into cancer clinical trials because of the fact that they cannot afford to pay for this routine care. Twenty-four States have done this, and there are about 10 other States that are going to do it.

The reason I am withdrawing this amendment is because of the fact that I recognize that SB 1096 needs to be moved without amendments for us to take advantage of the Federal money, but I intend to continue to work on cancer clinical trials because I believe that if we are going to continue to make progress against this dreadful disease, that we need to have more people going into these cancer clinical trials that could possibly save not only ourselves but our children and our grandchildren and the future generation.

So with that, Mr. Speaker, I will withdraw the amendment, and I thank you for the opportunity to discuss it. Thank you, Mr. Speaker.

The SPEAKER. The Speaker thanks the gentleman.

On the question recurring,

Will the House agree to the bill on second consideration?

Mr. **M. SMITH** offered the following amendment
No. **A03746**:

Amend Bill, page 1, line 11, by inserting after "laws,""

further providing for reimbursement for diabetic supplies; and in surplus lines,

Amend Bill, page 1, lines 23 through 25, by striking out all of said lines and inserting

Section 634. Reimbursement for Diabetic Supplies.—(a) Except to the extent already covered under another policy, any individual or group health, sickness and accident insurance policy, group health insurance plans/policies, and all other forms of managed/capitated care

Amend Bill, page 21, line 8, by striking out "immediately." and inserting as follows:

- (1) The amendment of section 634(a) of the act shall take effect in 60 days.
- (2) The remainder of this act shall take effect immediately.

On the question,
Will the House agree to the amendment?

AMENDMENT WITHDRAWN

The SPEAKER. On that question, the Speaker recognizes the gentleman, Mr. Matt Smith.

Mr. M. SMITH. Thank you, Mr. Speaker.

After consultation with the majority leader, I am going to withdraw this amendment, although I do believe it is an important issue for the Commonwealth and for all those individuals who suffer from diabetes. I will continue to pursue this as a stand-alone bill so that we ensure that those individuals receive coverage for their diabetic neuropathy, but at this time I am going to withdraw the amendment, Mr. Speaker. Thank you.

The SPEAKER. The Speaker thanks the gentleman.

On the question recurring,
Will the House agree to the bill on second consideration?
Bill was agreed to.

* * *

The House proceeded to second consideration of **SB 1097, PN 1279**, entitled:

An Act amending the act of July 6, 1917 (P.L.723, No.262), entitled "An act imposing a tax on premiums of insurance and reinsurance in foreign insurance companies and associations not registered in this Commonwealth; providing the method of collection of such tax, and imposing penalties," further providing for tax on contracts with unauthorized companies and deductions.

On the question,
Will the House agree to the bill on second consideration?
Bill was agreed to.

* * *

The House proceeded to second consideration of **SB 101, PN 153**, entitled:

An Act amending Title 65 (Public Officers) of the Pennsylvania Consolidated Statutes, further providing for a penalty.

On the question,
Will the House agree to the bill on second consideration?

Mr. **VEREB** offered the following amendment No. **A03623**:

Amend Bill, page 1, line 8, by inserting before "Any"

(a) Fines and costs.

Amend Bill, page 1, line 11, by inserting a bracket before "a"

Amend Bill, page 1, line 11, by striking out the bracket before "\$100"

Amend Bill, page 1, line 11, by striking out "]" \$1,000"

Amend Bill, page 1, line 12, by striking out the bracket after "prosecution"

Amend Bill, page 1, lines 12 through 14, by striking out "for a first offense and a fine not exceeding" in line 12, all of line 13 and "offense." in line 14 and inserting

:

(1) For a first offense, the costs of prosecution plus a fine of at least \$100 and, in the discretion of the sentencing authority, of not more than \$1,000.

(2) For a second or subsequent offense, the costs of prosecution plus a fine of at least \$500 and, in the discretion of the sentencing authority, of not more than \$2,000.

(b) Payment.

On the question,
Will the House agree to the amendment?

The SPEAKER. On that question, the Speaker recognizes the gentleman, Mr. Vereb.

Mr. VEREB. Thank you, Mr. Speaker.

This is an agreed-to amendment with the author of SB 101. What this amendment does is establishes minimum penalties: \$100 plus cost of prosecution for first offense and \$500 plus cost of prosecution for second offense. Currently the fine is up to \$100.

Thank you, Mr. Speaker.

The SPEAKER. The question is, will the House agree to the amendment?

On that question, the Speaker recognizes the gentleman from Delaware County, Mr. Vitali.

Mr. VITALI. Thank you.

Will the gentleman from Montgomery County stand for brief interrogation?

The SPEAKER. The gentleman indicates he will stand for interrogation. You may proceed.

Mr. VITALI. I just want to clarify whether this amendment makes – what is the right word? – reduces the ultimate penalties that the bill if unamended would impose?

Mr. VEREB. No. This actually, I think the sponsor had fines of significant levels. I think that when it got through the Senate, there was no minimum. I think it was just a listed fine. This gives more flexibility. So this could potentially be an increase of what came over from the Senate, but if you can understand this, it would be a decrease of what the Senate originally intended.

Mr. VITALI. Do you know, I know that the bill in chief is opposed by the School Boards Association and the township supervisors. I have letters from them in my file. Do you know if they have weighed in on this amendment or not, whether they support or oppose this amendment as making it more favorable or less favorable to their associations?

Mr. VEREB. I am not aware.

Mr. VITALI. Thank you.

On the question recurring,
Will the House agree to the amendment?

STATEMENT BY MISS PARKER

The SPEAKER. Does the lady from Philadelphia, Miss Parker, seek recognition under unanimous consent relative to the legislation?

Miss PARKER. Yes, Mr. Speaker.

The SPEAKER. The lady may proceed.

Miss PARKER. Thank you, Mr. Speaker.

I just wanted to take this opportunity to rise to thank members from both sides of the aisle for their unanimous support for HB 1264. It has been a long time coming, Mr. Speaker. I started working on this issue in 2007, and I immediately reached out to the gentelady from Montgomery County from the other side of the aisle to seek her support in an effort to bring some much-needed balance to the scales of justice in the Commonwealth of Pennsylvania.

It was when I learned that Pennsylvania was the only State that explicitly did not allow experts to testify in cases of sexual assault that I started working on this, and I have to state for the record that from the beginning to the end, this bill was moved in a bipartisan manner. Our Judiciary chairmen on both sides of the aisle, our leaders on both sides of the aisle, and even to you, Mr. Speaker, I thank you for your support, and members of this body. To Deb Harley and also to Diane; thank you, Diane Moyer and Deb Harley for your hard work and determination in making this a success. Thank you, Mr. Speaker.

The SPEAKER. The Speaker thanks the lady.

STATEMENT BY MR. MURT

The SPEAKER. Does the gentleman from Montgomery, Mr. Murt, seek recognition under unanimous consent relative to the legislation that just passed?

Mr. MURT. That is affirmative, Mr. Speaker.

The SPEAKER. The gentleman may proceed.

Mr. MURT. Mr. Speaker, the explosion in Pennsylvania-based film and television production is turning our Commonwealth into what journalism has called the Hollywood of the east. In the last decade, film and TV production in our Commonwealth has doubled. The film tax credit, as well as our outstanding natural and historical resources, have made Pennsylvania an excellent place for filmmakers and production companies to do business. Unfortunately, our State's child labor laws regulating entertainment were written when Milton Berle and Lucille Ball were the king and queen of television, years before color television, HBO, and reality TV. No one is as confused by our nebulous child labor laws as the members of the Motion Picture Association of America. They are the film producers who sent Rocky bounding up the steps of the Philadelphia Art Museum and helped Haley Joel Osment see ghosts in the Pennsylvania-based hit "The Sixth Sense." HB 1548 is the culmination of discussions between the MPAA, former child actor turned advocate Paul Petersen from "The Donna Reed Show," casting agents, the Screen Actors Guild, as well as many other stakeholders.

I want to thank them and all the sides of this serious issue for coming together for the betterment of children who work in the entertainment industry. I especially want to thank the members of this House, and especially Representative Marc Gergely, who chaired a very high-profile hearing on this issue. We are frequently advised to follow the lead of other States in enacting legislation, but, Mr. Speaker, with this initiative, we are not following anybody; we are leading them. Mr. Speaker, make no mistake: Child actors, child entertainers, and child performers are child workers, and they deserve the protection of HB 1548.

HB 1548 places a studio teacher on the set of a production where a child is working. It ensures that children under the age of 16 on a film set are accompanied by a parent or a guardian at all times. It limits the hours that child actors can work and ensures that child actors are finished working at a reasonable hour, but especially on school nights. HB 1548 also requires that 15 percent of a child's gross earnings are put in trust for a child actor until they reach the age of 18, so as to avoid the tragic stories experienced by former child actors like Jackie Coogan and Gary Coleman, to name a few.

By reforming Pennsylvania's child labor laws, we will fuel TV and film production in the Commonwealth. We will be giving the industry the clear legal guidelines for which the MPAA has asked. And finally, we are making sure that child performers who work in the entertainment industry in Pennsylvania are paid and their health is protected. It is time to reform our child labor laws in Pennsylvania, and HB 1548 is the vehicle that will accomplish this objective.

Thank you, Mr. Speaker.

The SPEAKER. The Speaker thanks the gentleman.

REMARKS SUBMITTED FOR THE RECORD

The SPEAKER. For what purpose does the lady, Ms. Mundy, rise?

Ms. MUNDY. Mr. Speaker, I have remarks that I would like to enter for the record on HB 934.

The SPEAKER. The lady may deliver the remarks to the clerk and they will be spread upon the record. The Speaker thanks the lady.

Ms. MUNDY submitted the following remarks for the Legislative Journal:

Mr. Speaker, I spent almost two decades of my life before election to the General Assembly as a volunteer for the League of Women Voters, and 4 of those years were as president of my local league.

The League of Women Voters promotes citizen participation in government, believing strongly that a government of, by, and for the people requires an active citizenry that participates in every election at all levels of government. Voting is so very fundamental to our democratic process that any attempt to suppress it flies in the face of American principles.

And so as you might expect, I rise in extreme opposition to this bill that does just the opposite of what I spent years of my life working toward, and that is to remove barriers to citizen participation in elections. This bill erects barriers. It makes citizens jump through hoops to cast a ballot. Usually, I would simply say that this bill is unwise, but I must say, given my long history of working on these issues, that this bill is un-American and unfair to those conscientious voters that I represent.

Now, if the supporters of this measure could show us evidence of any widespread voter fraud or any good reason to require photo ID at each election, I might believe differently, because no one wants to see votes cast fraudulently. But in all the many hours of debate, there has been no evidence, no evidence of any voter fraud that would make requiring our senior citizens, victims of domestic violence, veterans, the disabled to jump through these additional hoops in order to exercise their constitutional right to vote.

And finally, Mr. Speaker, the very idea that the majority party would believe it is reasonable to spend millions of hard-earned taxpayer dollars, some \$7 million, on something so unnecessary, especially in a budget year where you are inflicting so much pain on so many.

I do not understand the logic. I do not understand the values. I do not understand why you would promote such a measure.

I urge good people to stand in opposition to this unnecessary and expensive piece of legislation.

LEAVE OF ABSENCE

The SPEAKER. The Speaker returns to leaves of absence and recognizes the majority whip, who requests a leave of absence for the gentleman, Mr. CUTLER, for the remainder of the day. Without objection, the leave will be granted.

STATEMENT BY MRS. WATSON

The SPEAKER. For what purpose does the lady from Bucks, Mrs. Watson, rise?

Mrs. WATSON. Mr. Speaker, I believe it would be a point of personal privilege to say something about a previous bill that was passed. Is that possible now or would you like me to wait, sir?

The SPEAKER. That would actually be, if you are talking about legislation, that would actually be under unanimous consent.

Mrs. WATSON. Unanimous consent, then.

The SPEAKER. The lady is recognized under unanimous consent.

Mrs. WATSON. Thank you, Mr. Speaker.

Mr. Speaker, if I just for a second could have your attention, I would like to thank you. It seems a bit odd that I would be thanking for a Senate bill, but a few minutes ago we passed Senator Corman's bill and it was certificate of stillbirth. It is identical to the bill that you were kind enough to pass that I had put forward. This is not for me with the thank-you, but on behalf of all those families across Pennsylvania who suffered this tragedy, who still live with this tragedy, and on behalf of their leader, who really was the grassroots advocate, Mrs. Dorothy Knappenberger. I want to thank you for passing Senator Corman's bill so that those folks who have lived with this can have that certificate from Pennsylvania. You did a very good thing today, and I thank you so much on behalf of those families.

Thank you, Mr. Speaker.

The SPEAKER. The Speaker thanks the lady.

VOTE CORRECTION

Mrs. DAVIS. I would like to switch from "yes" to "no."

The SPEAKER. Would the lady repeat the bill? I did not hear it.

Mrs. DAVIS. SB 1062. Correct the record, please.

The SPEAKER. Will the gentleman state her— Excuse me; will they lady state her correction?

Mrs. DAVIS. From "yes" to "no."

The SPEAKER. The lady's remarks will be spread upon the record.

Mrs. DAVIS. Thank you, Mr. Speaker.

RULES COMMITTEE MEETING

The SPEAKER. Does the majority leader, Mr. Turzai, seek recognition for the purpose of calling a meeting announcement?

Mr. TURZAI. Yes, sir.

Mr. Speaker, we are going to have an immediate Rules Committee meeting in the majority leader's conference room; Rules Committee meeting in the majority leader's conference room immediately. Thank you.

The SPEAKER. There will be an immediate Rules Committee meeting in the majority leader's conference room.

For the information of the members, it is not expected that this meeting will take very long, so the House will be at ease for the duration of the committee meeting.

VOTE CORRECTION

The SPEAKER. Before we do that, the gentleman, Mr. Hess, for what purpose do you seek recognition?

Mr. HESS. To correct the record, Mr. Speaker.

The SPEAKER. The gentleman may state his correction.

Mr. HESS. On Wednesday, June 22, on HB 838, I was recorded in the negative and I would like to be recorded in the affirmative.

The SPEAKER. The gentleman's remarks will be spread upon the record.

The House will be at ease.

The House will come to order.

BILLS ON SECOND CONSIDERATION

The House proceeded to second consideration of **SB 723, PN 707**, entitled:

An Act designating the bridge that connects South Williamsport to Williamsport, known as the Market Street Bridge, carrying U.S. Route 15 over the Susquehanna River in Loyalsock Township, Lycoming County, as the Carl E. Stotz Memorial Little League Bridge.

On the question,
Will the House agree to the bill on second consideration?

Mr. **DeWEESE** offered the following amendment
No. **A03643**:

Amend Bill, page 1, line 5, by inserting after "Bridge"
; and designating the bridge that carries Pennsylvania Turnpike Route
43 over the Monongahela River between Denbo in the Borough of
Centerville, County of Washington, and Alicia in the Township of
Luzerne, County of Fayette, as the PFC Ronald C. "Smokey" Bakewell
Memorial Bridge

Amend Bill, page 2, by inserting between lines 20 and 21
Section 2. PFC Ronald C. "Smokey" Bakewell Memorial Bridge.

(a) Declaration.—The General Assembly declares that Private
First Class Ronald C. "Smokey" Bakewell made the ultimate sacrifice
for this Commonwealth on August 2, 1968, when he died from hostile,
small arms fire while serving in the Army of the United States in South
Vietnam. On June 16, 1968, PFC Bakewell, age 20, was assigned to C
Company, 1st Battalion, 5th Cavalry, 1st Air Cavalry Division, when
less than two months later his life ended in the service of his country.

(b) Designation.—The bridge that carries Pennsylvania Turnpike
Route 43 over the Monongahela River between Denbo in the Borough
of Centerville, County of Washington, and Alicia in the Township of
Luzerne, County of Fayette, is designated the PFC Ronald C.
"Smokey" Bakewell Memorial Bridge.

(c) Signs.—The Pennsylvania Turnpike Commission shall place
and maintain appropriate signs at both ends of the bridge as designated
in subsection (b).

Amend Bill, page 2, line 21, by striking out "2" and inserting
3

On the question,
Will the House agree to the amendment?

AMENDMENT WITHDRAWN

The SPEAKER. On that question, the Speaker recognizes the
gentleman, Mr. DeWeese.

Mr. DeWEESE. Thank you, Mr. Speaker.

After lengthy discussions with the gentleman, Mr. Mirabito,
and with my honorable colleague, Mr. Garth Everett, I withdraw
my amendment. The amendment would have been one that
would have duplicated the legislation that we passed recently
naming a bridge in my district after a deceased Vietnam vet.
That proposal passed unanimously, and Senator Rafferty has
indicated his willingness to consider my proposal at a
subsequent date. I do not want to hold up the naming of a bridge
that would honor the Little League World Series. I never made
the Little League World Series, but I did make the all-stars, and
now I am on Garth Everett's all-star team. I take my amendment
from the bill. Thank you.

The SPEAKER. The Speaker thanks the gentleman.

The question is, will the House agree to the bill?

On that question, the Speaker recognizes the gentleman from
Luzerne, Mr. Everett.

Mr. EVERETT. Thank you, Mr. Speaker.

I would just like to thank the gentleman from Greene for
withdrawing his amendment and would ask for an affirmative
vote on the bill. Thank you.

On the question recurring,
Will the House agree to the bill on second consideration?
Bill was agreed to.

The House proceeded to second consideration of **SB 728**,
PN 734, entitled:

An Act designating a bridge on that portion of Interstate 99 in
Freedom Township, Blair County, as the Cpl. Harry Raymond Harr
Memorial Bridge.

On the question,
Will the House agree to the bill on second consideration?

The SPEAKER. On that question, it is the Speaker's
understanding that the gentleman, Mr. DeWeese, has withdrawn
his amendment from this bill as well. The gentleman indicates
his amendment has been withdrawn.

On the question recurring,
Will the House agree to the bill on second consideration?
Bill was agreed to.

known as the Public School Code of 1949, further providing for
continuing professional development and for program of continuing
professional development.

On the question,
Will the House agree to the bill on third consideration?
Bill was agreed to.

The SPEAKER. This bill has been considered on three
different days and agreed to and is now on final passage.

The question is, shall the bill pass finally?

On that question, the Speaker recognizes the gentleman from
Allegheny, Mr. Matt Smith.

Mr. M. SMITH. Thank you, Mr. Speaker.

Mr. Speaker, I had an amendment timely filed to this
particular bill that was mistakenly withdrawn yesterday, but
after consulting with the majority leader, I am not going to ask
for a suspension motion. The amendment dealt with allowing
graduating high school seniors to wear their military dress
uniform if they had complied with graduation and were in active
United States Armed Forces. It was the same amendment that
we unanimously passed to HB 1307, but due to the fact that

I have assurance from the majority leader that the bill will run stand-alone on the floor, through committee and on the floor in the near future, I will not ask for a suspension motion to attach the amendment at this time.

Thank you, Mr. Speaker.

On the question recurring,
Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

The SPEAKER. Does the lady from Warren, Ms. Rapp, seek recognition under unanimous consent relative to the legislation that just passed?

Ms. RAPP. Yes.

The SPEAKER. The lady may proceed.

Ms. RAPP. Thank you, Mr. Speaker.

I would just like to thank my colleagues for the vote today on this important piece of legislation that provides mandate relief for school districts. It provides a 2-year moratorium on Act 48 credits, which in some school districts could save over \$500,000 per year in their budgets. It is an optional bill, but I appreciate everyone's vote on this very important piece of legislation for mandate relief for our school districts across the State of Pennsylvania.

Mr. GEIST. I am sorry, Mr. Speaker. I was trying to get your attention before you called the bill up. I had a question of the Chair. It was just a basic question of decorum. Has the Speaker granted permission for members to remove their outer garments?

The SPEAKER. The gentleman, Mr. Geist, under a point of parliamentary inquiry has raised the question of whether the Chair had given members permission to take off their outer garment. The answer is, no, the Speaker has not done so.

BILLS ON CONCURRENCE IN SENATE AMENDMENTS

The House proceeded to consideration of concurrence in Senate amendments to **HB 440, PN 2084**, entitled:

An Act amending the act of June 2, 1915 (P.L.736, No.338), known as the Workers' Compensation Act, providing for insurance for different forms of business; repealing provisions on logging; and further providing for assessments and transfers from the Administration Fund.

On the question,
Will the House concur in Senate amendments?

The SPEAKER. Moved by the gentleman, Mr. Mustio, that the House concur in the amendments inserted by the Senate.

The Speaker recognizes the gentleman, Mr. Mustio, for a brief description of the Senate amendments.

Mr. MUSTIO. Thank you, Mr. Speaker.

A couple years ago, actually in 2006, we established the Uninsured Employers Guaranty Fund that provides coverage for injured workers whose employers did not have workers' compensation insurance. That fund is becoming insolvent and there is going to be a transfer of funds from the workers' compensation administration fund to take care of that insolvency, and the Senate amended HB 440 with that language.

The SPEAKER. The Speaker thanks the gentleman.

The question before the House is concurrence on Senate amendments to HB 440.

On that question, the Speaker recognizes the gentleman from Philadelphia, Mr. Brendan Boyle.

Mr. B. BOYLE. Thank you, Mr. Speaker.

I just want to rise to support concurrence for HB 440. As the gentleman from Allegheny County mentioned, the Senate amendments help take care of the insolvency issue with the UEGF (Uninsured Employer Guaranty Fund). It does not completely solve the problem, but this \$4 million transfer of funds is a step in the right direction.

REMARKS SUBMITTED FOR THE RECORD

Mr. B. BOYLE. Given the lateness of our session yesterday and how everyone is feeling today, I would like to conclude with that and just submit the remainder of my remarks for the record.

The SPEAKER. The Speaker thanks the gentleman.

Mr. B. BOYLE submitted the following remarks for the Legislative Journal:

Mr. Speaker, I would like to share my support for this legislation and particularly the amendment added by the Senate Labor and Industry Committee transferring \$4 million from the Workers' Compensation Administration Fund to the Uninsured Employer Guaranty Fund (known as the UEGF).

The addition of language to address funding for the UEGF was deeply important to me, and I introduced legislation that would do so earlier this session, as HB 136.

As many of you may know, the UEGF was established by Act 147 of 2006 in order to provide workers' compensation benefits to injured workers whose employers break the law and fail to carry required insurance coverage required under the Workers' Compensation Act.

Prior to the creation of the UEGF in 2006, injured workers often had minimal chances of recovering medical costs or benefits from uninsured employers. In the event that a legal action was successful, it often took years and employers refused or could not afford to pay.

Now, with UEGF, workers are assured of a backup source for benefits and are assured legal counsel – the UEGF recovers costs and benefits from employers.

We were informed late last year that the UEGF is running out of money and would not be able to meet all anticipated claim costs for this year – the fund was expected to be exhausted this summer.

My legislation, HB 136, was recommended by the Department of Labor and Industry and the Workers' Compensation Advisory Council and would have approached this issue in a different way, by increasing the existing assessment on insurers and self-insured employers from the current 0.1 percent to up to 0.5 percent and giving the department more options in recovering payments and legal costs from employers who have broken the law.

Nonetheless, I am supportive of the revenue transfer included in HB 440 because it is important that we act quickly to maintain a positive account balance in the UEGF.

However, it is my hope that this issue will remain in the forefront. I hope that we will examine other alternatives that will ensure the stability of the UEGF in the future, including the mechanisms provided by HB 136. We must continue to reassure injured workers who must utilize this fund – that is, those who are victims of employers who have broken the law by not carrying insurance – that they will have the resources they need to cover their medical bills and provide for their families in the event of a workplace accident.

On the question recurring,
Will the House concur in Senate amendments?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

Mr. LONGIETTI. Thank you, Mr. Speaker.

I wish to be recognized to correct the record.

The SPEAKER. The gentleman may state his correction.

Mr. LONGIETTI. On the vote yesterday on HB 934, on the motion to call the previous question on the motion to adjourn offered by the majority leader, I was recorded as not voting. My button malfunctioned and I would like to be recorded in the negative.

And on the vote that followed, which was the motion to adjourn, offered by the minority leader, I was again recorded as not voting. My button malfunctioned, and I would like to be recorded in the affirmative.

The SPEAKER. The gentleman's remarks will be spread upon the record.

REMARKS SUBMITTED FOR THE RECORD

The SPEAKER. For what purpose does the lady, Ms. Donatucci, rise?

Ms. DONATUCCI. Unanimous consent.

The SPEAKER. The lady may proceed under unanimous consent.

Ms. DONATUCCI. Thank you, Mr. Speaker.

I would just like to submit my remarks for HB 934 for the record.

The SPEAKER. The lady will deliver them to the clerk and they will be placed on the record.

Ms. DONATUCCI. Thank you, Mr. Speaker.

The SPEAKER. The Speaker thanks the lady.

Ms. DONATUCCI submitted the following remarks for the Legislative Journal:

Mr. Speaker, there are little old ladies in my district who walk to the polls, but they do not carry purses or they put them in little brown bags for fear of being victimized. I doubt these ladies have photo IDs on them; actually, I doubt they would even think of bringing IDs with them – if they even have a photo ID.

Mr. Speaker, I doubt these little ladies are causing voter fraud.

Therefore, Mr. Speaker and members of this chamber, join me in voting "no" on HB 934.
