LEGISLATIVE JOURNAL

MONDAY, MAY 7, 2012

SESSION OF 2012

196TH OF THE GENERAL ASSEMBLY

No. 27

HOUSE OF REPRESENTATIVES

The House convened at 1 p.m., e.d.t.

**THE SPEAKER (SAMUEL H. SMITH)
PRESIDING**

PRAYER

The SPEAKER. Today the prayer will be offered by Rev. Harold Mele, Lower Burrell, Pennsylvania.

REV. HAROLD L. MELE, JR., Guest Chaplain of the House of Representatives, offered the following prayer:

In the name of the Father, and of the Son, and of the Holy Spirit.

Dear Father, I come to You in the mighty name of Your son, thanking You and praising You for our great Commonwealth. I thank You for the plan You gave to our forefathers by which to govern our Commonwealth and for the division of powers so that our destiny does not rest in the hands of one person.

In praying for those in authority, I lift up our House of Representatives. I pray that by Your power our legislative body would make laws that are just. Father, I ask You to give them wisdom to make decisions that would strengthen and prosper the Commonwealth of Pennsylvania. I desire that they would make right decisions concerning the politics, the social welfare and economics of this great Commonwealth. I pray that You would cause our House of Representatives to be motivated more by Your hand than by the partisan or personal concerns.

I pray all these things in the name of the Father, and of the Son, and of the Holy Spirit. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

2011 PENNSYLVANIA STATE HOMECOMING QUEEN PRESENTED

The SPEAKER. I would like to invite Representative Sainato to the rostrum for the purpose of presenting a citation to Miss Maeghan Moss, the 2011 Pennsylvania Homecoming Queen.

The gentleman, Mr. Sainato, may proceed.

Mr. SAINATO. Thank you, Mr. Speaker.

It gives me great pride to be here to introduce to you today Miss Maeghan Moss, the 2011 Pennsylvania State Homecoming Queen. Maeghan is the daughter of Richard and Cynthia Moss of Neshannock Township in Lawrence County. At this time I would like to have Mr. and Mrs. Moss and their daughter stand, their daughter, Kelsey. Thank you.

Maeghan is 18 years old. She just completed her freshman year at the University of Pittsburgh, where she is a pharmacy major. Maeghan is also a current member and secretary of the Lambda Sigma Honor and Service Society of Pitt.

Prior to winning the State homecoming queen title, Maeghan was selected by her peers to be named the 2010-2011 Neshannock High School Homecoming Queen in October of 2010. With the high school title, she was invited to be part of the parade, pregame, and halftime festivities with 107 other high school homecoming queens from across the nation at the 2010 AutoZone Liberty Bowl college game in Memphis, Tennessee. All homecoming queens were escorted on the field by the U.S. National Guardsmen.

In March 2011 Maeghan was crowned Pennsylvania State Homecoming Queen during a 2-day competition in Lancaster. The pageant focuses on reinforcing the teachings of each contestant's home, school, and church as models of

self-confidence in young women. The competition also provides opportunities for young women to showcase their leadership skills and pursue their dreams.

As Pennsylvania State Homecoming Queen, Maeghan received a trip to Disneyland in California in July 2011 to compete with other homecoming queens across the nation. While there she received her Pennsylvania State crown along with an America's Homecoming Queen scholarship.

This August Maeghan will return to the University of Pittsburgh campus to begin her sophomore year. While there she will continue to study pharmacy with the hopes of achieving a doctorate degree from the University of Pittsburgh's School of Pharmacy. She plans to use her degree to make a difference in the lives of many people, though some would argue she has already done so.

Thank you, Mr. Speaker, for allowing me to introduce Maeghan Moss, the Pennsylvania State Homecoming Queen.

At this time I would like to present Maeghan with a legislative citation on behalf of the Pennsylvania House of Representatives. Maeghan.

The SPEAKER. The Speaker thanks the gentleman.

BALDWIN HIGH SCHOOL VARSITY ROLLER HOCKEY TEAM PRESENTED

The SPEAKER. I would like to invite Representative Readshaw and Representative Kortz to the rostrum for the purpose of presenting a citation to the Baldwin High School Hockey Team.

The gentleman, Mr. Readshaw, may proceed.

Mr. READSHAW. Thank you, Mr. Speaker.

Mr. Speaker, it is with great pride that we welcome the Baldwin High School Varsity Roller Hockey Team State Champs here today to the House of Representatives. The purpose today, obviously, is to present a citation to them, and Representative Kortz will have a few remarks and they will be recognized. So we thank you for your attention.

From the House of Representatives, "WHEREAS, The House of Representatives of Pennsylvania is always pleased to recognize the outstanding achievements realized by the youth of this nation in a spirit of personal sacrifice, commitment to a common goal and unity of purpose; and

"WHEREAS, The Baldwin High School Varsity Roller Hockey Team is being honored upon capturing the 2011-2012 Pennsylvania Interscholastic Roller Hockey League...Varsity Division, the 2011-2012...Penguins Chalice and the 2011-2012 Amateur Athletic Union Pennsylvania State Roller Hockey Championship; and

"WHEREAS, Through hard work and determination, the Baldwin High School Varsity Roller Hockey Team amassed a season record of 15 wins and 7 losses, and won eleven and its final twelve games. Under the expert guidance of Coaches Dave Stock and Steve Steiner, the team was comprised of Kaleb Reckley, Matt Metzler, Zach Alaimo, Christopher Kaercher, Bailey Kavanaugh, Jesse Powell, Anthony Alaimo, Tyler Grant and Matt Doyle. The members of the Baldwin High School Varsity Roller Hockey Team are truly deserving of recognition and praise for utilizing their exceptional ability with diligence and for their tenacious pursuit of athletic excellence.

"NOW THEREFORE, The House of Representatives of the Commonwealth of Pennsylvania heartily congratulates the Baldwin High School Varsity Roller Hockey Team upon its stellar season and championship victories; acknowledges its investment of skill and effort in competing on a level which demands perfection; offers best wishes for continued success in all future endeavors;"

"AND DIRECTS That a copy of this citation, sponsored by Representative Harry A. Readshaw and Representative Bill Kortz..., be transmitted to the Baldwin High School Varsity Roller Hockey Team..." on this day.

We extend our best congratulations and pride, and I would like Representative Bill Kortz to say a few words.

The SPEAKER. The gentleman, Mr. Kortz, is recognized.

Mr. KORTZ. Thank you, Mr. Speaker.

I am honored to be here today to recognize this championship team from western Pennsylvania. Under the guidance of their good coaches, Dave Stock and Steve Steiner, these young men worked very hard as a team to become number one in this State, Mr. Speaker.

En route to their championship, this team beat Shaler and Bethel Park in the PIRHL playoffs before defeating Penn Trafford in the finals. Baldwin swept the first two games of a three-game series with Penn Trafford, including an 8-nothing shutout by goalkeeper Matt Metzler in the finale to win the PIRHL Championship, the Penguins Chalice, as well as the AAU Pennsylvania State Championship.

I would ask at this time if the remaining team members would please rise in the back of the House and the parents that are in the gallery. Representative Readshaw and I would ask all our colleagues to join with us recognizing and congratulating the Baldwin High School Varsity Roller Hockey State Champions.

Congratulations, young men.

The SPEAKER. The Speaker thanks the gentleman.

ARCHBISHOP CARROLL HIGH SCHOOL GIRLS VARSITY BASKETBALL TEAM PRESENTED

The SPEAKER. I would like to invite the gentleman, Mr. Adolph, to the rostrum for the purpose of presenting a citation to the Archbishop Carroll Girls Varsity Basketball Team.

Mr. ADOLPH. Thank you, Mr. Speaker.

Mr. Speaker, if the other members of the Delaware County delegation would like to join me, I am sure the girls would appreciate it.

It is with great excitement that I stand here to recognize the Archbishop Carroll High School Girls Basketball Team from Radnor Township for winning the 2011-2012 PIAA State AAAA Girls Basketball Championship.

Archbishop Carroll defeated Oakland Catholic at Penn State University. I believe the score was 53-35. By accumulating a record of 29 wins and 2 losses, the girls also won the Philadelphia Catholic League Championship and were also the PIAA District 12 AAAA Champions. This remarkable group of young women exemplifies what hard work and dedication can do.

In addition to their notable scholastic achievement, these tremendous athletes have captured two State titles under Coach Creighton. I want to congratulate these young women and their coaches for an extraordinary achievement.

Joining me at the rostrum are Coach Chuck Creighton; Father Casey, the president of Archbishop Carroll; and the captains of the team, Meg Creighton, Shannon Shields, and Rachel Pearson. Joining their teammates in the back of the hall, if you girls would please rise, we have Bridget McNulty, Keara McNulty, Cara Santoleri, Kerri Hunt, Ann McKnight, Olivia Derogatis, Lexi Stover, Margaret Filipelli, Kristie Costantino, Sarah Curran, and Maddie Wallace. Also with us are athletic director Gerry Olinger and Angelo Savelloni, the statistician.

I would appreciate if the members of the House would give the Archbishop Carroll Girls Championship Team a round of applause for their accomplishments.

Thank you very much.

The SPEAKER. The Speaker thanks the gentleman.

STATEMENT BY MRS. SWANGER

The SPEAKER. Is the lady from Lebanon County, Mrs. Swanger, seeking recognition under unanimous consent relative to HR 680, which was just adopted?

Mrs. SWANGER. Thank you, Mr. Speaker.

I want to thank all my colleagues for voting favorably on this resolution.

I have had some personal experience with melanoma in that my sister-in-law was diagnosed with stage 4 metastatic melanoma about 4 years ago. She was given 6 to 9 months to live. Fortunately, she was among the less than 10 percent who have successfully reacted to treatment and today she is cancer-free.

But melanoma is increasing by leaps and bounds, especially among our young women. In the last few years, it increased by about eightfold and experts attribute a lot of this increase to the use of tanning beds, especially by teenagers.

I will be, hopefully, offering some legislation or an amendment to legislation to ban the use of tanning beds by anyone under 18, and I hope that when that is introduced and considered on the floor, that you will support my efforts.

Thank you very much for your support of this resolution.

ANNOUNCEMENT BY SPEAKER

The SPEAKER. As a point of information and an announcement to the members as well, we have a condolence resolution, actually two condolence resolutions. One of them involves a family of a police officer who was killed in the line of duty, and they are just on their way. They are going to be coming over here from the Senate just in a few minutes, and out of respect for them, instead of waiting until 3:30 or so, what I would like to do is for us to go at ease right now, allow the Appropriations Committee to hold its meeting, and I would appreciate if the members would remain close by here so that we could properly recognize the police officer and give respect to his family, who are in the building, and they will be on their way over here shortly.

So the House will be at ease for a few moments for the Appropriations Committee meeting and then we can take up the condolence resolutions.

Will the House come to order.

If the members could kindly take their seats.

CALENDAR

RESOLUTION PURSUANT TO RULE 35

Mr. NEUMAN called up **HR 578, PN 3109**, entitled:

A Resolution honoring the life of fallen Police Officer John David Dryer, who died in the line of duty on December 19, 2011, in East Washington Borough, Washington County.

On the question,

Will the House adopt the resolution?

The SPEAKER. On that question, the Speaker recognizes the gentleman, Mr. Neuman.

Mr. NEUMAN. Thank you, Mr. Speaker, and thank you, Mr. Speaker, for holding this so that the family could be here and witness the passage of this resolution.

On December 19, 2011, we were actually here, and I got up and I spoke briefly about what was happening in my district, and it was December 18 that the shooting occurred. December 19 is the day that we lost a hero in Washington County, and it is very much noticed on our streets already, because John David Dryer was not just a police officer. He was a veterinarian, he was a volunteer fireman, he was a father, he was a son, he was a friend to many, and he will never be forgotten.

And for those of you who do not know John David Dryer, we called him David. And I did not know David as well as I would like to have, but he grew up on a farm in Avella. He developed a passion for animals and he went to a veterinarian

school at Ohio State University, and after that he also became a police officer and graduated from the police academy at California University of Pennsylvania. He was a volunteer fireman; he opened up his own veterinarian clinic, and he was a true, true public servant.

With his passion for animals, he was very well trained as a K-9 officer, and truly his specialty was guiding the bloodhounds to find what they needed to find. And on the night of December 18, what we would assume is a routine traffic stop – but as we know, nothing is routine for police officers – David pulled a gentleman over and it turned catastrophic after that, and the main concern of David, as we are told, was the protection of his partner. His partner was shot and wounded as well.

GUESTS INTRODUCED

Mr. NEUMAN. So today here with us – we had the memorial service today for the F.O.P. (Fraternal Order of Police) – and today with us is David's family; his friends; the mayor of East Washington; the chief of East Washington Police; some of his colleagues from the department; most notably his parents, John and JoAnn; and his son and his best friend, Benjamin. If they would all please rise to be recognized before this House.

There are absolutely no words to make sense of this awful tragedy, but I would like to show my support and our support and appreciation by passing this resolution. I ask that we stand, we pause for a moment, reflect the life of David Dryer, and know that we already miss David in our community, but he will never be forgotten for the sacrifices he made for our area and the way that he protected the lives of others, and we will continue to reflect on David's life and let him live on. So please rise, and I ask for unanimous support of HR 578.

The SPEAKER. Members and all guests will please rise as a sign of respect for the fallen police officer and a moment of prayer for his family and friends.

(A moment of silence was observed.)

On the question recurring,

Will the House adopt the resolution?

STATEMENT BY MR. NEUMAN

The SPEAKER. Is the gentleman, Mr. Neuman, seeking further recognition?

Mr. NEUMAN. Yes, Mr. Speaker, very briefly.

I just want to thank everybody for the passage of that resolution.

Representative White and I see it every day how much David is missed, and there is nobody who has a bad word to say about David. He is a true hero, a fallen hero, and we will never forget him, and I will not let this body forget him as long as I am here. Thank you, Mr. Speaker.

The SPEAKER. The Speaker thanks the gentleman.

RESOLUTION PURSUANT TO RULE 35

Mr. VULAKOVICH called up **HR 700, PN 3415**, entitled:

A Resolution honoring the memory of law enforcement officers who gave their lives in the line of duty in this Commonwealth and recognizing the memorial service in their honor in Soldiers' Grove at the State Capitol Complex on May 7, 2012.

On the question,
Will the House adopt the resolution?

The SPEAKER. On that question, the Speaker recognizes the gentleman from Allegheny County, Mr. Vulakovich.

Mr. VULAKOVICH. Thank you, Mr. Speaker.

Today is a solemn moment for all of us. The good thing is that nothing bad happened today, but we are honoring four officers who lost their lives last year in the service of their communities, this State, the county. All made the ultimate sacrifice and all now are in heaven looking down on us, and if you could just say a little prayer for all those fallen officers, because they are the St. Michael's on earth. And every day, every officer goes out there not knowing if it will be his last day.

So in honor of them, I would ask for all your support on HR 700. Thank you.

The SPEAKER. Members and all guests will please rise out of respect for our fallen police officers and in prayer for those that are on the front lines of law enforcement.

The House proceeded to concurrence in Senate amendments to **HB 1702, PN 3331**, entitled:

An Act reenacting and amending the act of February 1, 1966 (1965 P.L.1656, No.581), known as The Borough Code.

On the question,
Will the House concur in Senate amendments?

The SPEAKER. Moved by the lady, Mrs. Gingrich, that the House concur in the amendments inserted by the Senate.

The Speaker recognizes the lady, Mrs. Gingrich, for a brief description of the Senate amendments.

Mrs. GINGRICH. Thank you, Mr. Speaker.

With regard to the changes made in the Senate, there were several more clarifying issues that I would like to share with my colleagues. The first preserves the retirement benefits of former borough employees who have been transferred to a municipal authority under the order of the PUC, the Public Utility Commission, and those former employees will retain their pension rights and the borough will continue to receive the general municipal pension system State aid for those employees. No new employees will be added. That was one thing.

A second thing – actually, two of them incorporate House bills. One House bill pending, HB 18, that deals with the purchasing of used equipment from another governmental unit without advertising and bidding was put into the bill. And secondly, one of the House bills that actually became Act 104, which deals with incompatible offices and civil service background checks was put into the bill.

And finally, the Civil Service Commission. In this case now, the Civil Service Commission may conduct deliberations in an executive session on evidentiary or procedural issues regarding police or firefighter applicants who were denied placement on the certified eligibility list or refused examination. However, the disposition of the matter will constitute official action and must occur in a public meeting.

So those things were incorporated in the Senate and acceptable, and then there are a few editorial revisions, and that would bring the bill to what we see here today for concurrence. Thank you, Mr. Speaker.

On the question recurring,
Will the House concur in Senate amendments?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

BILLS SIGNED BY SPEAKER

Bills numbered and entitled as follows having been prepared for presentation to the Governor, and the same being correct, the titles were publicly read as follows:

HB 1546, PN 3167

An Act amending Title 42 (Judiciary and Judicial Procedure) of the Pennsylvania Consolidated Statutes, further providing for powers and duties of the Juvenile Court Judges' Commission.

HB 1702, PN 3331

An Act reenacting and amending the act of February 1, 1966 (1965 P.L.1656, No.581), known as The Borough Code.

Whereupon, the Speaker, in the presence of the House, signed the same.

BILLS ON SECOND CONSIDERATION

The House proceeded to second consideration of **HB 1289, PN 3429**, entitled:

An Act amending Title 42 (Judiciary and Judicial Procedure) of the Pennsylvania Consolidated Statutes, providing for sentencing enhancement for trafficking drugs in the presence of a minor.

On the question,
Will the House agree to the bill on second consideration?

The SPEAKER. On that question, the Speaker recognizes the gentleman from Armstrong County, Mr. Pyle.

Mr. PYLE. Thank you, Mr. Speaker.

Mr. Speaker, I offer HB 1289, and I would like to be short about this. Here is the central premise. Under Pennsylvania law, people convicted of trafficking drugs in the presence of a minor face no enhanced penalty for their actions.

Mr. Speaker, recently in the 60th District we have had some of those heartbreakers that have prompted this bill. In Kittanning it was a lady, early twenties, selling heroin and cocaine off a coffee table with her kids sitting on the couch. In Ford City it was the same thing about a block and a half from the school. In Apollo a gentleman who had done 10 years of Federal time for cooking crystal meth got out and decided to reestablish business again.

Now, Mr. Speaker, I have a very good friend on the drug task force, and I went to talk to him, and I asked him, "Frankie, what was it like?" Frankie told me when he went in the door, his skin was burning, the kids were crying that their eyes were burning and they could not see, and the really, really hard part about this, Mr. Speaker, is the kids were 4 and 6.

Now, Mr. Speaker, there is a very well-known principle of education called imprinting, and what this principle says is basically everything you are ever going to learn in your life, two-thirds of it you have done by the age of 7. Think about that — how to walk, how to talk, how to taste, how to go to church, how to behave in school. When you take that principle of imprinting and you put a 5-year-old or a 7-year-old on the end

of a couch of a parent who is peddling illegal contraband, schedule II and schedule III narcotics, that kid is going to see that action and they are going to think it is socially acceptable.

Mr. Speaker, the ironic part about HB 1289 is it is not a new law. This is a new law that exists on our books already. What this does is it gives the judges an enhanced sentencing grid that allows them, according to their judgment and their option, to add up to 1 year's jail time for every child that was present during the drug raid.

Mr. Speaker, in a nutshell that is HB 1289. Thank you, Mr. Speaker.

RULES SUSPENDED

The SPEAKER. Did the gentleman, Mr. Pyle, conclude his remarks or did he—

Mr. PYLE. No, I have not, Mr. Speaker. Actually, I would like to ask for a suspension of the rules for an amendment, a technical amendment that clears up some of the wording and commas.

The SPEAKER. The gentleman from Armstrong County, Mr. Pyle, moves for a suspension of the rules for immediate consideration of amendment A10217.

On the question,
Will the House agree to the motion?

LEAVE OF ABSENCE CANCELED

The SPEAKER. The Speaker returns to leaves of absence and recognizes the presence of the gentleman from Allegheny County, Mr. Dermody, on the floor of this House. His name will be added back to the master roll call.

CONSIDERATION OF HB 1289 CONTINUED

The SPEAKER. Additionally, does the gentleman, Mr. Dermody, seek recognition on the motion to suspend the rules?

Mr. DERMODY. On suspension, Mr. Speaker.

The SPEAKER. The gentleman is in order.

Mr. DERMODY. Thank you, Mr. Speaker.

Mr. Speaker, I would ask that all the members support the motion to suspend the rules.

The SPEAKER. The Speaker thanks the gentleman.

On the question recurring,
Will the House agree to the motion?

(Members proceeded to vote.)

On the question,

The **SPEAKER**. On that question, the Speaker recognizes the gentleman, Mr. Pyle.

Mr. **PYLE**. Thank you, Mr. Speaker.

Mr. Speaker, this amendment, which I am very thankful to the minority leader for agreeing to, simply cleans up some of the wording. Everywhere within the bill you see "CHILD'S," that is stricken and changed to the phrase "minor's." Everywhere within the bill it says "PARENT," that is stricken and replaced with "stepparent, guardian or responsible individual." That is the amendment, Mr. Speaker.

The **SPEAKER**. The Speaker thanks the gentleman.

Will the members kindly hold the conversations down. It is getting hard to hear in here. I would appreciate if the members would take their seats and hold the conversations down, please. Thank you.

The gentleman, Mr. Thomas, may proceed.

Mr. THOMAS. Thank you, Mr. Speaker.

Mr. Speaker, this amendment basically is a technical amendment that removes PHFA (Pennsylvania Housing Finance Agency) from unnecessary liability and cleans up the language for "agency." So I encourage the members from both sides of the aisle to vote "yes."

The SPEAKER. The question is, will the House agree to the amendment?

On that question, the Speaker recognizes the gentleman from Northampton County, Mr. Freeman.

Mr. FREEMAN. Thank you, Mr. Speaker.

Mr. Speaker, this is an agreed-to amendment. I thank the gentleman from Philadelphia for working with PHFA to draft the language they required, and I would urge a "yes" vote.

On the question,
Will the House agree to the amendment?

The SPEAKER. On that question, the Speaker recognizes the gentleman from Luzerne County, Mr. Carroll.

Mr. CARROLL. Thank you, Mr. Speaker.

Mr. Speaker, this amendment modifies the penalty in this bill. The current penalty would result in a driver's license suspension of 90 days. It seems to me that in the confusion that exists around these situations, it is a harsh penalty and that a point penalty would be far more appropriate.

In addition, the offender would be responsible for whatever costs are incurred by the emergency responders. So with the result of the paid costs and the two points, I think that is an appropriate penalty for a violation of this section of Title 75.

The SPEAKER. The question is, will the House agree to the amendment?

On that question, the Speaker recognizes the gentleman from Montgomery County, Mr. Stephens.

Mr. STEPHENS. Thank you, Mr. Speaker.

Mr. Speaker, I rise in opposition to this amendment.

This is a serious initiative. It is a national initiative because of the dangers inherent with floodwaters. As a matter of fact, in the flooding that occurred here in this Commonwealth just last year, four people died as a result of entering those floodwaters. This is a serious concern. I think it warrants more than simply the point assignment that the gentleman proposes that would in essence be the equivalent of going 6 miles an hour over the speed limit.

This type of conduct endangers our first responders and it forces them to go into harm's way unnecessarily. The confusion that the gentleman refers to is a nonissue, because the statute requires that you knowingly go past a sign that directs you that the road is closed as a result of the hazard.

So I think this is a serious matter. It places our first responders in harm's way, which is one of the reasons the first responder community supports the bill, and I would urge the members to vote "no" on the amendment and ultimately "yes" on the bill.

The SPEAKER. The question is, will the House agree to the amendment?

On that question, the Speaker recognizes the gentleman, Mr. Carroll, for the second time.

Mr. CARROLL. Thank you, Mr. Speaker.

And I recognize what the sponsor of the bill is trying to do, but my experience tells me that what will happen is that there will be people who will be caught up in this penalty who will come to all of us to seek the relief that some of us may think should be granted as a result of what could be an honest, innocent mistake. And it just seems to me that to impose a 90-day driver's license suspension for an offense like this is too extreme, too excessive, and far exceeds what we should apply in a case of an honest mistake.

So for that reason, Mr. Speaker, I ask for an affirmative vote.

On the question recurring,
Will the House agree to the amendment?

Mr. VITALI. I am sorry; I just wanted a brief explanation of the bill, if I could get it.

Mr. STEVENSON. Thank you, Mr. Speaker.

This is a bill which provides for notice to property rights owners or mineral rights owners when a municipality is considering some type of a land use change. This would provide for notice to the owner of those rights.

Mr. VITALI. Did I hear the term "mineral rights" in there? I am just wondering if this relates to Marcellus drilling at all and notice to landowners. Is that related to this issue at all?

The SPEAKER. Does the gentleman, Mr. Vitali, have a further question?

Mr. VITALI. I am sorry; I did not hear that answer. My question was, would this relate to landowners with regard to Marcellus drilling?

Mr. STEVENSON. Well, that is not the intent of the bill, but I assume it could apply to that. This is a piece of legislation that I have been working on for several terms, primarily with the Coal Association, where an owner of mineral rights may live in a jurisdiction which is somewhat removed from where the

actual rights are, and this would provide for the owner to be given notice should the municipality where the rights are — would give the owner the ability to hear if they are going to have a zoning meeting or any type of a land-use meeting so that he or she could show up there and present testimony.

Mr. VITALI. So does this increase the amount of notice that a landowner has to receive or decrease it or change its form?

Mr. STEVENSON. This puts the burden on the owner of the rights or the landowner. The burden is on that person to let the municipality know that they would like to be informed if some change is possible.

Mr. VITALI. So right now the notice that is required is what? Right now—

Mr. STEVENSON. Normal notice is newspaper advertisement, something like that, if the municipality is going to hold a meeting where land use is being discussed.

Mr. VITALI. And this would change it from newspaper advertisement to—

Mr. STEVENSON. The owner of those rights would be required to provide to the municipality a self-addressed, stamped envelope with the request that should a meeting of that type be held, they would like to have notice sent to them in that stamped, self-addressed envelope, or if they provide e-mail notice, an address for e-mail notice, the municipality would then send that notice electronically.

Mr. VITALI. And if a landowner had no clue that a meeting was contemplated, how would he — why would he give that self-addressed, stamped envelope?

Mr. STEVENSON. That is exactly the point of the legislation. Oftentimes a municipality may hold a meeting where they plan to discuss land use and the owner may live at the other side of the State and may not read in the local newspaper about that meeting. This provides a way for that owner to receive notice of the meeting.

Mr. VITALI. Have any groups weighed in in opposition to this? Are there any groups — have any groups weighed out in opposition to this, any landowners groups or citizens groups or—

Mr. STEVENSON. No. There has been no opposition. The only suggestion we received this time around, this term, was from the Bar Association, and they suggested that we expand the notice to include electronic notice, which we have done. We appreciate their help in putting this bill together. It has been supported by the Township Supervisors Association and the Coal Association, both of whom have assisted in the drafting of this legislation.

Mr. VITALI. Has the Bar Association given its support to this?

Mr. STEVENSON. Yes. As a matter of fact, I think all members received such notice today by e-mail.

Mr. VITALI. So they are officially in support of this bill?

Mr. STEVENSON. Yes.

Mr. VITALI. Okay. Thank you.

On the question recurring,
Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.
