## LEGISLATIVE JOURNAL

MONDAY, MARCH 31, 2014

SESSION OF 2014

198TH OF THE GENERAL ASSEMBLY

No. 18

### HOUSE OF REPRESENTATIVES

The House convened at 1 p.m., e.d.t.

**THE SPEAKER (SAMUEL H. SMITH)  
PRESIDING**

#### PRAYER

HON. MATTHEW E. BAKER, member of the House of Representatives, offered the following prayer:

Thank you, Mr. Speaker.

In the Holy Bible, it says in Galatians 5:22: "But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control; against such things there is no law."

Mother Teresa said, "The fruit of silence is prayer, the fruit of prayer is faith, the fruit of faith is love, the fruit of love is service, the fruit of service is peace."

Let us pray:

Heavenly Father, may we be silent in holy reverence to You, our Creator and God, the alpha and omega. May our prayers increase so that our faith will grow to new heights and depths, acknowledging You as sovereign, omnipresent, omnipotent, and omniscient. May our faith reveal Your love that is unconditional, forgiving, full of grace and mercy, that results in a passion and commitment to servant leadership, helping others humbly so that peace that passes all understanding might be inwardly and outwardly self-evident so that one day when our time has come, we may hear Your divine words, "Well done, good and faithful servant."

In Jesus' name we pray. Amen.

#### PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

### SHIPPENSBURG UNIVERSITY FIELD HOCKEY TEAM PRESENTED

The SPEAKER. I would like to invite Representative Kauffman to the rostrum for the purpose of presenting a citation to the Shippensburg University Field Hockey Team.

The gentleman from Franklin kindly may continue.

Mr. KAUFFMAN. Thank you, Mr. Speaker.

Today I rise to recognize the 2013 Shippensburg University Field Hockey Team for winning the National Division II NCAA Field Hockey Championship.

This win is one for the history books at Ship, as this is the first time in the university's history that the field hockey team has achieved such an honor. The Raiders won the 2013 NCAA Division II National Championship with a 2-1 overtime win over the Long Island University Post campus last November. The team also had a perfect 17-0 season record and was led by three All-Americans and eight All-Conference players.

I congratulate the team on its victory and commend the players for the athleticism, determination, and discipline it took to rise to the championship level. I also applaud head coach Bertie Landes and her coaching staff for the excellent work they did in leading the team to victory.

Joining us today in the House are some of the team's members. Behind me today are senior Katie Shoop; senior Brittany Jett; senior Brynn Seidenstricker; senior Lauren Taylor; head coach Bertie Landes; and Dr. Jody Harpster, Shippensburg University's interim president. Also with us today and seated at the back of the House are players Alysha Bohn, Taylor Fisher, Lucy Kauffman, Miranda Wallace, Taylor Webster, and I believe assistant coach Amanda Strous. And also athletic director Jeff Michaels was supposed to be back there as well. I do not know if he made it.

Would you join me in giving them a round of applause.

And I have an official citation that I would like to present to Bertie Landes, the team's head coach, who has led them to this victory.

The SPEAKER. The Speaker thanks the gentleman. The House will be at ease for a moment or two.

The House will come to order.

### MISS PENNSYLVANIA PRESENTED

The SPEAKER. The Speaker invites the gentleman from Butler County, Mr. Ellis, to the rostrum for presenting a citation to Miss Pennsylvania, Annie Rosellini.

Mr. ELLIS. Thank you, Mr. Speaker.

Mr. Speaker, today I am very proud to stand before the House to introduce a special guest of mine, one that we were all rooting for to carry on the crown from Pennsylvania, but today we have Miss Pennsylvania 2013, Annie Rosellini. And I am proud to have her here because she is from Butler – and I know our colleagues from all over the place sometimes wonder what we have in Butler – and I am proud that we have Annie coming here today from Butler. She is accompanied by her mom, Lou Ann, and her cousin and his wife, Eric and Erin Ivana.

Mr. Speaker, Annie was crowned Miss Pennsylvania in 2013 and competed in the Miss America Contest in the Miss America Organization since she was 13. She has earned many titles throughout the years, and if you remember, for those of us who have been in the chamber long enough, Annie was crowned Pennsylvania's first Miss Outstanding Teen back in 2005. So this is not her first trip to the Capitol. She has been here before and we honored her for her past achievements, but we are glad to have her back today. Annie is currently studying public relations and advertising at Point Park University in Pittsburgh with plans to graduate in 2015. She began her college career at the University of the Arts in Philadelphia as a dance major, and she has indicated that will be her minor in college as well. Of course she has been dancing since she was a little kid at Lee's School of Dance back in Butler, and she has become quite proficient in all genres of dancing.

As I mentioned, her mom is here, Lou, and she travels across the State with her, pretty much everywhere for the last year, including a couple of weeks ago – well, a couple of months ago we went to the Farm Show. So you do not necessarily think of seeing a beauty queen at a farm show, but in Butler County that is how we do it. I know she has been to the Butler Farm Show and the Butler Fair. And when I saw her out at the State Farm Show, it was amazing to see just the reaction, especially from the little girls who wanted to have their picture taken with her. She was a real celebrity representing Pennsylvania very well, and she actually got to ride in a celebrity horse-riding contest, the draft horses.

So she selected heart awareness and prevention as her theme, and she is going to tell us a little bit about that. I cannot think of a better role model for Pennsylvania for the next generation to look up to. She has contributed a lot to our community back home, and now she is contributing a lot to the State of Pennsylvania.

I want to personally thank Annie for her leadership, for your great spirit, and your open mind as you represent the Commonwealth. I am very proud of your accomplishments, and I wish you all the best. Your future is very bright, and I know you will find much success.

Thank you, Mr. Speaker.

At this time I would like to invite Annie to say a few words.

The SPEAKER. If Miss Pennsylvania would just hold on for a second. I would appreciate the members' attention. Perhaps clear the aisles. Take your seats. Kindly hold the conversations down. Babies are allowed to cry though. We will not stop that.

Miss Pennsylvania may proceed.

Miss ROSELLINI. Good afternoon.

I would like to thank Representative Ellis for the honor of this citation and for bringing me here today and of course to Mr. Speaker for this wonderful opportunity to address the House General Assembly. Thank you.

As Brian told you, heart disease awareness is in fact my platform and my mission and has been for quite some time now. On April 17, 2010, my world was completely and irreversibly changed. My father, who at the age of 51 was outwardly the picture of health, yet he died suddenly and unexpectedly of heart failure. As an 18-year-old about to graduate high school and on the brink of major life changes, I was left with many questions. In an effort to make sense out of the senseless and in an attempt to find answers as to how and why this happened, I was drawn into working with the American Heart Association.

It is a fact that heart disease is the number one killer of both men and women in this country, killing over 600,000 Americans every year. As Miss Pennsylvania in the Miss America Scholarship Organization, I have been able to establish my platform of heart disease awareness and prevention for our future. I have used my job as Miss PA as a microphone, literally sometimes, to be able to talk to children in schools across the State, keeping my message quite simple, and I encourage them to do just two things, eat nutritiously and exercise regularly in order to hopefully prevent heart disease in their futures.

It is really rewarding to see the energy of young people in our Commonwealth, and through my efforts, I truly hope to make an impact in just some of their lives if I can. I am very enthusiastic about the unanimous passage of HB 1420, ensuring that all newborn babies are tested for congenital heart defects by pulse oximetry. I want to thank each and every one of you for that. I look forward to advocating on behalf of that cause in the coming month or two.

I invite you to join me in participating in the AHA's initiative "National Walking Day" taking place this Wednesday, just 2 short days away. You can wear sneakers to work, here if you want or wherever you are going to end up on Wednesday, and try and get 30 minutes of walking in that day to make a small difference in your lifestyle and the lifestyles of those around you. I have found that the process of turning pain into purpose is extremely healing. Thank you again for this opportunity to speak to you today and for the support in helping me make a difference. Thank you, everyone.

The SPEAKER. The House will be at ease for a moment or two.

The House will come to order.

## GUEST INTRODUCED

The SPEAKER. I would like to recognize an additional guest that has just joined us. Located to the left of the rostrum, we would like to welcome George Hsieh. He is the youngest member ever elected to the Taiwanese Legislature and is

currently serving in his third term in office. He is visiting the United States through the Eisenhower Fellowship Program, and he is here today as a guest of Representative Knowles. Will our guest please rise. Welcome to the hall of the House.

### STATEMENT BY MR. CLYMER

The SPEAKER. The Speaker recognizes the gentleman from Bucks County, Mr. Clymer, under unanimous consent relative to the resolution just adopted.

Mr. CLYMER. Thank you, Mr. Speaker.

Good afternoon. I want to first congratulate the Pennsylvania Commission for Community Colleges upon its 50th anniversary. The support and guidance the organization provides the State's 14 community colleges and numerous branch campuses and learning centers have been essential to the success of these higher education institutions.

I think we can all agree that community colleges have come a long way since their origins. No longer simply a bridge between high school and college, community colleges have now become top-notch learning institutions that focus not just on academic preparation but also on vocational education and job training as well. Those who attend community college have countless choices, whether they wish to continue their educational pursuits at a 4-year college or jump directly into the workforce. Community colleges have become essential in preparing men and women to meet the needs of both their community and job market.

April is, of course, the perfect time of the year to raise awareness of our outstanding community colleges, as many students are right now making their final higher education decisions for the start of the fall semester. As chairman of the House Education Committee, I have had the opportunity to hear countless success stories of individuals who have made the

choice to attend a community college, and I am proud of the many fine institutions we have here in the Commonwealth. I have and will continue to support our community college system and the important role it plays in the success of Pennsylvania's citizens, its communities, and its businesses. Thank you, Mr. Speaker.

The SPEAKER. The Speaker thanks the gentleman.

### STATEMENT BY MR. ROEBUCK

The SPEAKER. The Speaker also recognizes the gentleman from Philadelphia County, Mr. Roebuck, under unanimous consent relative to the resolution just adopted.

Mr. ROEBUCK. Thank you, Mr. Speaker.

I, too, want to congratulate those students from the community colleges who are being recognized today and also affirm the importance of community colleges in the life of the Commonwealth of Pennsylvania. Community colleges serve not only those students who traditionally go from high school directly to college, but they also play a major role in working with older adults who want to increase their education or who start their education after work experience or other kinds of activities. So the community college is a very unique kind of institution that crosses a number of different ages and individual circumstances.

I have the pleasure of serving on the board of the Community College of Philadelphia. I know the excellent work the community colleges do, the way they help students to transition and reach their fullest potential, and they are indeed those institutions that deserve our recognition, our support, and certainly produce outstanding graduates that enhance the life of this Commonwealth and they are then certainly that which have prime benefit to the people of Pennsylvania.

Thank you, Mr. Speaker, and I thank the members of the legislature for adopting this recognition resolution. Thank you.

The SPEAKER. The Speaker thanks the gentleman.

### MESSIAH COLLEGE MEN'S SOCCER TEAM PRESENTED

The SPEAKER. I would like to invite the lady from Cumberland County, Ms. Delozier, to the rostrum for the purpose of presenting a citation to the Messiah College Men's Soccer Team.

The lady, Ms. Delozier, may proceed.

Ms. DELOZIER. Thank you, Mr. Speaker.

I am pleased to stand here today to recognize and congratulate a group of young men who have recently demonstrated athletic excellence at one of the highest levels. The Messiah College Men's Soccer Team is with us here today because their hard work and determination led them to the 2013 NCAA Division III Men's Soccer Championship. Each member of this team has unique individual talents and they have learned to blend together, creating an unstoppable force on the field. Under the guidance of head coach Brad McCarty and assistant coach Aaron Faro, the Falcons strived tirelessly toward their 10th national title since 2000. This is their second-straight and fifth in the last six seasons, which is an amazing feat for any college.

They defeated Rutgers Camden University in the championship game with a final score of 2 to 1 in double overtime. Overall, the team amassed a season record of 24 wins, 1 loss, 1 tie, with an all-time record of 74 wins, 12 losses, and 5 ties in NCAA tournament games. Joining me at the rostrum are Sheldon Myer, Aaron Hennigan, Danny Rowe, Zack Bosshard, and head coach Brad McCarty. The rest of the soccer team is here today with us in the back of the hall of the House, including the nephew of one of our very own Fred Keller.

Gentlemen, I want you to know that all of us here today are proud of each and every one of you and every member of this team and coaching staff. This is a team with just a few seniors on it, so just watch out for next year. You are a tremendous source of pride for your school, its alumni, and our community as well as our Commonwealth. Messiah College is tucked away in the 88th District, but it is full of talented, dedicated, and community-oriented students. We are very proud to have them. Would the team in the back please stand up. Please join me today in offering these talented young athletes a congratulatory round of applause.

Thank you, Mr. Speaker.

The majority having voted in the affirmative, the question was determined in the affirmative and the amendment was agreed to.

On the question,

Will the House agree to the bill on second consideration as amended?

Bill as amended was agreed to.

(Bill as amended will be reprinted.)

\* \* \*

The House proceeded to second consideration of **HB 1498, PN 1980**, entitled:

An Act amending Title 42 (Judiciary and Judicial Procedure) of the Pennsylvania Consolidated Statutes, in sentencing, further providing for sentences for offenses committed with firearms and for sentences for second and subsequent offenses.

On the question,

Will the House agree to the bill on second consideration?

Mr. **KRIEGER** offered the following amendment No. **A06274**:

Amend Bill, page 1, line 17, by inserting after "person"  
visibly

On the question,

Will the House agree to the amendment?

The SPEAKER. On that question, the Speaker recognizes the gentleman from Westmoreland County, Mr. Krieger.

Mr. KRIEGER. Thank you, Mr. Speaker.

Briefly, this bill, the underlying bill would enhance the sentence for crimes committed with a possession of either a firearm or a replica. It removed the term "visibly," and I thought in conjunction with a replica firearm. Now, it may be obvious to you that for a replica firearm to cause fear or harm, it must be visible. I just wanted to clarify to make sure that that is the case. And all my amendment does is make sure that in the case of a replica firearm only, it must be visible for the enhancement to come into play.

Thank you, Mr. Speaker.

The SPEAKER. The question is, will the House agree to the amendment?

On that question, the Speaker recognizes the gentleman from Allegheny County, Mr. DeLuca.

Mr. DeLUCA. Thank you, Mr. Speaker.

Mr. Speaker, I rise to support the Krieger amendment, but one thing I want to draw to the attention of this House is the fact that we continue to pass laws relating to mandatory sentences for committing crimes with guns and they are being circumvented by the District Attorneys Association throughout the Commonwealth of Pennsylvania.

Now, I have a problem when we give a false sense out there to the public, when these judges continue, instead of running them consecutively, they run them concurrently with the other crime. That certainly takes the intent of what we are trying to do here as far as making these individuals who are committing crimes with a gun pay for that crime. Yet we continue to say we want to blame it on the people, we want to blame it on the guns when the courts are not doing their job. It is not the guns. It is the courts not doing their jobs. And I think we need to address that issue. And hopefully I can get the other side to move on that piece of legislation I have been having there for 2 years.

Thank you, Mr. Speaker.

The SPEAKER. The question is, will the House agree to the amendment?

On that question, the Speaker recognizes the gentleman from Montgomery County, Mr. Stephens.

Mr. STEPHENS. Thank you, Mr. Speaker.

This is an agreed-to amendment. I would urge the members to support this amendment. Thank you, Mr. Speaker.

### SUPPLEMENTAL CALENDAR C

#### BILL ON CONCURRENCE IN SENATE AMENDMENTS

The House proceeded to consideration of concurrence in Senate amendments to the following **HB 316, PN 3198**, entitled:

An Act amending the act of April 9, 1929 (P.L.177, No.175), known as The Administrative Code of 1929, in Commonwealth agency fees, further providing for the Department of Health; and providing for children's advocacy centers.

On the question,  
Will the House concur in Senate amendments?

The SPEAKER. Moved by the lady, Mrs. Harhart, that the House concur in the amendments inserted by the Senate.

The Speaker recognizes the lady, Mrs. Harhart, for a brief description of Senate amendments.

Mrs. HARHART. Thank you, Mr. Speaker.

The bill was amended by the Senate in two important ways. First was the Senate version changed the funding stream and will provide money not only to the CACs (children advocacy centers) but will also provide funds to multidisciplinary investigative teams.

The fiscal note prepared by the Senate states that the bill will raise \$2.86 million up from the House's \$2.2 million. It also creates an advisory committee within the PCCD (Pennsylvania Commission on Crime and Delinquency) called the Child Advocacy Advisory Committee in order to make recommendations to PCCD regarding how to administer the grant program with this respect to CACs and the MDITs.

And I would appreciate your support on this very important piece of legislation, HB 316. It passed the House in February of 2013 by a vote of 198 to 0. Thank you for your support.

On the question recurring,  
Will the House concur in Senate amendments?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.
