SESSION OF 2015

199TH OF THE GENERAL ASSEMBLY

No. 32

### HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.d.t.

#### THE SPEAKER PRO TEMPORE (MATTHEW E. BAKER) PRESIDING

#### PRAYER

The SPEAKER pro tempore. The prayer will be offered by Pastor Phillip Deal, Beulah Baptist Church, Steelton, Pennsylvania. He is a guest of Representative Kim.

PASTOR PHILLIP DEAL, Guest Chaplain of the House of Representatives, offered the following prayer:

Let us bow our heads.

O God, giver of life, our strength and our hope, our sustainer and our keeper and our redeemer, our friend, we honor You today because it is because of You that we live, we breathe, and have our very being. We have been afforded another opportunity to work and to serve You, as well as this great State and community.

We are now, God, beginning another session and, God, we ask that You would be with us to do uncertain and unforeseen challenges. We pray that You would help us and guide us to make wise decisions. You promised to never leave us, nor forsake us. God, we have confidence in knowing that You will keep us and protect us.

So right now we pray for strength, we pray, God, for peace, we pray for wisdom, we pray for forgiveness, we pray that You would forgive us our transgressions as we forgive those who have trespassed against us.

Now, Father, I ask that You would bless this encounter, bless these courageous men and women who continue to represent us, our communities, and our State. As they so boldly stand on the frontline, Father, we ask that You would strengthen them. If we ever needed You now, we need You now.

Thank You for our President, thank You for our Governor, our Lieutenant Governor. We thank You, God, for everyone that is represented. We thank You, God, for our House Representative Patty Kim, who extended this invitation.

Now, Father, I ask that You would again bless this hour, bless this day, bless our conversations so that we shall ever give You glory and give You praise for all the things that You have done and what You are going to do. We believe these things in Your name, who remains the alpha and the omega, and together, the people of God say, Amen.

### POCONO MOUNTAIN EAST HIGH SCHOOL CHESS TEAM PRESENTED

The SPEAKER pro tempore. Representative Parker, you may proceed when you are ready.

Mr. PARKER. Thank you, Mr. Speaker.

I rise today to recognize the Pocono Mountain Chess Team, and behind me stand members of that team: Nicholas J. Cardini, the team captain – if you can raise your hand; Zetao, or Andy, Weng, the cocaptain; Dawid Ryzek, the new assistant captain; Sean Crowley; and Daniel Tartaglione. Also in the rear of the House, other members of the team, Hunter Barabas, Devin O. Thompson, Gene Boone, and Coach Larry Bias joins us in the gallery. Could all the member of the team stand up in the rear, please, and in the gallery.

The SPEAKER pro tempore. Let us give them a warm welcome, members.

Mr. PARKER. Thank you.

I quickly will list their accomplishments. For the past 15 years they were champions of the Mountain Valley Conference. That conference joined the Eastern Pennsylvania Conference, and they won the championship for that, now including 18 schools in the eastern part of Pennsylvania, including Monroe County and the Lehigh Valley. They also won the Greater Philadelphia Tournament Championship. They were the U.S. World Amateur Team winner as well, and the top

PA Scholastic Team. So we have a citation for them and congratulate them for their efforts.

The SPEAKER pro tempore. Congratulations.

### LAUREN BARBER PRESENTED

The SPEAKER pro tempore. Representative Wentling is invited to the rostrum for the purpose of presenting a citation to Lauren Barber, a State champion swimmer.

Representative Wentling, you may proceed when you are ready.

Mr. WENTLING. Mr. Speaker and distinguished colleagues, I rise today to welcome Lauren Barber, a truly outstanding student and athlete from Wilmington Area High School. Lauren recently set two State records in the girls swimming in the AA State championships. She broke records in the 100-yard breaststroke with a final time of 1:01.09 to replace a previous record set in 2006, and she also set a record in the 200-yard individual medley event with a final time of 1:57.76.

We all take pride in recognizing the achievements of young people who come from our local communities. Today, however, I have an even greater sense of pride because Lauren was once one of my students. I can say without hesitation that although we are honoring Lauren for her many accomplishments in the classroom and in the pool, she is a person of impeccable character who is well respected by everyone who knows her. She is conscientious, kind, and dedicated.

Lauren is headed to the United States Naval Academy in Annapolis this fall where she will be competing on the swim team. She was recruited after the 2014 national championship in the long course junior division of the 100-meter breaststroke. In addition to finishing first in the nation in the breaststroke, Lauren finished second nationally in the 200-yard individual medley, and second nationally in the 200-yard breaststroke in the short course junior division. She finished fourth in the 100-yard breaststroke and fifth in the 200-meter individual medley. Lauren has also qualified for the 2016 Olympic trials.

As you can see, she is very accomplished. She has been putting in the hard work that is necessary for many years. In fact, she first qualified for the YMCA Nationals at age 13, which is the youngest age permissible, and she attended every year afterwards. Lauren has also been the captain of her swim team every year since seventh grade, and she is a straight-A student on the honor roll. Please join me in recognizing Lauren Barber. Thank you very much.

The SPEAKER pro tempore. Congratulations, Lauren.

### GUESTS INTRODUCED

The SPEAKER pro tempore. Seated to the left of the rostrum are Lauren's parents, Kathy and Tom; her principal, Ben Fennick; and athletic director, Scott Brush. Please rise and be recognized.

### CONWELL-EGAN CATHOLIC HIGH SCHOOL BOYS BASKETBALL TEAM PRESENTED

The SPEAKER pro tempore. Representatives Galloway, DiGirolamo, Farry, Santarsiero, and Tina Davis are invited to the rostrum for the purpose of presenting a citation to the Conwell-Egan Catholic High School Boys Basketball Team.

Representative, you may proceed when you are ready. Just flip the switch there.

Mr. GALLOWAY. Thank you, Mr. Speaker.

Mr. Speaker, on behalf of my fellow Bucks County legislators, it is an honor to recognize the coaches, the players, the family, and friends of the varsity boys basketball team from my daughter's high school, from the high school that Representative Gene DiGirolamo attended – the Eagles from Conwell-Egan Catholic.

On Saturday, March 21, right up the road in the Giant Center in Hershey, the Conwell-Egan Catholic varsity boys won the school's first State basketball championship in PIAA AA Class. The team won in convincing fashion, with a 62-51 upset over Representative Matzie's previously unbeaten Aliquippa squad, who at the time was undefeated and the number one team in the State. The Eagles coach, Frank Sciolla, had the team focused and prepared, and I would like to recognize at this time Coach Frank Sciolla.

Coach Sciolla was honored by the Pennsylvania Sports Writers as the Class AA Coach of the Year, an honor that was well-deserved, because not only was this Conwell-Egan Catholic's first State basketball title, this year marked the boys first-ever PIAA playoff victory, their first playoff victory in the school's 51-year history.

Although this was an amazing year for Conwell-Egan Catholic, successful basketball has been a hallmark for Coach Sciolla. His success started at the school that I attended, Pennsbury High School, then moved to Bristol Borough before taking the job with the Eagles two seasons ago. He came with a history of quickly creating quality, competitive basketball teams with a number of strong postseason runs.

The year before he took over, the Eagles had a 7-and-17 record. They improved to 15 and 8 his first season before this season recording a 21-and-8 record, including a seven-game win streak to finish the season and win the championship.

It is an honor to have the team and coaches in the House chamber today. Winning a State championship is a memory they will carry for the rest of their life.

On stage today I would like to recognize some of the players, and we have the rest of the players and coaches in the back. First, I would like to recognize Chase Kumor, Sean Kelly, Jordan Burney, Tyler Watto, and LaPri McCray-Pace. I would also like to recognize junior Stevie Jordan, who scored 21 points in the championship game and was named the "Pennsylvania Sports Writers AA Player of the Year."

Colleagues – if we could have the rest of the boys stand up; in the back of the room are the rest of the team, the coaches, the athletic director – ladies and gentlemen, the State champions, the varsity boys basketball team, the Eagles, from Conwell-Egan Catholic.

Thank you very much.

The SPEAKER pro tempore. Thank you, Representative. Congratulations to all.

### STATEMENT BY MR. WHEATLEY

The SPEAKER. At this time Representative Jake Wheatley is recognized on unanimous consent. Members, if you could, the floor is Representative Wheatley's.

Representative Wheatley, please proceed.

Mr. WHEATLEY. Thank you, Mr. Speaker.

Mr. Speaker, if I can, I wanted to just bring to the members' attention, today marks another opening of our Hunger Garden outside of our Capitol. And I would invite all the members who have an interest to make sure that they go out and take a look at our Hunger Garden, but more importantly, what it represents for the families of Pennsylvania who are facing food insecurity. I want to also invite the members who may not have joined to join the Hunger Caucus in our efforts to bring awareness, to also bring our physical skills and whatever financial skills you might have to make sure we are working with our food banks, our pantries, and our families across the Commonwealth to help eliminate food insecurity for children and families.

I did want to also just say to the members, my cochair of the Hunger Caucus is Senator Scarnati, and this morning I issued a challenge to the Senate that we could get the 203 members in the House to not only participate as members of the caucus, but that we would make sure that our members, when they went back to their districts, visited a food pantry or a food bank, that we would participate in the Capitol all-star baseball game or softball games – and I think you have something on your tables today – and that one of these Tuesdays when we are here, hopefully not too far in the summer, but one of the Tuesdays while we are here that we can get a delegation to go out and help the master gardeners plant some of the food in the garden. So I am hoping that we can get full participation, and, Mr. Speaker, thank you for giving me some time to speak this morning.

The SPEAKER. Thank you, Representative Wheatley.

**STATEMENT BY MR. MURT**

The SPEAKER. Representative Murt.

Mr. MURT. Thank you, Mr. Speaker.

Mr. Speaker, the month of May is very important to our veterans. During the month of May, we observe V-E Day, Military Spouse Day, Loyalty Day, Armed Forces Day, and most important of all, Memorial Day. Congress has also designated May as "National Military Appreciation Month."

I want to thank my colleagues for adding another important recognition. By declaring this month as "Military Service-Related Post-Traumatic Stress Disorder Awareness Month," you have recognized one of the most demanding issues we face as many of our veterans return from the battlefields in Iraq and Afghanistan with the emotional, social, physical, and spiritual challenges that have resulted from their service to our nation.

As you know, many of our veterans are struggling to readjust to life outside the military. Some are always on edge and overwhelmed by feelings of panic. Others are known to explode emotionally at the slightest provocation. Still, others are emotionally numb and disconnected from their loved ones. They have lost all sense of normalcy. For all too many veterans, Mr. Speaker, these are common experiences. These are the lingering symptoms of post-traumatic stress disorder.

It is hard living with untreated post-traumatic stress disorder and with the long VA (Veterans' Administration) wait times, it is easy to get discouraged. As a legislature, we must commit ourselves to helping the veterans in our communities receive the help they badly need. We must help those who feel lost. We must help them receive the professional treatment they need.

PTSD is not a sign of weakness, but a symptom of an illness that can be overcome. Our vote today recognizes this. It also acknowledges that as a legislature we are committed to making the lives of our veterans better. This is the least we can do for those who gave so much to secure our freedoms.

Thank you, Mr. Speaker.

### STATEMENT BY MR. MOUL

The SPEAKER. Representative Moul is recognized on unanimous consent.

Mr. MOUL. Thank you, Mr. Speaker.

Tourette syndrome is a developmental disability that begins before a child is 18 years of age and affects children and adults of all races and ethnicities. Individuals are affected by tics, involuntary, rapid, sudden movements, or vocalizations that occur repeatedly in the same way. An estimated 200,000 people in the United States and well over 3,000 Pennsylvanians have been diagnosed with this neurobiological genetic condition, which has no cure.

Understanding this illness will help guarantee hope for acceptance and a better future for people with Tourette syndrome. Thank you for your support of this important resolution marking May 15 through June 15, 2015, as "Tourette Syndrome Awareness Month" in Pennsylvania.

Thank you, Mr. Speaker.

### GUESTS INTRODUCED

The SPEAKER. Representative Moul has guests in the gallery from the Tourette Syndrome Association. If you could all please stand, we would appreciate it. Thank you very much, and wave. Thank you.

Representative Neal Goodman is recognized – calls off. Thank you.

### REMARKS SUBMITTED FOR THE RECORD

The SPEAKER. Representative Sims is recognized. Representative Sims.

Mr. SIMS. Thank you, Mr. Speaker.

I will submit my comments for the record.

The SPEAKER. Thank you, sir.

Mr. SIMS submitted the following remarks for the Legislative Journal:

I rise today to thank my colleagues for their unanimous support of HR 314, which honors the 100th anniversary of Philadelphia's South 9th Street Italian Market.

The Italian Market is an iconic landmark of Philadelphia and is the United States oldest outdoor market.

In a truly American way, Italian immigrant Antonio Palumbo opened a boarding house for other Italians new to the city of Philadelphia. Businesses, vendors, and shops sprang up to serve the rapidly growing community. This expansion of the community fostered the market into the landmark we celebrate and recognize today.

Though many of the vendors and original Italian businesses remain, the market has grown and diversified as new waves of immigration have grown in the community. Now you can experience truly authentic Mexican, Korean, and Vietnamese fare.

For a century, the 9th Street Italian Market has served as a welcoming home to new Americans and always will remain an integral and fundamental part of the City of Brotherly Love.

Again, thank you to my colleagues for their support, and thank you, Mr. Speaker.

#### RESOLUTION PURSUANT TO RULE 35

Mr. TAYLOR called up **HR 283, PN 1333**, entitled:

A Resolution recognizing the employees of the Pennsylvania Turnpike Commission and the Pennsylvania Department of Transportation for their quick response and hard work to assist the Commonwealth of Massachusetts with snow removal due to repeated significant snow storms in February 2015.

On the question,

Will the House adopt the resolution?

The SPEAKER. Representative Taylor, the floor is yours.

Mr. TAYLOR. Thank you, Mr. Speaker.

I am here today with Chairman Keller to talk a little bit about PENNDOT and what they did during last year's snowstorm.

All of us in Pennsylvania think we had a terrible winter, but we had nothing compared to Massachusetts and the problems that that Commonwealth faced and all the problems that they faced there. They requested, through the compact we have from the Emergency Management Agency, to ask PENNDOT employees and turnpike employees and the equipment that goes with it to go to Massachusetts to aid them in all that snow removal they went through. We appreciate that.

This resolution that we passed today, HR 283, commemorates that, congratulates PENNDOT employees.

And to give you an extent just of what they did and how many people and pieces of equipment were used, I am going to turn it over to Chairman Keller.

The SPEAKER. Chairman Keller.

Mr. W. KELLER. Thank you, Mr. Speaker.

Just real quickly, a list of what PENNDOT and the turnpike sent up to Massachusetts to help them in their time of need. And as we know, they could not move up in the Boston area; everything was snowed in.

PENNDOT and the PA Turnpike identified staff and equipment across the State to aid Massachusetts, including 18 plow and mechanic trucks, three backhoes, three lowboy trailers to transport the backhoes from PENNDOT's Montoursville, King of Prussia, and Uniontown-based regions; at least 27 operators and other staff from those same PENNDOT regions and its Clearfield-based office; also 10 equipment operators, two mechanics, two assistant foremen with five dump trucks and five backhoes from the Pennsylvania Turnpike operators across the State.

We know, all of us that drive the turnpike know what a great job those workers do every week as we run back and forth. PENNDOT is one of the best organizations in the country. We do not recognize them enough, but we have a chance today to recognize the great job they have done and the help they have provided other States.

Thank you, Mr. Speaker.

The SPEAKER. Thank you.

On the question recurring,  
Will the House adopt the resolution?

## RESOLUTION PURSUANT TO RULE 35

Mr. MARKOSEK called up **HR 317, PN 1434**, entitled:

A Resolution honoring the life and service of the Reverend Theodore M. Hesburgh, who led the University of Notre Dame as university president, and extending condolences to those whose lives were positively impacted by him.

On the question,  
Will the House adopt the resolution?

The SPEAKER. At this time at the rostrum, I call upon Representative Markosek, Democratic Appropriations chair, and any other guests who wish to stand behind Representative Markosek, myself included.

Mr. MARKOSEK. Good morning, Mr. Speaker.

Mr. Speaker, I rise today to honor the life and service of the Reverend Theodore M. Hesburgh, the former president of the University of Notre Dame, my alma mater, and I am happy to be joined here by the other Notre Dame graduates in the House – our Speaker, Representative Turzai; Representative John McGinnis from Blair County. Unfortunately, Senator Pat Browne, the Senate majority Appropriations chairman, could not be here today, but he certainly is a Notre Dame grad, a proud one, and I am sure he wishes he could be here.

Father Hesburgh was born May 25, 1917, in Syracuse, New York, and passed away at the age of 97 on February 26 of this year on the campus of the university. Father Hesburgh served 35 years as the president of the university, making him the longest tenured university president in the United States.

Under his leadership, the university doubled its enrollment, significantly increased student aid and faculty salaries, and opened the doors to female students – one of the decisions he said he was the most proud of during his presidency.

When Father Hesburgh took over as president, Notre Dame was known as a football school. Education, though, was his priority. When he showed up at his opening press conference when he was named president, the local media sent the sports editors to cover the event, and Father Hesburgh said, "I'm not here to talk about football. I'm here to talk about education. Do you have any questions about education?" And they were not prepared for that, and he walked out of the press conference. He wanted to talk about education. That was his priority. Father Hesburgh said, "I would rather see Notre Dame die than be educationally inferior. We will be the best or, please God, we will cease to exist here."

Notre Dame alumni include CEOs (chief executive officers) and senior executives, doctors and attorneys, many clergy, and even a few Pennsylvania legislators. His reach did not end at the university, however, but touched many areas of national and international significance. He served as the adviser to many

The majority having voted in the affirmative, the question was determined in the affirmative and the resolution was adopted.

international leaders, nine Presidents and four popes. Father Hesburgh received numerous appointments; 150 honorary degrees; and many awards, including the Presidential Medal of Freedom, the nation's highest civilian honor.

Most notably, Father Hesburgh was an ardent supporter and advocate for the civil rights movement. He served on the Civil Rights Commission for 15 years, through four different administrations, during which he was integral in achieving compromise to begin to transform our nation. Civil rights leader Andrew Young said that if Father Hesburgh was for you, you did not care who was against you. There was a civil rights rally at Soldier Field in Chicago. Many other university presidents had declined the invitation, but Father Hesburgh showed up. After being brought on stage, Father Hesburgh expressed his support for the Civil Rights Act and pledged his support to the continued movement. Many years later at a commencement speech, Father Hesburgh told the graduates, "Be the kind of person who not only understands the injustices of this life, but is also willing to do something about them."

In his later years, Father Hesburgh remained a fixture at the university. In the spring of 2009, President Obama was invited to deliver the commencement address at Notre Dame and receive an honorary degree, which was very controversial at the time. A few days before the ceremony, Father Hesburgh stepped forward and showed support for that invitation and said that universities are to be the places where people can have differing opinions but still get along. Specifically, he said, "It's like a commonplace where people who disagree can get together, instead of throwing bricks at one another, they can discuss the problem and they can see different solutions..." to these various issues. When I reflect on this quote, it reminds me of this body. Very difficult issues come before us all the time, and even though we often disagree, we must work together.

Mr. Speaker, I request support for HR 317, honoring the life and the service of the Reverend Father Hesburgh and extending condolences to his family and the University of Notre Dame.

Thank you, Mr. Speaker.

An Act amending the act of March 4, 1971 (P.L.6, No.2), known as the Tax Reform Code of 1971, in educational tax credits, further providing for limitations.

On the question,  
Will the House agree to the bill on second consideration?

The SPEAKER. The good gentleman, Representative Neuman, is recognized.

Mr. NEUMAN. Thank you, Mr. Speaker.

I do have an amendment—

The SPEAKER. Sir, please suspend.

Members, will you please give the floor to Representative Neuman. Members, please.

Representative Neuman, the floor is yours.

Mr. NEUMAN. Thank you, Mr. Speaker.

I do have an amendment today that would deal with directing money specifically to science, technology, engineering, arts, and mathematics programs. The amendment still does need some work, but I think we need to focus on in a lot of ways how industries can focus their dollars, their tax dollars, to prepare students that they can hire, and I think that this can be a great opportunity for us to discuss. I talked to the prime sponsor of the bill. He is willing to work with me on this issue, really discuss how we can prepare our students for jobs right here in Pennsylvania, the jobs that these companies want to invest in. They can invest their tax dollars to make sure that our students are being prepared for the global job market we have right here in Pennsylvania.

But I do thank the prime sponsor of the bill, the gentleman from Allentown. I thank them for their work on this, and I look forward to continuing this discussion to focus our students on careers that are right here in Pennsylvania.

Thank you, Mr. Speaker.

The SPEAKER. Representative Neuman, would it be correct that you are withdrawing amendment 1275?

Mr. NEUMAN. Yes, Mr. Speaker; that is correct.

The SPEAKER. Thank you, sir.

Representative Christiana is recognized.

Mr. CHRISTIANA. Thank you, Mr. Speaker.

I want to thank the gentleman from Washington County for his drafted amendment, and while under the EITC (educational improvement tax credit) program and EIOs, educational improvement organizations, can currently utilize funds for STEM (Science, Technology, Engineering, and Mathematics) projects, in the meantime I would encourage them to continue to do that, and I would also like the record to state that I would like to work with the gentleman from Washington County so that we can have a more direct correlation between these programs and STEM initiatives in the future because I think he is absolutely right. It is a noble initiative, and I would like to work with him in the future.

Thank you, Mr. Speaker.

The SPEAKER. Thank you, sir.

At this time Representative McCarter calls up late-filed amendment 1301. Let me withdraw that for just a moment.

Representative Schweyer.

Mr. SCHWEYER. Thank you, Mr. Speaker.

I would like to thank the maker of the amendment and the maker of the legislation. The intent of this is to use the very successful EITC program as a model for those companies that want to invest in students who are looking for postsecondary education, students who want to go on to careers in engineering, careers in welding that would take more than just a high school diploma, and using that as a model again to make sure that we are able to get students involved in the industries that need the jobs.

We hear all the time from our manufacturers that we cannot find enough engineers, that we cannot find enough scientists and folks along those lines to be able to work in the careers in the industries that are here in Pennsylvania, and as this amendment is developed further and this concept is developed further, I look forward to working with those two gentlemen on it additionally.

Thank you, Mr. Speaker.

The SPEAKER. Thank you, Representative Schweyer.

Representative McCarter calls up late-filed amendment 1301.

Sir, if you are going to offer that, Representative McCarter, I call your attention, you would have to move to suspend.

You are recognized, sir.

Mr. McCARTER. Thank you very much, Mr. Speaker.

Mr. Speaker, I will be withdrawing this amendment. I just wanted to make comment very briefly, however, that this is an area too, though, that we can find ways in which to, hopefully with the prime sponsor in the future, to find ways to show the good programs that are taking place between our schools and public libraries and that we can find a way to deal with that.

Thank you, Mr. Speaker.

The SPEAKER. Thank you, Representative McCarter.

The good gentleman from York County, Representative Saylor, offers the following— The House will stand at ease.

The House will come to order.

On the question recurring,  
Will the House agree to the bill on second consideration?

Mr. SAYLOR offered the following amendment No. A01214:

Amend Bill, page 1, line 10, by inserting after "penalties," in educational tax credits,

Amend Bill, page 1, line 10, by inserting after "for" tax credits and for

Amend Bill, page 1, lines 13 through 15, by striking out all of said lines and inserting

Section 1. Sections 1705-F(j) and 1706-F(a) of the act of March 4, 1971 (P.L.6, No.2), known as the Tax Reform Code of 1971, amended October 31, 2014 (P.L.2929, No.194), are amended to read: Section 1705-F. Tax credits.

\* \* \*

(j) Reallocation of tax credits.—

(1) Beginning on January 1 of any fiscal year, if any tax credits authorized under this article for contributions to any of the categories of scholarship organizations, opportunity scholarship organizations or pre-kindergarten scholarship organizations remain unawarded, such unawarded tax credits may be reallocated to any of the categories of scholarship organizations, opportunity scholarship organizations or pre-kindergarten scholarship organizations for which all available tax credits have been awarded. The department shall, within ten business days, inform each business firm on the waiting list maintained by the department under subsection (h) that tax credits remain available under another category for which the business firm has not yet applied. If a business firm notified under this paragraph elects, the department shall reallocate available tax credits for award to the business firm in the business firm's preferred tax credit category, notwithstanding the limitations contained in section 1706-F(a). The amount of tax credits to be awarded to a business firm under this paragraph shall not exceed the amount of tax credits available for reallocation or the maximum amount of tax credits for which a business firm is eligible under subsections (a), (a.1), (c) and (d). Each business firm shall have ten business days from the date of the department's notice to elect a reallocation of tax credits under this paragraph. The department shall award tax credits on a first-come, first-served basis.

(2) After the department has awarded tax credits under paragraph (1), the department shall accept new applications for reallocation of tax credits from any of the categories of scholarship organizations, opportunity scholarship organizations or pre-kindergarten scholarship organizations for which tax credits remain available to the applicant's preferred category of scholarship organizations, opportunity scholarship organizations or pre-kindergarten scholarship organizations for which all available tax credits have been awarded, notwithstanding any limitations contained in section 1706-F(a). The amount of tax credits to be awarded to a business firm under this paragraph shall not exceed the amount of tax credits available for reallocation or the maximum amount of tax credits for which a business firm is eligible under subsections (a), (a.1), (c) and (d). The department shall award tax credits on a first-come, first-served basis.

(2.1) In any fiscal year, the first \$10,000,000 in tax credits available for reallocation under paragraphs (1) and (2) shall be set aside for contributions to pre-kindergarten scholarship organizations. If \$10,000,000 in tax credits have not been awarded to pre-kindergarten scholarship organizations under paragraphs (1) and (2) prior to March 1 of any fiscal year, the remaining tax credits available for reallocation under paragraphs (1) and (2) shall be made available for contributions to any of the categories of scholarship organizations, opportunity scholarship organizations or pre-kindergarten scholarship organizations.

(3) No tax credits shall be awarded under this subsection

until the department has completed the award of tax credits for applications made under subsection (i).

(4) The department shall not reallocate tax credits from any of the categories of scholarship organizations, opportunity scholarship organizations or pre-kindergarten scholarship organizations to the category of educational improvement organizations.

(5) Subsections (b) and (g) shall not apply to an application for reallocation of tax credits under this subsection.

On the question,

Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes Representative Saylor.

Mr. SAYLOR. Thank you, Mr. Speaker.

My amendment simply allocates from the EITC program a \$10 million tax credit toward pre-K. That is a short explanation of the amendment I am offering, which is A01214.

The SPEAKER. Thank you, sir.

On that question, Chairman Roebuck. Yes, sir. The floor is yours.

Mr. ROEBUCK. Thank you, Mr. Speaker.

I urge my colleagues to support this amendment. Thank you.

The SPEAKER. All those in favor of the amendment will vote "aye"; those opposed— Representative Evankovich.

Mr. EVANKOVICH. Thank you, Mr. Speaker.

Mr. Speaker, would the prime sponsor of the amendment please stand for brief interrogation?

The SPEAKER. The good gentleman, Representative Saylor, has indicated he will stand for interrogation.

Mr. EVANKOVICH. Thank you, Mr. Speaker.

Mr. Speaker, under the amendment as proposed in A01214, what early childhood education programs would be eligible to receive the scholarship funding through the EITC or OSTC (opportunity scholarship tax credit) passthrough?

Mr. SAYLOR. Those that would qualify under this amendment would be those that run a program that are in conjunction with a public or private school.

Mr. EVANKOVICH. Thank you, Mr. Speaker.

So would that include Keystone STARS-eligible (Standards, Training/Professional Development, Assistance, Resources and Support) programs?

Mr. SAYLOR. Not all of them, no. They must be attached to one of the two descriptions of what I previously talked about in public or private school. They must be attached to a school.

Mr. EVANKOVICH. So can you please provide a few examples of what a preschool or early childhood education program would look like that was run in conjunction with the school?

Mr. SAYLOR. Again, it would be a Christian school, a Catholic school, a public school that runs a pre-K program that qualifies under EITC.

Mr. EVANKOVICH. Thank you, Mr. Speaker.

That concludes my interrogation. I would just like to make a few comments on the bill.

The SPEAKER. Sir, you are recognized.

Mr. EVANKOVICH. Mr. Speaker, the amendment before us very simply, I believe, makes it a little bit easier for certain early childhood education programs to be eligible for EITC funds. Those programs would include programs that are run

through a religious school. Those would include programs that are run through a private school.

Mr. Speaker, they would not include programs that were licensed in the Keystone STARS program that were just licensed under the Department of Public Welfare. For those of us who know about the early childhood education issues, the big push over the last 10 or 15 years has been to provide resources, better resources, for the vast majority of those programs, to be able to provide better learning opportunities, curriculum safety standards for children throughout the Commonwealth, and to create better access.

Mr. Speaker, this amendment, while good in its intent, does not necessarily seek out and provide the mission of what we may think it does on its face. I just wanted my colleagues to understand going into this vote that the amendment as proposed does not allow for a change to the EITC program. It follows the current rules of the EITC program. So by default, none of those programs that we would come to know in our districts, few of those programs that we would come to know in our districts, would be now newly eligible for these funds.

### PARLIAMENTARY INQUIRY

Mr. EVANKOVICH. Mr. Speaker, I would like to make an inquiry.

The SPEAKER. Please state your inquiry.

Mr. EVANKOVICH. As someone with ownership in an early childhood education program, should I recuse myself from this vote?

The SPEAKER. No. The Parliamentarian has indicated there is no conflict. You are not connected.

You are part of a class, and you do not have any specific ownership interests. You may certainly vote on this amendment.

Mr. EVANKOVICH. Mr. Speaker, in light of that, I would still like to be placed on leave for this vote, please.

The SPEAKER. The gentleman will be excused from voting on this particular amendment.

Representative Santora.

Mr. SANTORA. Thank you, Mr. Speaker.

Mr. Speaker, any time we have the opportunity to add additional funds to put more children in pre-K, that is a great thing. I urge my colleagues to vote in support of this amendment.

Thank you, Mr. Speaker.

The SPEAKER. Thank you. Mr. Santora.

Any other member wish to be recognized on the amendment? Representative Christiana.

Mr. CHRISTIANA. Thank you, Mr. Speaker.

Mr. Speaker, I think it is important to point out that this amendment does not change those that would be eligible—

The SPEAKER. The gentleman will please suspend.

The floor is to Representative Christiana, the prime sponsor of the underlying legislation. Let us please give him our attention.

Representative Christiana.

Mr. CHRISTIANA. Thank you, Mr. Speaker.

I think it is important to point out that the same groups and the same schools that are eligible for EITC and OSTC dollars in current law would be eligible under this amendment. This does not change the law saying certain groups would be eligible and others would be locked out. That is not the point of this

amendment. The point is, it is saying if there are any funds available on January 1, \$10 million would be prioritized for pre-K programs, the same programs that are currently under law, the same schools that currently are eligible. It does not change that, Mr. Speaker, and I support this amendment. Thank you.

The SPEAKER. Representative Jordan Harris.

Mr. J. HARRIS. Thank you, Mr. Speaker.

Would the maker of the amendment stand for brief interrogation?

The SPEAKER. Representative Saylor? He agrees to stand for brief interrogation.

Mr. J. HARRIS. Thank you, Mr. Speaker.

Mr. Speaker, so when we talk about early childhood centers that would be eligible, so would that also include the ones that contract through large school districts?

Mr. SAYLOR. If they are attached to a Christian, Catholic, or a public school, as long as they are attached to a school, yes, they qualify.

Mr. J. HARRIS. Thank you, Mr. Speaker.

I guess my question, Mr. Speaker, is, what does "attached" mean? Because in Philadelphia County a lot of the early childhood centers are contractors with the School District of Philadelphia. Is that considered an attachment?

Mr. SAYLOR. You are correct that as long as they have a connection, a contract is perfectly fine. They have an attachment to that school to provide those services for that school.

Mr. J. HARRIS. Thank you.

Mr. Speaker, additionally, what about programs that have an attachment to the Federal government that are funded through Federal dollars?

Mr. SAYLOR. Again, they must have an attachment to a school, either through a contract or it is being offered by that school. If they are receiving dollars from the Federal government and that is the only thing they are doing, they are not attached to a public school, a Christian school, or a private school of some kind, then they would not qualify. But if they have an attachment again to a school, no matter where else they are getting their other dollars, they would qualify for this program, as long as they have that attachment.

Mr. J. HARRIS. Thank you.

On the amendment, Mr. Speaker?

The SPEAKER. On the amendment, Mr. Harris.

Mr. J. HARRIS. Thank you, Mr. Speaker.

Mr. Speaker, my only concern, and honestly, I am not necessarily sure how I will vote at this time. My only concern is that I know in Philadelphia County, the School District of Philadelphia does contract with early childhood centers. But in addition to the school district contracting, there are also those programs that are contracted through the Federal government, where the Federal government provides the same type of services to 3- and 4-year-olds throughout my district. And they are also a part of the Keystone STARS program.

My concern is, according to the maker of the amendment, it seems like those who – actually, in my district I think represent a majority of the young people in my district – those types of programs would not be eligible for this type of dollar, and what we have across the Commonwealth, I can definitely talk in my area, what you have is you have a lot of mom-and-pop centers who do the best that they can and who are moving up in the Keystone STARS program, but they need the additional funding

to even elevate themselves in the program because it costs money to elevate through the different STARS system.

So my thought is, if the money is going to be provided, those young people should not be shut out of this opportunity as well because those dollars are definitely necessary.

**PARLIAMENTARY INQUIRY**

Mr. J. HARRIS. I will also say for the record, Mr. Speaker, that I am the president of the board of directors of an early childhood center in Philadelphia. So I do want to put that on the record, that while I take a vote on this, I wanted to make sure as well that I do not have a conflict with the Parliamentarian.

The SPEAKER. The Parliamentarian has indicated that there is no conflict and you may in fact vote on this amendment.

Mr. J. HARRIS. Thank you, Mr. Speaker.

My last thing is, I would just hope that in the Senate maybe that we can expand this program because there are a lot of children who are in these programs that are funded not through a school district but through the Federal government that could also use this type of funding.

Thank you, Mr. Speaker.

The SPEAKER. Thank you, sir.

Representative Everett. Waives off.

**PARLIAMENTARY INQUIRY**

Mr. HANNA. Mr. Speaker? Mr. Speaker?

The SPEAKER. Representative Hanna.

Mr. HANNA. Parliamentary inquiry.

The SPEAKER. Please state your parliamentary inquiry.

Mr. HANNA. If I understood you correctly, you said that the gentleman from Westmoreland was excused from voting on that last measure.

The SPEAKER. Yes.

Mr. HANNA. My question is, how are you reconciling your decision that there was no conflict under rule 65 with the requirement, rule 64, which says that all members present must vote?

The SPEAKER. The Parliamentarian has indicated that in the past if a member, despite being told that they do not have a conflict, still does not want to vote based on an apparent conflict, they have been excused from voting on past rulings from the Chair.

Mr. HANNA. And how is that reflected on the roll call?

The SPEAKER. It should be marked as excused.

Mr. HANNA. Thank you, Mr. Speaker.

On the question,  
Will the House agree to the bill on second consideration?

Mr. **JAMES** offered the following amendment No. **A01288**:

Amend Bill, page 2, line 10, by striking out "AT A MINIMUM,"

Amend Bill, page 2, lines 11 and 12, by striking out "BACHELOR OF SCIENCE IN NURSING (BSN) PREPARED REGISTERED NURSE LICENSED BY THE COMMONWEALTH," and inserting nurse licensed by the Commonwealth. The Chief Nursing Officer shall be a registered nurse with an unencumbered license issued by the Commonwealth who has at least 10 years of working experience as a registered nurse and who has an advanced degree in nursing or public health.

Mr. **JAMES**. Thank you, Mr. Speaker.

Mr. Speaker, amendment 1288 is an agreed-to amendment. It changes the education and experience required to fill the role of chief nursing officer of the Commonwealth and essentially establishes some basic requirements to hold the office, including an advanced degree which may include a master's and/or a Ph.D. and 10 years of working experience as a registered nurse.
